**Part 001 – General Provisions**

**§ 175-10.3-001 General**

- (a) This chapter provides the regulations to appoint, reassign or transfer, promote or demote, or otherwise change status of, and to remove from service, employees who are employed by the Commonwealth Casino Commission (Commission).
- (b) Public Law 18-56, enacted July 11, 2014, exempted the staff of the Commission from the Civil Service. The Commission has the authority to promulgate rules and regulations to regulate personnel matters. See 4 CMC §2316(a). Pursuant to this authority, the Commission promulgates the following Personnel Regulations, to be administered by the Executive Director.

**§ 175-10.3-005 Applicability**

- (a) The regulations in this chapter shall apply to employment of personnel in all positions within the Commission. However, nothing in these regulations shall be construed to apply to Members of the Commission unless specifically stated otherwise.
- (b) It is not the intention of the regulations in this chapter to create any legally protected property interests in employment with the Commission or any employment right or benefit not explicitly stated in these regulations or the employment contract. Notwithstanding any other regulation, policy, or practice to the contrary, all commission staff employment may be terminated at the will of the employee and/or employer pursuant to the terms of the contract and these regulations.

**§ 175-10.3-010 Purpose**

The regulations in this subchapter establish regulatory direction for employing, compensating, providing employee benefits, and effecting other personnel actions for Commission employees. These regulations shall be construed and applied to promote the following underlying purposes and policies:

- (a) Simplify, clarify, and modernize the employment policies and practices of the Commission.
- (b) Establish consistent employment policies and practices among various divisions and activities of the Commission.
- (c) Create increased public confidence in the procedures followed in Commission employment.
- (d) Ensure the fair and equitable treatment of employees within Commission.
- (e) Provide safeguards for the maintenance of an employment system of quality and integrity.

**§ 175-10.3-015 Definitions**

For purposes of this subchapter, the following terms shall be defined as follows:

- (a) “Dependent(s)” Spouse, minor children, unmarried and under 21 years of age, physically or mentally handicapped children incapable of supporting themselves, regardless of age, wholly dependent parents of employee or spouse, or minor children by

previous marriage, unmarried and under 21 years of age, for whom the employee or spouse have legal custody. Children by a previous marriage who are primarily domiciled by court order in other than the employee's household are not considered dependents.

(b) "CNMI" means the Commonwealth of the Northern Mariana Islands.

(c) "Commission" means the Commonwealth Casino Commission established by PL 18-56.

(d) "Commission Employee" An employee holding a position within the Commission, pursuant to a Commission Service Contract or other contract, and further pursuant to the laws and regulations of the Commonwealth.

(f) "Commissioner" means the commission member of the Commission appointed and confirmed pursuant to PL 18-56.

(g) "Commonwealth" means the Commonwealth of the Northern Mariana Islands.

(h) "Members" mean the Commissioners of the Commonwealth Casino Commission.

(i) "Employer" The Commonwealth Casino Commission; or, if the context so requires, the hiring official.

(j) "Executive Director" means the Executive Director of the Commonwealth Casino Commission appointed pursuant to PL 18-56, or his or her designee.

(k) "FTE" Full-time employee.

(l) "Willful Abandonment" When a Commission employee is absent without authorized leave for a combined total of ten days without valid reason during a twelve-month period.

(m) "Termination for Cause" Termination for cause before the end of the contract term may be for any of the following reasons:

(2) Willful misconduct;

(3) Willful abandonment of job;

(4) Substantial or repeated violation of law, or of this subchapter, or of Division or Commission rules or policies;

(5) Willful failure or inability to plan, manage, or evaluate employee or unit performance in a timely or effective manner;

(6) Conviction of a felony or other crime involving moral turpitude;

(7) Other good cause that adversely affects the employee's ability to perform the job or that may have an adverse effect on the Division or Commission if employment is continued.

**§ 175-10.3-020 Types of Employment.**

The type of employment is dependent upon the position that is being filled. The Executive Director shall consider how best to accommodate and balance the present and expected future needs of the Commission with available and projected resources in determining the type of employment.

(a) Employment Contract – Employment Contract employees shall be hired on a contractual basis. Employment Contract employees shall be hired for a period of one to five years and are entitled to all the benefits of employment, including annual and sick leave, and are eligible for health and life insurance and the 401(a). Employees under this status are subjected to the Offer Letter of Employment from the Executive Director, the Commission Service Contract, and the additional Terms and Conditions of Employment promulgated by the Executive Director.

(1) Part-time Employment Contract employees may be hired for one or five years and do not receive annual or sick leave and are not eligible for health and life insurance or the 401(a) program.

(2) The contracts of all contract employees shall contain a 90-day probationary period. The Executive Director should try to provide periodic feedback so that the employee is aware of any deficiencies he or she needs to correct prior to the end of the 90-day period. The Executive Director may promulgate a feedback form for this purpose. An employee who receives all or primarily all “unsatisfactories” on the evaluative criteria should assume he or she will be separated from service. The Executive Director may provide a letter that the employee either has or has not successfully passed his or her probationary period. The employee who has not received a letter about passing the probationary period should request one. Once the employee successfully completes the probationary period, or extended probationary period(s), he or she can be terminated with or without cause, as may be allowed by the Commission Service Contract.

(3) No contract employee shall have an expectation of renewal of any contract and may not rely on any such expectation.

(b) Provisional Appointment – Provisional Appointment employees are hired by short term contract on no more than a 90-day period to fulfill an urgent need of the Commission. This is usually done in order to allow time to obtain a full-time permanent employee for the position. If the Commission still needs the services of the provisional employee and the position has not yet permanently been filled, the Executive Director may extend the provisional employee another 90 days but the employment of a provisional employee shall not exceed 180 consecutive days. Provisional employees receive annual and sick leave and are eligible for health and life insurance but cannot use any annual leave during the first 90-day period. If the employee is then converted to a full-time position, he or she still has to complete the 90-day probationary period.

(c) Limited Term Appointment – Limited Term Appointment employees may be hired by short term contract to work on programs funded through federal or Commonwealth grants. The terms of these employees shall be congruent with the budget cycle of the grant. Limited Term Appointment employees receive annual and sick leave and are eligible for health and life insurance but cannot use any annual leave during the first 90-day period.

(d) Temporary Appointment – Temporary Appointment employees are employees who are hired by a short-term contract for a period of less than one year. While their terms may be extended, there should be no expectation of and reliance upon an extension. Temporary employees do not receive annual or sick leave and are not eligible for health and life insurance or the 401(a) program.

**Part 100 - Staffing and Administration**

**§ 175-10.3-101 Recruitment and Selection Procedures**

(a) When the Executive Director seeks to fill a vacant position, he or she will first ensure the availability of funds by checking with the Department of Finance or otherwise. Executive Director will authorize a vacancy announcement to initiate a search for a qualified and suitable person. The terms for the position shall be in accordance with the position description. The recruitment and selection process will follow procedures established by Executive Director.

(b) An existing position is deemed to be vacant upon expiration or termination of the present or last employment contract. The position can be announced sixty days before the end-date of the current employment contract if the intent is not to renew the incumbent, or some shorter time should the intent to renew occur at a date closer to the expiration of the contract.

(c) There is no requirement for the employer to renew a Commission Service Contract. If the employer, through the Executive Director, elects to renew the employment contract of a Commission Employee, the employer, through the Executive Director, may waive the announcement of the position.

(d) Newly established or otherwise unfilled positions will be announced. Provided, however, when necessary for the provision of essential services, the Executive Director may waive the requirement of a vacancy announcement for selection of a candidate for any position within the Commission. However, prior to waiving the vacancy announcement, the Executive Director shall obtain certification of the availability of funds for the position to be filled.

(e) Upon selection of an applicant the Executive Director will cause a Commission Service Contract, with Terms and Conditions, to be routed. The selected candidate will not be authorized to begin work until the contract has been fully routed and approved, a negative report has been received for the pre-employment drug test, all other requirements have been met, and the Executive Director has made payroll certification that the employee has been employed in accordance with relevant statutes and regulations.

**§ 175-10.3-105 Disqualification of Applicants**

## **TITLE 175: COMMONWEALTH CASINO COMMISSION REGULATIONS**

---

(a) The Executive Director may refuse to examine an applicant, or after examination may refuse to place his or her name on an eligible list, or may remove his or her name from an eligible list, or may refuse to certify any person on an eligible list who:

(1) Has failed to submit a complete and accurate application or failed to submit within the prescribed time limit;

(2) Is found to lack any of the minimum qualifications in the recruitment announcement or examination for the position;

(3) Has applied for a position as an “in-house” applicant, but whose last performance evaluation was below average;

(4) Has received any disciplinary action (other than an oral reprimand, warning, or counseling) from the Commission (or any other branch, agency or instrumentality of the Commonwealth government) within a 12-month period preceding application and it has not been rescinded;

(5) Is found to have been convicted for violation of the law of the CNMI or federal government within the past two years. Conviction includes guilty, “nolo” and “*Alford*” pleas.

(6) Has been convicted of any crime involving violence or dishonesty within the last two years;

(7) Has withheld information of material fact or made a false statement of material fact in regard to the application for employment;

(8) Has ever been dismissed from the Commission or from other employer for disciplinary reasons or resigned in lieu of termination;

(9) Has used or attempted to use bribery to secure an advantage in the examination or appointment;

(10) Has directly or indirectly obtained information regarding examinations to which the applicant is not entitled; or

(11) Is disqualified under other sections of these rules or the laws, regulations or policies of the CNMI Government or the Commission.

### **§ 175-10.3-110 Nepotism**

There shall be no limit to the number of members of the same household who may be employed under other appointments, provided:

(a) No member of the same household may supervise another.

(b) All other qualifications for employment are met.

(c) No costs other than for salary and employment benefits as provided by regulation, shall accrue to the Commission as a result of hiring persons from a household containing another employee.

### **§ 175-10.3-115 Effective Dates**

(a) **Employment Start Date.** Employment for all Commission Employees, whether residing inside or outside the Commonwealth at the time of hire, shall be effective on the first day the employee reports to work. Expatriation travel time is outside the employment period and will not be compensated.

(b) **Contract Completion.** Completion of the term of employment shall be effective on the last day of the term of the employment contract.

(c) **Early Termination.** Early termination of employment, with or without cause, shall be effective on the date of termination stated in the termination letter. Repatriation travel time is outside the employment period and will not be compensated.

**§ 175-10.3-120 Duty Station and Work Assignments**

(a) Duty station is primarily defined as Saipan, C.N.M.I. Duty Station may also, at the discretion of the Executive Director, include Rota, Tinian, the Northern Islands, or as otherwise assigned as the duties and responsibilities of the Commission may be expanded by legislation or executive order.

(b) The employee is assigned to a specific duty station as identified in the employment contract. However, with the employee's consent, the employee may be assigned to another duty station, based upon the needs of the Commission.

(c) If the transfer of duty station involves a permanent move for a period in excess of six months to another island within the CNMI, the employee shall be entitled to transportation for self and dependents, if any, and shipment of household effects, not to exceed 1,500 pounds for a single status employee or 3,000 pounds for an employee with dependents. This benefit is available only in cases where the transfer is initiated by the Commission.

(d) Temporary assignments to another duty station for periods of not more than ten consecutive workdays do not require the employee's approval, if the assignment is required by the needs of the Commission.

**§ 175-10.3-125 Compensation and Work Schedules**

(a) The salary will be subject fiscal availability (and to budget appropriations, if applicable) and will be expressed in terms of the gross amount to be paid during a twelve-month annual period, and for each of the twenty-six bi-weekly pay periods.

(b) Periods of compensable time shall include time worked during the assigned work schedule, overtime for overtime-eligible employees, legal holidays, and approved annual, sick, administrative and other leaves, as defined herein or subject to the Executive Order of the Governor. Periods of absence without leave (AWOL) and leave without pay (LWOP) will not be compensated and will be subject to appropriate timekeeping and administrative action.

(c) The employee's specific workday and workweek may differ from the standard workweek on a permanent basis, or vary from time to time, according to the needs of the Commission. Every effort shall be made to maintain a reasonable five-day, forty- hour work schedule, but the schedule is subject to variation, to include required overtime for overtime-eligible employees, extra hours for overtime-exempt employees, shifts of differing duration, and broken periods of duty, according to the needs of the Commission.

(d) All employees are covered by the Federal Fair Labor Standards Act (FLSA). Employees cannot waive their rights under FLSA. An employee will be designated as overtime-eligible or overtime-exempt based upon the duties performed and in accordance with the federal FLSA. Such designated executive, administrative, and professional employees are exempt from, and shall not be paid, overtime payment. These terms have the meanings given them in the federal Fair Labor Standards Act. The employee's overtime eligibility status is stated in the employment contract.

(e) Overtime for overtime-eligible employees shall be approved in accordance with a procedure established by the Executive Director. The Executive Director shall also establish a policy to address administrative actions for unauthorized overtime work. However, prohibition of unauthorized overtime does not relieve the employer of the requirement to pay for time actually worked. Overtime is that time a non-exempt employee is directed or permitted to work in excess of the 40 hours during a standard work week (40 hours in seven consecutive days). Employers may apply different work periods for health care employees, or different work periods and overtime thresholds for law enforcement and fire employees, as permitted by federal law. Such overtime hours are paid at 1.5 times the regular rate of pay, as defined in the Fair Labor Standards Act.

(f) Compensatory time-off can be used to replace monetary payment for overtime-eligible employees, at the discretion of the Executive Director. In such cases replacement will be at the rate of one and one-half hours of compensatory time-off for each one hour of overtime worked. The employee's acceptance of employment serves as an agreement to receive compensatory time-off in lieu of paid overtime. The employer can require the employee to use the compensatory time-off that they have earned, rather than allowing it to excessively accumulate or paying it as overtime. Restated, this means that the Executive Director can schedule compensatory time-off periods and require the employee to take that time-off. This does not prevent an employee from also scheduling time off at a time of his or her choosing, as long as approving the request does not unduly disrupt the Commission's operations.

(g) Compensatory time accrued must be taken within the year that it was earned.

(h) The Executive Director may approve compensatory time or extra payment to an overtime-exempt employee, in exceptional situations. Such situations will be considered the exception, not the rule, and will be limited to declared emergencies and extraordinary work requirements. In such cases compensatory time-off or extra payment will be on a one-to-one regular base pay basis.

#### **§ 175-10.3-130 Acting Appointment**

(a) An acting appointment is made when an employee may be required to serve temporarily and accept responsibilities for work in a vacant higher-level position which the Executive Director has determined cannot be left vacant for any but the shortest period of time. This type of appointment gives the acting appointed employee no advantage in competition for regular filling of this position. However, time in acting appointment may be counted toward experience for the class of position concerned.

(b) All acting appointments require the written approval of the Executive Director. Any employee who is acting for a period in excess of 90 days will receive acting pay effective

the 91st day in acting capacity. If the employee does not meet the minimum qualifications of the position for which he or she is in acting capacity, the acting pay will be at least 10% more than the employee was earning immediately prior to accepting the acting role but not more than the pay level for the position the employee is filling.

**§ 175-10.3-135 Work Hours**

**(a) Regular Hours of Work.**

(1) Regular working hours of the Commission employees shall consist of a five-day week, eight hours a day, 40 hours per workweek from 8:00 am to 5:00 pm. The standard workweek shall consist of the period from midnight Sunday to the following midnight Sunday.

(2) The Commission is a 24-hour operation. In the Division(s) that operate outside of normal business hours, the Manager of the Division together with the Executive Director shall make a schedule for the employees who work hours other than the standard work week. Please refer to the Time Clock / Biometric Timekeeping Policy, Policy No. 1095 for the hours of all units operating outside of the standard work week.

**(b) Evening and Night Shift Differential. (RESERVED)**

**(c) On-Call Employees (RESERVED)**

(d) Time and Attendance Record. All Commission employees shall sign a Time and Attendance Record such as may be required by the Executive Director. The Executive Director shall review and approve Time and Attendance Records. The Commission pay periods shall be identical with those of the CNMI Government. Executive, managerial, professional and exempt employees are expected to work the regular 40 hours a week of employment but need not time-in or time-out.

(e) Payment of Salary. All Commission employees shall be paid within two weeks after end of every pay period.

(f) Temporary Schedule. Temporary shifting of employee's working hours to meet routine needs may be done as necessary and if approved by the Division Manager or the Executive Director. Changes in temporary schedule for more than one-week duration require at least one week's advance notice to employees except in emergency situations, or when the employees waive the need for notice.

(g) Lunch Period. For most positions, lunch shall be one-hour unpaid time, usually from 11:30 am to 12:30 pm. Deviation from the standard lunch time requires the approval of the employee's Supervisor or the Executive Director. If employee is on a shift schedule, lunch or dinner break should be complied accordingly based on existing policy.

(h) Rest Periods. Employees are entitled to rest periods of fifteen minutes during the first four (4) hours of work and another fifteen minutes during the second four hours of work. The responsibility for scheduling break periods rests with the immediate supervisor. The 30 minutes allotted for break time may not be used to lengthen lunch hours or shorten working days. Rest periods shall not be used to cover late arrivals nor may they be accumulated for scheduled time-off.

(i) Changes of Permanent Schedule. All long-term changes to the established work schedules shall be provided to the employees affected at least one week's notice prior to the change, if possible, except in emergency situations or when the employees waive the need for notice.

**§ 175-10.3-140 Work Hours Recognized Holidays with Pay**

(a) Holidays with Pay. The following days will be recognized as holidays with pay for all employees. These holidays are subject to change pursuant to Executive Order of the CNMI Governor or by statute.

**§ 175-10.3-201 Expatriation and Repatriation [Reserved]**

**§ 175-10.3-205 Housing [Reserved]**

**§ 175-10.3-210 Annual Leave**

(a) Annual leave, or vacation, shall be granted for the purpose of rest and relaxation. Except as provided in this section, employees who have less than three years of creditable service shall earn annual leave at the rate of four hours per pay period. Employees with three but less than six years of creditable service shall earn annual leave at the rate of six hours per pay period. Employees with six or more years of creditable service shall earn annual leave at the rate of eight hours per pay period.

(b) Activity or division heads, attorneys, executive directors and assistant executive directors shall earn annual leave at the rate of eight hours per pay period.

(c) Annual leave accrual rate per pay period for Commission Employees with advanced degrees and/or exceptional skills or experience shall be at a rate not to exceed eight hours, and:

(1) Based, specific to each employee, upon:

(i) The critical need to fill the position;

(ii) The availability of qualified applicants; and

(iii) The amount and quality of related education, training, and experience possessed by the employee.

(2) An employee employed in the first year of the initial contract shall not be entitled to use annual leave during the first ninety days of employment. Annual leave earned during this period will be credited to the employee upon completion of this initial period. This restriction does not apply to employees employed on an immediately subsequent contract.

(d) Commission Employees shall accrue annual leave at the rate set forth in their employment contract. If the employee takes leave without pay (LWOP) or is in an absence without leave (AWOL) status there will be no leave accrual for that pay period.

(e) Annual leave may be used only upon prior written approval of the employer and will be scheduled based upon the needs of the employer. Annual leave requests must be made in advance, except in cases of bona fide emergencies, on a leave request form provided by the Executive Director. All annual leave requests must be approved by the Executive Director. The employer will approve all properly submitted leave requests unless the needs of the government prevent the absence of the employee.

(f) Annual leave must be utilized during the contract period. Except as provided in subsections (g), (h), and (i) below, any annual leave not utilized will be converted to sick leave at the end of the employment term. No cash payment will be made for unused annual leave, except as provided for in subsection (i) below.

(g) If an offer and acceptance for a new employment contract is agreed upon, or if a civil or excepted service employee accepts a contract with the Commission, accrued and unused annual leave credits from the prior period of employment, not to exceed 360 hours, shall be carried over to the new employment contract. Unused annual leave in excess of the limits cited above will be converted to sick leave.

(h) Employees converting from the civil service or excepted service status will be authorized to carry over not more than 360 hours of annual leave. Hours in excess of this amount will be converted to sick leave if not used prior to conversion.

(i) The Executive Director may, with the concurrence of the Commission and of the Governor, approve a lump-sum cash payment of up to 360 hours of unused annual leave in cases of involuntary separation due to reasons of bona fide personal emergency beyond the control of the employee or as otherwise permitted by the regulations or the Executive Director.

#### **§ 175-10.3-215 Sick Leave**

Accumulation of sick leave is allowed primarily for the purpose of providing an employee with an economic cushion to be used in the event of an illness or lengthy absence for legitimate medical reason. In addition, in accordance with PL 15-69, as repealed in part by PL 15-115, an employee may use sick leave to care for a sick spouse or child. In this case, "sick" means a serious or life-threatening illness. Approval of the Executive Director is required to use sick leave in this way. A doctor's certification will be required.

(a) Sick leave shall accrue to the employee at the rate of four hours per pay period, provided the employee has been in pay status as required by the employment contract. If the employee takes leave without pay (LWOP) or is in an absence without leave (AWOL) status the sick leave accrual shall be prorated for that pay period.

(b) The employee is entitled to use accrued sick leave from the time sick leave is first earned. An employee who is absent from work for a reason for which Sick Leave may be used shall inform his or her immediate supervisor of the fact and reason, and failure to do so within a reasonable time may be cause for disciplinary action. Notification in this context shall mean notification no later than an hour after the accident, emergency or injury, or advance notice if medical and/or dental appointment is being sought.

(c) Any absence on sick leave where the employee misses more than three continuous days of work must have the illness verified by a note from a medical doctor in order to claim sick leave.

(d) The employee is not entitled to any payment for accrued and unused sick leave upon completion of an employment contract or termination of employment.

(e) If an offer and acceptance for a new period of employment is agreed upon under a new employment contract/appointment, all accrued and unused sick leave credits from the prior contract/appointment will be carried over, provided that if the employee is separated from

government service for a period longer than three years, the employee shall be divested of accumulated sick leave.

(f) If the Executive Director has reasonable grounds to believe that the employee is misusing sick leave, or requesting sick leave for purposes other than illness, the Executive Director may request proof of illness from a health care professional for any period of illness. If the certification is not provided, or is unpersuasive, the supervisor may deny the sick leave request. Disallowed sick leave shall be charged as Annual Leave, if available, or AWOL.

(g) Sick leave may be accumulated without limit.

(h) Commission Employees are eligible for the sick leave bank program pursuant to applicable regulations adopted on October 16, 1997 and published in the Commonwealth Register, Vol. 19, No. 11, on November 15, 1997, at pages 15748-15757. (See NMIAC title 100, chapter 50).

(i) Sick Leave Bank

(1) Donation. The Commission hereby establishes a Sick Leave Bank. Employees may donate sick leave either to a designated employee or to the Sick Leave Bank in general. Employees may donate as much sick leave as they want to the Bank but no more than 160 hours to any specific employee.

(2) Use. Employees must be approved by the Executive Director to use the Sick Leave Bank. In order to be eligible, employees must have a serious or life-threatening illness or accident that precludes the employee from working. The employee must have exhausted all other leave, including advanced leave, prior to using the Sick Leave Bank. Employees using either designated time or general Sick Leave Bank time may use no more than 160 hours total during the course of their employment.

(j) Transfer-In of Sick Leave from other CNMI Government Agencies. The Commission will accept up to 500 hours of sick leave from other CNMI Government agencies.

**§ 175-10.3-230 Advance Leave**

Where, for good reason, the employee requires an advance of annual or sick leave, the Executive Director may grant leave in advance up to a maximum of one-half of the total earnable leave credits for one year from the date the request is approved or for the remainder of the employment contract/appointment, whichever is shorter. Subsequent leave earnings shall serve to replace the amount of advance leave taken. In the event an employee resigns from his or her employment, any annual or sick leave overdraft must be paid as part of the final clearance.

**§ 175-10.3-235 Court Leave**

The Commission encourages its employees to fulfill their obligations as citizens and residents of the Commonwealth and the federal government. Compassionate leave must be taken within eighteen days after the death of the immediate family member.

**§ 175-10.3-245 Miscarriage Leave**

Miscarriage leave shall be granted to a Commission Employee who is absent from work because of miscarriage or the subsequent convalescence. Such miscarriage leave shall not exceed five work days, and shall be in addition to any accumulated sick leave. An employee who wishes to claim miscarriage leave must have the miscarriage verified by a note from a medical doctor in order to claim miscarriage leave. Any additional leave taken after five work days shall be charged against accumulated sick leave.

**§ 175-10.3-250 Pregnancy Disability Leave**

Pregnancy disability leave shall be granted to a Commission Employee who is absent from work because of childbirth or the subsequent convalescence. Such pregnancy disability leave shall not exceed thirteen work days, shall be in addition to any maternity leave or accumulated sick leave, and shall be any thirteen work days encompassing the date of childbirth. Any additional leave taken for such childbirth purposes shall be charged against accumulated sick leave. Upon discharge from such service, the employee shall be re-employed with such seniority, status and pay as would have been attained if employment had continued with the Commission without interruption, provided that the employee's absence has not voluntarily exceeded two years and application for re-employment was made within 30 days of release from active military service.

(b) In accordance with local and federal laws, any employee who enlists or is called to federal active duty, territorial active military service or training duty as a Reserve of the Armed Forces or a member of the National Guard will be granted up to 120 hours of unpaid military leave for the period of active duty upon presentation of Orders into service to the Executive Director or his or her designee. This leave shall be granted solely for the purpose of and will continue only for the time stated in the Orders into service and that said employee is actually performing said military service.

(c) Any employee who is a veteran of a branch of the United States Armed Services will be excused from work duties without loss of pay for the time necessary, not to exceed eight hours in any one day, to participate as an active pall bearer or as a member of a firing squad or honor guard in a funeral ceremony for a member of the Armed Forces of the United States whose remains final interment is in the Commonwealth.

If LWOP is not authorized, it is characterized on the employee's payroll as Absent without Leave (AWOL). If an employee believes he or she has been adjudged AWOL improperly, he or she needs to clear that issue with the Executive Director within the next pay period after having received the AWOL. Leave and benefits shall not accrue during leave without pay except as provided in this section. The employer-employee relationship is maintained during a period of leave without pay, but the Commission shall pay no other compensation.

**§ 175-10.3-275 Unauthorized Absence or Absent Without Leave (AWOL)**

(a) Absence without Leave is defined as leave without approval and may subject the employee to discipline. For purposes of this section, AWOL will be evaluated per calendar year. Previous years' AWOL will not apply to subsequent years for disciplinary purposes. Such leave is unpaid.

(1) Discipline may be as follows:

(i) Employees who accrue AWOL hour(s) during any one pay period shall be issued a reprimand.

(ii) Employees who accrue an additional hour(s) after reprimand in any following pay period shall receive a five-day suspension without pay.

(iii) Employees who accrue an additional hour(s) after a five-day suspension shall be terminated.

(iv) Employees who accrue 80 hours of AWOL in one year shall be terminated.

(b) Abandonment of Position. Any employee AWOL for a consecutive total of 10 working days shall be deemed to have resigned without notice by abandonment of position. Employees will be responsible to submit leave applications prior to the leave being taken or immediately upon return to work. Failure by the employee to submit leave applications may result in AWOL. For circumstances that are beyond the control of the employee, AWOL may be amended. The AWOL assessed may only be amended on the following payroll. Amendments will not be allowed on the second pay period following the AWOL assessment.

**§ 175-10.3-280 Part-Time Accrual**

Part-time or intermittent employees with regular scheduled tours of duty of less than forty hours during a biweekly pay period will not accrue annual or sick leave or be eligible for the other paid leave benefits. If a part-time or intermittent employee takes leave without pay (LWOP) or is in an absence without leave (AWOL) status for a scheduled duty period there will be no leave accrual for that pay period.

**§ 175-10.3-285 Transfers within Government**

(a) If a Commission Employee transfers to another position within the executive branch, the new employer may assume all liability for the payment or transfer of all earned contractual benefits. The aggrieved employee shall first discuss the grievance with the immediate supervisor in an attempt to resolve the issue. If the issue cannot be resolved with the immediate supervisor or manager, the employee should contact the Executive Director or his or her designee. The Executive Director or his or her designee will attempt to satisfactorily resolve the grievance. The employee may appeal an unsatisfactory determination of the designee to the Executive Director. (2) Withdrawal of Resignation. An employee may withdraw his or her resignation only with the written approval of the Executive Director. Approval shall be obtained before the effective date stated in the resignation.

(3) Failure to give adequate notice. Failure to give adequate notice of resignation may be considered separation not in "good standing" and may preclude consideration for future employment with the Commission.

(4) Effective Date of Separation. The effective date of separation shall be at the close of business on the last day on which the employee works or uses approved leave.

(b) Retirement. Employees retiring from the Commission are required to provide a written notice the same as if they were resigning. This advance time is needed so that retirement benefits can begin as soon as possible following date of retirement and to allow management to plan for the departure of the retiring employee. Employees should submit a letter indicating the date of retirement to the Executive Director accompanied by a letter from the Northern Mariana Island Settlement Fund indicating eligibility for retirement.

(c) Austerity/Reduction in Hours. If the need arises for austerity, employees may have their hours reduced. The Notice shall be given 30 days in advance of the beginning of the austerity. The Governor or Executive Director may exclude certain positions from the austerity. Neither the Governor's nor the Executive Director's decisions to exclude or not to exclude positions for austerity are grievable.

(d) Payment upon Separation.

(1) Employees may be paid out for unused annual leave. Employees should be aware of their leave balances and plan to exhaust their annual leave prior to their separation date. If an employee has leave that he or she is not able to use due to short staffing or some other emergent condition, the employee shall seek the approval of Executive Director to get approval to have those funds paid out.

(2) Moneys the employee owes the Commission or any agency or instrumentality of the Commonwealth Government shall be deducted from the final paycheck. Deductions from accrued leave pay may be made for the replacement value or fair market value of the Commission's property not returned by the employee on or before the effective date of separation

(3) Final paycheck for separation on account of death of employee shall include final wages or salary and other payments the Commission owes the employee, e.g., reimbursable travel advances and other similar payments made by the employee on behalf of the Commission.

(4) Final paycheck shall be paid only to the beneficiary designated in writing filed by the employee before death or to the employee's estate. Commonwealth law does not recognize common-law spouses. If no beneficiary has been designated final payment should be made to surviving legal spouse; if no legal spouse, to surviving children, or guardian of any minor children in equal shares; otherwise to father and/or mother in equal shares; if parents are

not living, then to brothers and sisters in equal shares; if no surviving next of kin, payment should be made to the Commission as escheat.

(e) Medical Separation. An employee who is unable to return to work or has been determined by a licensed physician or medical professional as unable to perform the essential duties of the job, in accordance with federal and CNMI laws and Commission policies (sick leave, annual leave, and FMLA leave) shall be separated from employment.

(f) Termination

(1) The Executive Director may terminate the employee without cause upon written notice sixty days in advance of the date of termination of employment. This time may be shortened only by specifying in the employment contract a lesser period of advance notice. Such notice shall specify the date of termination and be delivered in person to the employee, or by certified mail if the employee is otherwise unavailable for personal delivery. Payment of salary comprising the sixty-day (or contractually shortened) notice period may be made in lieu of notice.

(2) The Executive Director may terminate the employee with cause upon written notice seven days in advance of termination of employment. Payment of salary comprising the seven-day notice period may be made in lieu of notice.

**§ 175-10.3-310 Non-Discrimination Policy**

(a) It is the policy of the Commission that discrimination, for or against any employee, because of race, creed, color, gender (including sexual harassment), sexual orientation, national origin, age, religion, political affiliation, organizational membership, veteran status, disability, or genetic information is prohibited and will not be tolerated. No adverse action or hiring decision shall be made on the basis of any of the above factors except that veteran status may be considered positively as permitted by law.

(b) The Commission shall maintain every workplace free from unlawful harassment, including sexual harassment. Any employee or official who engages in any act of discrimination or harassment on the basis of any of the above factors violates Commission policy, and such misconduct will subject the employee to corrective action ranging from counseling to disciplinary action up to and including termination. Such harassment by a non-employee (for example, a client or contractor) is also prohibited. The Commission shall not tolerate any such outside harassment and shall take necessary action to prevent its continuation or recurrence.

(c) Any employee who feels that he or she has been discriminated against on the basis of any of the above factors, or sexually harassed, should immediately report such incidents to a supervisor at any level without fear of reprisal. Confidentiality will be maintained to the extent permitted by the circumstances.

(d) Any Commission employee who receives a claim of discrimination or harassment in violation of this policy shall take such complaint seriously and immediately advise the Executive Director or the Commonwealth Equal Employment Opportunity (EEO) Coordinator of the situation. The Executive Director, with the assistance of the EEO Coordinator, if sought, will ensure that it is investigated promptly, privately, and with as much confidentiality as possible, consistent with the need to determine the facts. The

an investigative report that will be retained in a confidential file by the Executive Director or EEO Coordinator. Any person accused of a violation shall be allowed the opportunity to rebut the charges.

(e) After determining the facts through the investigation, the Executive Director shall take corrective action as required by the circumstances. This may include counseling any employee, whether or not a violation has occurred; imposing an appropriate sanction, including disciplinary action; making sure that this policy is reiterated to all employees or any group. An employer, or any supervisory staff, who does not take appropriate action also violates this policy and exposes the Commonwealth government to liability.

**§ 175-10.3-315 Non-Tolerance of Sexual Harassment**

(a) Applicability. This policy and procedures applies to all Commission Employees and Members of the Commission.

(b) Purpose. This policy and procedure will establish the Commission's policy of non-tolerance of sexual harassment of any form, by its Members or employees, toward its Members or employees, or by non-governmental agents against the Commission's Members or employees. It will also provide guidance for the education and training of Members and employees to recognize, avoid and prevent sexual harassment in the workplace. This policy and procedure will provide steps for reporting, investigating, and taking administrative action in situations involving sexual harassment.

(c) Definitions

(1) Sexual harassment is an unwelcome sexual advance, request for sexual favors, or other verbal or physical conduct of a sexual nature. Sexual harassment occurs when:

(i) Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment, or

(ii) Submission or rejection of such conduct by an individual is used as a basis for employment decisions affecting such individual, or

(iii) Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive work environment.

(2) Sexual harassment can be divided into two basic types of misconduct:

(i) When an employee or Member suffers or is threatened with a quid pro quo (this for that) situation. This form of sexual harassment occurs when a supervisor or someone else with authority over the victim makes a put out or get out demand, such as "submit to my sexual requests or you will be fired, demoted, passed over for promotion, or in some other way made miserable on the job". This type of sexual harassment can be committed only by someone in the organization structure who has the power to control the victim's job destiny.

(ii) When behavior in the workplace creates a hostile environment. This form of sexual harassment occurs when a supervisor, co-worker, or someone else with whom the victim comes into contact on the job creates an abusive work environment or interferes with the employees work performance through words or deeds because of the victim's gender. The following kinds of behavior have been recognized by the courts as contributing to a sexually hostile environment:

- (A) Discussing sexual activities;
  - (B) Telling off-color jokes;
  - (C) Unnecessary touching;
  - (D) Commenting on physical attributes;
  - (E) Displaying sexually suggestive pictures;
  - (F) Using demeaning or inappropriate terms, such as babe, honey, etc.;
  - (G) Using indecent gestures;
  - (H) Sabotaging the victims work;
  - (I) Engaging in hostile physical conduct;
  - (J) Granting job favors to those who participate in consensual sexual activity; or
  - (K) Using crude and offensive language;
  - (L) Wearing provocative, sensual attire, i.e. tight, skimpy, short-length, etc.
- (iii) The above listed behaviors can create a liability for the government and any such conduct must be addressed and corrected at its earliest stage before it becomes severe or pervasive.
- (3) A workplace environment is considered sexually hostile when conduct occurs that meets the following two conditions:
- (i) It must be subjectively perceived as abusive by the person(s) affected, and
  - (ii) It must be objectively severe or pervasive enough to create a work environment that a reasonable person would find hostile or abusive.
  - (iii) A determination of whether or not a situation would be construed as sexual harassment should also take into consideration the following factors:
- (A) The victim as well as the harasser may be a woman or a man. The victim does not have to be of the opposite sex;
  - (B) The harasser can be the victim's supervisor, an agent of the employer, a supervisor in another area, a co-worker, or a non-employee;
  - (C) The victim does not have to be the person harassed, but could be anyone affected by the offensive conduct;
  - (D) Unlawful sexual harassment may occur without economic injury to the victim;
  - (E) The harassers conduct must be unwelcome.
- (4) Sexual discrimination is distinguished from sexual harassment in that it reflects biases in employment actions based upon gender, but does not involve the abusive behavior described in subsection (c) above.
- (d) Policy
- (1) It is the policy of the Commission that all Members and employees shall enjoy a work environment free from sexual harassment and all forms of discrimination. Sexual

harassment is illegal, under Title VII of the Civil Rights Act of 1964, as amended and as implemented by 29 CFR 1604.11, and is prohibited under this chapter and Article 1, Section 6, of the Commonwealth Constitution.

(2) Sexual harassment is specifically prohibited and will not be tolerated in any form, regardless of whether the offensive conduct is committed by Members, supervisors, managers, non-supervisors (co-workers), or nonemployees (consultants, contractors, general public).

(3) All employees are encouraged to report any violation of this policy. If management is not aware of specific incidents of sexual harassment in the workplace it cannot properly address them. If an employee observes or is subjected to sexually discriminatory or harassing behavior in the workplace, it should be reported immediately to the Executive Director so it can be resolved at the earliest possible time. Employees will not be retaliated against for making truthful statements about perceived harassment.

(4) No employee will be denied or will receive employment opportunities and/or benefits because of a sexual relationship with a Member, co-worker or supervisor. No Member, employee or non-employee shall imply to an employee, an applicant for employment, or a client of a government activity, that conduct of a sexual nature will have an effect on that person's employment, assignment, advancement, other condition of employment, or any other relationship with the government. Any incidents of this type, upon verification by investigation, will be subject to disciplinary and corrective action.

(5) The employer, at all supervisory levels, is responsible for the occurrence of acts of sexual harassment in the work place when they know or should have known of the prohibited conduct. As an official of an autonomous agency of the Commonwealth government, a supervisor's improper action or failure to act creates a liability on the part of the government. All incidents of sexual harassment will be immediately reported to the Equal Employment Opportunity Coordinator or Executive Director, for guidance. Supervisors and managers who knowingly allow harassing behavior to occur, or participate in such behavior, will be subject to disciplinary action up to and including termination.

(6) The Director of Personnel, as the Deputy Commonwealth Equal Employment Officer, should be immediately informed by the Executive Director of any incident of sexual harassment reported within the Commission, or of any charges received from the Equal Employment Opportunity Commission (EEOC).

(7) The Executive Director will ensure that all sexual harassment complaints receive swift and thorough investigations. Appropriate action will be taken in situations where the complaint is validated to correct the situation and appropriately discipline the harasser. Complaints determined to be deliberate false accusations will also be treated as potential disciplinary situations. Situations where the victim requests that no investigation be conducted or action taken must also be investigated and acted upon to avoid future liability and to effect consistent enforcement of the Commission's policy of non-tolerance for sexual harassment.

(8) Complaints of sexual harassment should be filed immediately upon occurrence to facilitate a timely response and to minimize the time that an employee would be subjected

to such treatment. However, per EEOC statutes complaints may be filed anytime within one-hundred and eighty days of an incident's occurrence.

(9) Incidents of harassment due to an employee's sexual orientation, while not covered by law as an Equal Employment Opportunity violation, are a violation of the Commission's policy of ensuring that every employee is provided with a work environment that is safe, non-threatening, and non-discriminatory. Incidents of this nature comprise misconduct and will be subject to disciplinary action up to and including termination.

(10) The hiring of an employee with a known history of sexual harassment or misconduct could result in government liability for negligent hiring. No applicant for employment with such a history will be employed without a complete background investigation and the specific approval of the Executive Director.

(11) The Executive Director is required to distribute this policy to every employee under his or her authority and to ensure that this policy is posted in an accessible location at all times.

(12) All supervisors will be provided training on identifying and preventing sexual harassment in the workplace. They will also receive training on how to conduct a limited administrative investigation and the reporting procedures for allegations of harassment.

**(e) Procedures**

(1) Any Commission Employee who is aware of an incident or situation involving sexual harassment must report it immediately to his or her Equal Employment Opportunity Coordinator, supervisor, or the Executive Director. The Commonwealth government has legal liability for any action where a government official subjects an employee to sexual harassment, or is aware that an employee subjects another employee to sexual harassment and fails to take corrective action.

(2) Any employee who is personally subjected to sexual harassment, or is aware that other employees are being subjected to sexual harassment, should report the incident or situation immediately to his or her departmental Equal Employment Opportunity Coordinator, supervisor, or the Executive Director. If the employee does not feel comfortable bringing it to the attention of any of these parties, or supervisor, or the Executive Director is somehow involved in the harassment, he or she should immediately contact the Commonwealth Equal Employment Coordinator at the Office of Personnel Management, or the Director of Personnel directly. The initial contact does not have to be in writing.

(3) If the sexual harassment incident involves a physical assault, such as rape, attempted rape, assault, or other actions involving physical contact, either the employee or the official who becomes aware of the incident should report it immediately to the Department of Public Safety for immediate processing and investigation. Any physical evidence should not be disturbed until the arrival of the Department of Public Safety,

(4) All incidents of alleged sexual harassment must be immediately reported to the Executive Director and the Commission's designated Commonwealth Equal Employment Opportunity Coordinator or directly to the Director of Personnel as soon as the employer, or other senior official in case of the employer's unavailability, becomes aware of it. The complaining employee should be interviewed by the departmental Equal Employment

Coordinator, legal counsel, or the Executive Director to determine the basic facts of the allegation. The Director of Personnel or the Commonwealth Equal Employment Opportunity Coordinator will then be consulted to determine if the investigation will be conducted at the departmental level or if an outside investigator will be appointed.

(5) Due to the potential legal liabilities resulting from sexual harassment situations, the Executive Director or the Director of Personnel will assume responsibility for the investigation and assign the investigating official (selected EEO official, manager, or legal counsel) or unit (Office of the Attorney General or Department of Public Safety).

(6) All allegations of sexual harassment from employees or perceptions of sexual harassment from third parties or management staff will be reported to the Executive Director or Director of Personnel and will be investigated. Those situations where the victim requests that no investigation be conducted or action taken must also be investigated and acted upon to avoid future liability and to effect consistent enforcement of the Commission's policy of non-tolerance for sexual harassment.

(7) The division(s) involved in the complaint and the official or unit appointed to conduct the investigation will cooperate fully with the Executive Director or Office of Personnel Management in the process of investigating, reporting, and resolving the complaint.

(8) The division(s) involved in the complaint and the Executive Director or Office of Personnel Management will ensure that no retaliation is taken against the complainant or any witnesses by the alleged harasser or by any other employees.

(9) In the process of investigating the complaint, the following guidance will be followed at all times:

- (i) All complaints will be taken seriously.
- (ii) Guilt should not be presumed on either party. The rights of both parties must be protected.
- (iii) Both parties should be afforded the opportunity to state their side.
- (iv) Confidentiality must be maintained at all times.

(10) An administrative investigation will be completed as expeditiously as possible. The final report will be delivered to the Executive Director or Director of Personnel in the following format:

- (i) Summary of Incident
- (ii) Findings of Fact
- (iii) Discussion
- (iv) Conclusions
- (v) Recommendations

(11) The Executive Director or Director of Personnel will review the investigative report to ensure that the facts support the conclusions and that the recommendations are reasonable and consistent with the Commission's disciplinary policy. The Office of the Attorney General will be consulted to ensure that the resolution is legally appropriate.

(12) The Executive Director or Director of Personnel will forward the final report to the Department/employer with the Executive Director's or Office of Personnel Management's recommendations for the resolution of the complaint.

(13)(i) Depending upon the severity of the incident of sexual harassment, the resolution of the situation could involve the following administrative actions:

- (A) Conference/counseling
- (B) Oral or written warning
- (C) Letter of reprimand
- (D) Suspension
- (E) Demotion
- (F) Termination

(ii) Any administrative actions are separate from and not contingent upon any civil or criminal court actions.

(14) The employer will resolve the complaint/grievance based upon the investigation and the recommendation of the Executive Director or Office of Personnel Management. If the division head/employer disagrees with the recommended resolution, he or she must immediately meet with the Executive Director or Director of Personnel to resolve their differences. If both parties cannot reach agreement, the case may be brought before the Governor for a final decision.

(15) Either the complainant or the respondent may appeal the final resolution to the Executive Director or Director of Personnel, not later than fifteen days after receiving notice of the final resolution. The complainant may appeal the final resolution to the Executive Director or Director of Personnel, not later than fifteen days after receiving notice of the final resolution.

(16) The Executive Director or Director of Personnel will conduct a hearing on the appeal and make a final decision on the matter.

(17) Incidents or situations of sexual discrimination that do not involve acts of harassment will be processed through the normal grievance procedure utilized for other Equal Employment Opportunity complaints.

**(f) Records and Reports**

(1) The Executive Director or Office of Personnel Management will maintain records of all allegations of sexual harassment to include copies of investigative reports.

(2) Records of on-going investigations will be kept in a confidential file separate from the official personnel folder. Upon resolution of the complaint, appropriate records of the resolution or disciplinary action will be placed in the appropriate official personnel folder.

(3) The Executive Director or Office of Personnel Management will report to the Governor annually in its annual personnel report on the number of sexual harassment cases and their resolution.

**(g) Responsibilities**

(1) All employees will be familiar with the Commission's Equal Employment Opportunity and Non-tolerance of Sexual Harassment Policies and will comply with these policies to create a safe, non-threatening, and non-discriminatory workplace.

(2) All Members, supervisors, managers, and directors will develop and maintain a work environment that is safe, non-threatening, and non-discriminatory. They will ensure that all employees know that sexual harassment will not be tolerated and will ensure that any incident of sexual harassment is reported as directed by this policy.

(3) All Equal Employment Program counselors must be knowledgeable concerning equal employment opportunity laws, regulations and policies, both federal and Commonwealth, and will strive to remain up-to-date on current EEO trends and activities. (5) The Executive Director and all division/Activity heads, as activity Equal Employment Officers, will issue an Equal Employment Opportunity policy statement and establish a departmental Equal Employment Opportunity Program that includes a policy of non-tolerance of sexual harassment. They will hold their supervisors, managers, and directors accountable for developing and maintaining a work environment that is safe, nonthreatening, and nondiscriminatory. They will enforce the Commonwealths policy of non-tolerance of sexual harassment and take reasonable and consistent action in resolution of any sexual harassment situation.

(6) The Director of Personnel, as the Deputy Equal Employment Officer for the Commonwealth, will ensure the development and maintenance of a viable Commonwealth wide Equal Employment Opportunity Program that includes training at all levels in prevention and resolution of sexual harassment situations. The Executive Director or the Director of Personnel will initiate administrative investigations for all allegations of sexual harassment and will ensure their appropriate resolution in accordance with this policy and procedure.

(7) The Governor, as the Equal Employment Officer for the Commonwealth, will establish and promote a policy of non-tolerance of sexual harassment in any form. The Governor will hold all Department and Activity Heads accountable for their active support of the Commonwealths Equal Employment Opportunity and non-tolerance of sexual harassment policies, and for their fulfillment of the responsibilities assigned in this policy and procedure.

(h) Equal Employment Opportunity Commission

(1) If an employee's sexual harassment complaint is not acted upon to his or her satisfaction, the employee has the option of filing a complaint with the Equal Employment

Opportunity Commission (EEOC). It should be noted that there is a statutory limitation of 180 days from the harassing/discriminatory incident during which the complaint may be filed. For more information, please visit [www.eeoc.gov](http://www.eeoc.gov).

(2) Although the Commonwealth government would like to resolve all complaints through its administrative processes, employees will not be subjected to any retaliatory actions for filing a complaint with the Equal Employment Opportunity Commission.

**§ 175-10.3-320 Anti-Bullying Policy**

No more than twenty-five percent of all employees performing safety-sensitive functions in each division each year shall be required to submit to breath alcohol testing and no more than fifty percent shall be required to submit to urine testing. The actual percentage may be determined at the beginning of each fiscal year by the Executive Director in consultation with the Office of Personnel Management's Alcohol and Drug Free Workplace Coordinator and the M.R.O. after reviewing the Commission staff's prior positive testing rates, reasonable suspicion and post accident events, and referrals for service.

**(g) Collecting and Testing Breath Specimens**

(1) Collection Site. Breath specimens shall be collected only at a site approved by the Executive Director or Director of Personnel Management or at the scene of an accident if proper equipment and personnel can be made immediately available.

(2) Collection Protocol. Breath specimens shall be collected only by a B.A.T. trained in the collection of breath specimens at a course approved by the United States Department of Transportation in accordance with standard collection protocols as specified in 49 CFR, Part 40(C) Procedures for Transportation Workplace Drug Testing Programs - Alcohol Testing, except as otherwise provided in this section. However, the M.R.O. or a consulting physician, when requested, may assist in facilitating the collection for post-accident testing.

(3) Confirming Test. Breath specimens shall first be subjected to a screening test for alcohol. If that test indicates a probable breath alcohol concentration of 0.02 or greater, a second test confirming the first and providing quantitative data of alcohol concentration, shall be performed. No alcohol test shall be considered positive unless both the screening test and the confirming test show a B.A.C. of 0.02 or greater.

(4) Results. The breath test results shall be transmitted by the B.A.T., in a manner to assure confidentiality, to the employee, to the employee's employer, and to the Director of Personnel Management.

(5) Confidentiality. Other than as specified above, no person involved in the testing process shall release the results of breath tests to any other individual without a written release from the tested employee.

(6) Invalid Test. If the Executive Director or Director of Personnel Management determines the test is invalid, using the factors found at 49 CPR, Part 40.79, the test result shall be reported as negative.

(7) Statistical Reporting. The B.A.T. shall compile statistical data that is not name specific, related to testing results. The B.A.T. shall release the statistical data to the Executive Director or Director of Personnel Management upon request.

(h) Collecting and Testing Urine Specimens

(1) Collection Site. Urine specimens shall be collected only at a site approved by an appropriate government agency, and identified by the Executive Director or Director of Personnel Management.

(2) Collection Protocol. Urine specimens shall be collected by persons trained in the collection process developed by the Substance Abuse and Mental Health Service Administration, United States Department of Health and Human Services, in accordance with standard collection protocols as specified in 49 CFR, Part 40(8), Procedures for Transportation Workplace Drug Testing Programs - Drug Testing, except as otherwise provided in this section. However, the M.R.O. or a consulting physician, when requested, may assist in facilitating the collection for post-accident testing.

(3) Confirming Test. Urine specimens shall first be subjected to a screening test. Only if the screening test shows positive for the presence of a prohibited drug, will a second test be conducted on the same urine specimen to identify the presence of a specific drug or metabolite, using a gas chromatography/mass spectrometry (GC/MS) test. No drug test shall be considered positive unless both the screening test and the confirming test show the presence of one or more of the drugs tested for.

(4) Results. The laboratory conducting the urine test shall give the results only to the M.R.O. The M.R.O. shall discuss the test result with the tested individual.

(5) Invalid Test. If the M.R.O. decides that the test is invalid, the candidate shall immediately submit another urine specimen for testing.

(6) Alternative Explanations for Positive Test Results.

(i) Upon receiving a report of a positive test results the M.R.O. shall determine if there is any alternative medical explanation for the results including the use of prescribed medication by the employee. Such a determination shall be based on information received from the employee such as the tested individual's medical history and records. If the M.R.O. determines it to be necessary he or she may request pertinent analytical records from the laboratory or require a re-analysis of the specimen.

(ii) The M.R.O. shall report the urine test result as negative and shall take no further action if he or she determines:

(A) There is a legitimate medical explanation for a positive test result, other than the use of the specific drug; or

(B) Based on a review of laboratory inspection reports, quality assurance and quality control data, and other drug test results, the positive drug test result is scientifically insufficient for further action.

(7) **Illegal Use of Opium.** If the GC/MS does not confirm the presence of 6-monoacetylmorphine; the M.R.O. shall determine whether there is clinical evidence, in addition to the urine test result, of illegal use of any opium, opiate, or opium derivative.

(8) **Report to Government.** The M.R.O. shall report all positive and negative urine drug test results, in a manner to assure confidentiality, to the employee's employer, and to the Director of Personnel Management.

(9) **M.R.O. and Confidentiality.** Other than as specified above, the M.R.O. shall not release the results of drug tests to any other individual without a written release from the tested employee.

(10) **Statistical Reporting.** The M.R.O. shall compile statistical data that is not name specific, related to testing and rehabilitation. The M.R.O. shall release the statistical data to the Executive Director or Director of Personnel Management upon request.

**(i) Employee Awareness and Rehabilitation**

(1) **Employee Awareness Training.** All employees shall receive information concerning the effects and consequences of drug and alcohol use on personal health, safety, and the work environment; the manifestations and behavioral clues indicative of drug and alcohol use; and the resources available to the employee in evaluating and resolving problems associated with the use of illegal and legal drugs and alcohol.

(i) **Referrals.** Employees may request referral to an S.A.P. for treatment, may refer themselves, or may be referred by a supervisor as part of a performance counseling. Such referrals shall only be made a part of the employee's medical file and shall not be a part of the employee's official personnel folder. Referrals shall be kept confidential.

(ii) **Voluntary referrals.** Employees who voluntarily seek assistance in dealing with drug and alcohol problems or accept referrals, before job performance is compromised, shall be provided the same leave benefits for recommended treatment as provided for any other health problem.

(iii) **Accountability for job performance.** Regardless of participation in or requests for referrals, employees shall be held accountable for acceptable job performance. In no case where job performance has been compromised will disciplinary action be waived for employees asking for assistance and referral. However, such requests may be considered a mitigating factor in determining the appropriate form of discipline.

(3) **Job Security Maintained.** Employees shall not have job security or promotional opportunities jeopardized solely because of a request for a drug or alcohol treatment referral.

(4) **Required Documentation.** Although voluntary referrals or referrals made prior to testing are kept strictly confidential, documentation of poor performance or disciplinary actions taken due to drug or alcohol abuse shall be included in the employee's official personnel folder.

**(j) Disseminating Information on Regulations**

(1) Distribution to Employees. All current employees shall receive a copy of the regulations in this section at least thirty days before the implementation date. New employees hired after the effective date of this policy will be given a copy of the policy in this section at the time of hire. This acknowledgment shall be kept in the employee's official personnel folder.

(2) Posting. The regulations in this section will be posted in the primary workplaces of the Commission for at least sixty days following their implementation.

(1) Administrative Records. Records relating to the administration of the policy in this section, including policy and program development, employee awareness training, supervisory training, collection site training, program administration, and calibration documentation, shall be kept by the Executive Director or Director of Personnel Management and the M.R.O. for five years.

(2) Records Relating to Collection Process. Records relating to the breath and urine collection process shall be kept by the Executive Director or Director of Personnel Management, the M.R.O., and the specimen collector at the collection site for two years.

The Executive Director or Director of Personnel Management shall keep a copy of all records of refusals to be tested, breath and urine test results, and referrals to an S.A.P. in the employees medical file, not the employee's official personnel folder, at least until such time as disciplinary action is taken. The M.R.O. shall keep a copy of all urine test results and the B.A.T. shall keep a copy of all breath test results in a manner to assure confidentiality. No test results shall be available for use in a criminal prosecution of the employee without the employees' consent.

(i) Positive test result records, records of refusals to be tested, and referrals to an S.A.P. shall be kept for five years.

(ii) Negative test result records shall be kept for a period of one year.

(4) Report to Federal Contract Agency. To comply with the Drug Free Workplace Act of 1988, 41 U.S.C. 701(a)(1)(E), the Executive Director or Director of Personnel Management shall notify the federal contracting agency of the conviction of any employee for selling, manufacturing, or dispensing any illegal drug on government business property or government time, within 10 days of the conviction.

**§ 175-10.3-330 Disciplinary Actions**

(a) General Policy. The Commission expects its employees to maintain standards of conduct and behavior appropriate to its mission of service to the public. All documentation for disciplinary actions issued by the Manager, Supervisor, or Executive Director or his or her designee must be provided to the Executive Director and employee file. The Executive Director, his or her designee, or Division Managers initiate disciplinary actions. The Executive Director, his or her designee, or Division Managers, shall issue written

disciplinary actions after review by Legal Counsel including suspension (with or without pay), transfer, demotion, or dismissal. The Executive Director, his or her designee, or Division Managers may take immediate action to remove an employee from duty only in circumstances involving immediate danger to the health or, safety of Commission employees or the public. Examples of unacceptable conduct or performance that may result in corrective actions up to and including dismissal include, but are not limited to the following:

- (1) Any violations of the Bank Secrecy Act, or other Federal or Commonwealth Law applicable to casinos and financial institutions;
- (2) Habitual attendance problems such as not showing up for work and not calling or using approved leave or habitual tardiness that is more than de minimis;
- (3) Repeated violations of Federal or Commonwealth law or regulations or a single violation if the conduct is egregious;
- (4) Violation of a written policy, procedure or regulation, which was known or should have been known to the employee; including safety rules and policies as well as all other policies set out by the Executive Director;

- (6) Insubordination, or disruptive behavior; including the violation of an oral or written directive(s) which was known or reasonably should have been known to the employee;

- (10) Unauthorized removal of property of Commission or stealing government or others' property while on duty.
- (11) Harassment of other employees or the public, or violation of Commission's sexual harassment policy;
- (12) Leaving the work site during working hours without permission from supervisory officials;

- (19) Punching another's time card/alter time records;

(20) Misusing mail, phones, computer system, internet access;

(21) an Ethics Code Violation;

(22) Conviction or arrest for a crime involving violence, dishonesty or drug use or trafficking or any other crime which casts doubt on the employee's suitability for work. Absence from the job without approval or notification to Manager or Supervisor due to arrest and incarceration will be considered an unapproved absence or absence without leave (AWOL);

(23) Substance abuse on the job; or violation of the Employee's Drug and Alcohol Abuse Policy; reporting to work when impaired by or under the influence of alcohol or controlled substance;

(24) Other conduct or failure of performance which the management of the Commission reasonably recognizes as justification for serious discipline, including dismissal; or

(b) Forms of Corrective Action. Progressive corrective action shall be followed when practicable. However, when the severity of the inappropriate conduct warrants and it is in the best interest of the Commission, the Executive Director or his or her designee may impose any of the following forms of corrective action.

(1) Verbal Reprimand or Warning or Counseling. This type of corrective action is usually the first step in identifying and correcting failure to perform or misconduct and may be carried out by a Manager or Supervisor or the Executive Director or his or her designee. A written reprimand may also be given by the Manager, Supervisor, or the Executive Director or his or her designee, however, all other forms of corrective action require action by the Executive Director or his or her designee. A reprimand or warning and/or oral counseling should be a private conference between an employee and supervisor whereby the problem can be worked out in a constructive manner. The supervisor, manager, or the Executive Director or his or her designee will advise the employee of the problem, such as misconduct or failure to perform to expectation and present a solution to correct the problem. The supervisor, manager or the Executive Director or designee will offer guidance and assistance in an effort to prevent the problem from occurring again. The supervisor, manager, or the Executive Director or designee will also point out future corrective action that might be taken should the problem continue. Supervisors, managers, or the Executive Director or designee will document the nature of the problem and retain a record of the problem and the action taken. Such documentation will remain with the supervisor unless it is needed as justification for taking further corrective or other problems.

(2) Written Reprimand. A written reprimand is an official notice to the employee of a failure of performance or misconduct. The nature of the breach and all related facts are documented and placed in the employee's official file by the Manager, Supervisor, or the Executive Director or designee. A copy shall be given to the employee. Unless circumstances do not permit the supervisor and employee shall meet to discuss the problem before issuance of the reprimand to allow the employee an opportunity to respond.

(3) Immediate Suspension Without Pay.

(i) Employees shall be immediately suspended, upon verbal notice, when the nature of the breach of discipline or misconduct makes it imprudent or hazardous for a supervisor to

allow an employee to remain on the job. Supervisors or managers shall immediately, before taking any immediate suspension action, unless circumstances do not permit, advise the Executive Director or designee to discuss the nature of the discipline problem and the suspension. An immediate suspension is without pay. In any event, the immediate suspension shall be followed up with a written notice to the employee within five (5) working days in accordance with the notice requirement under these rules. If more time is required to provide the employee written detail/support about the suspension, the employee will be notified. A copy of the notice of immediate suspension shall be placed in the official employee file. An immediate suspension may be followed by additional corrective action based on the same incident.

(ii) An employee under a suspension shall not receive pay including holiday or other unearned pay. Other benefits shall not be affected during the period of suspension. Lost pay shall be restored to the employee only upon determination that the employee is not at fault or the successful appeal of the suspension.

(4) Regular Suspension. An employee may be suspended without pay for a repeated offense or a serious failure of performance or misconduct. A regular suspension generally will not exceed 20 working days. When legal issues prevent the closure of a case pertaining to an employee's performance or action, the suspension may be longer than 20 working days. The employee shall be given the opportunity to respond to the allegations of misconduct or failure of performance prior to suspension. Subsequently, if the suspension is warranted, the employee shall be notified in writing in accordance with the provision of these rules and a copy shall be placed in the official employee file. An employee under a suspension shall not receive pay including holiday or other unearned pay. Other benefits shall not be affected during the period of suspension. Lost pay shall be restored to the employee only upon successful appeal of the suspension. An employee charged with a criminal offense may be suspended without pay if the offense arises in connection with the employee's job responsibilities or is an offense which in the Executive Director's opinion, would affect continued job performance or bring discredit to the Commission.

(5) Demotion. The Executive Director or his or her designee may demote an employee for misconduct, failure of performance, or other reason as set out in Section 1 of this rule. A disciplinary demotion shall result in a reassignment of the employee to a position in a lower classification at a lower pay band.

(6) Dismissal. Employment may be terminated when previous corrective actions have failed to bring about correction or when serious misconduct or failure to perform occurs. The employee shall be given notice of the decision to terminate employment. The dismissal will take effect only in accordance with the procedures in these rules. The mere failure to renew a contract is not a dismissal.

(c) Corrective Action Reporting.

(1) Action Notice for Written Reprimands. All reprimands shall be documented on a corrective action report form. A record of the date, time and subject of a written reprimand shall be maintained in the official employee file. The employee shall be given an opportunity to review the report with his or her Manager, Supervisor or the Executive Director's designee. If the employee disagrees with the facts or conclusions contained in

the report, he or she shall be permitted to submit, within ten (10) workdays after receiving the report a statement of disagreement. The statement shall clearly and concisely set forth the employee's reasons for disagreeing with the report. One copy of the employee's statement shall be appended to the report and shall become a part of it. If the employee has no comment or has not responded within the required time frame, the report shall be forwarded to the Executive Director or his or her designee. Upon completion of the approvals section of the disciplinary action report form, one copy shall be filed in the official employee file.

(2) The Manager, Supervisor, or Executive Director's designee will, if appropriate, complete periodic reviews of the employee's progress in correcting the cause of the original discipline. Such reports shall be made a part of the official employee file.

**(d) Corrective Action Procedure and Appeals**

(1) A suspension without pay, demotion, or dismissal for cause, shall be accomplished and reviewed only in accordance with the procedures stated in this section. No procedure or process is due for a dismissal without cause.

(2) The process of discipline begins with the immediate supervisor reporting misconduct or failure of performance with concurrence of the Executive Director or his or her designee.

(3) Before the Executive Director issues a notice to terminate employment, demote with a reduction in pay, or suspend without pay an employee, the Executive Director shall require a designee to investigate the basis for the proposed corrective action. The investigation shall include an interview of the employee with or without Legal Counsel, unless the employee has made him or herself unavailable. The employee shall be invited to submit a response in writing after the interview and it shall be included in the record of the matter. The findings and recommendations for action shall be prepared by the designee, and reviewed by Legal Counsel. In deciding what type of disciplinary action should be taken, the following shall be considered:

(i) Seriousness of the breach of discipline, misconduct, or failure of performance.

(ii) The circumstances surrounding the incident.

(iii) The past service record of the employee. The conduct should be considered within the context of the employee's total record. If the employee's record includes past misconduct, the action taken will ordinarily be more severe.

(iv) The Executive Director will consult with the Legal Counsel concerning action to be taken.

(4) The Executive Director shall issue a notice of action for all warnings and counseling.

(5) The Executive Director, with the signature confirmation of legal sufficiency by the Legal Counsel, based on the investigation, any follow-up after receiving the designee's report and after review of the proposed action by Legal Counsel, shall issue all notices of suspension or termination. The notice shall state any and all factual findings and reasons for the corrective action completely and concisely.

## 2018 Guidance on Using the Mitigation Hierarchy to Avoid Impacts of Projects and Activities

### *Summary*

The “Mitigation Hierarchy” is a decision-making process that can help reduce negative impacts to the CNMI’s coastal resources and sensitive habitats including shorelines, wetlands, seagrass, and coral reefs. The Bureau of Environmental and Coastal Quality’s Division of Coastal Resources Management (DCRM) regulates these high-value ecosystems as “areas of particular concern” and works to ensure conservation and enhancement of these essential coastal systems alongside wise development.

As DCRM’s permitting program recognizes that development activities will have some environmental impacts, the emphasis of this framework lies in the scoping and planning phases. The steps of the mitigation hierarchy are intended to help projects achieve “no net loss” of coastal resources, a core management standard, in a way that is well-organized, cost-effective, and beneficial to both the environment and the project itself.

When following the hierarchy, project planners are first asked to identify and consider the potential environmental impacts of their proposed actions and then seek alternatives that would *avoid* some or most of the negative effects. Avoidance is often the easiest and cheapest way of reducing potential negative impacts, but it requires early attention. Avoidance measures include changing the timing of particularly disturbing activities (avoid groundbreaking during a resident bird’s breeding season) or relocating portions of the project (avoid building a road through an on-site wetland).

After all feasible avoidance measures are incorporated into the plan, the next step of the mitigation hierarchy is to seek alternatives that would *minimize* remaining impacts. In this context, minimizing means reducing the duration, intensity and/or extent of impacts that cannot be completely avoided. Examples include reducing noise and pollution, establishing buffer areas, and recycling captured water.

The final stage of the hierarchy involves assessing the impacts that absolutely cannot be avoided or minimized by strategic changes in design or work plans and determining *offset* measures that adequately compensate for the lost resources. As a last resort, a project could propose to restore a degraded habitat (re-vegetate a cleared area after underground construction) or contribute to an off-site effort or campaign involving the same type of resource (sponsor a research project to determine drivers of shoreline change).

This publication is specifically intended to support discussions of impact avoidance and minimization in the project planning process, as well as to provide mitigation options for unavoidable impacts or for impacts that have already occurred. This paper highlights opportunities to mitigate or offset unavoidable impacts in order ensure no net loss of essential coastal resources. While compensatory mitigation is the last step in applying the mitigation hierarchy, developers and consultants have indicated that agency-supported alternatives could help inform project planning and offset dialogs. Thus, this report concludes with a list of potential projects highlighting opportunities for compensatory mitigation projects for coral reefs, seagrass, wetlands, and shorelines in CNMI.

## Introduction

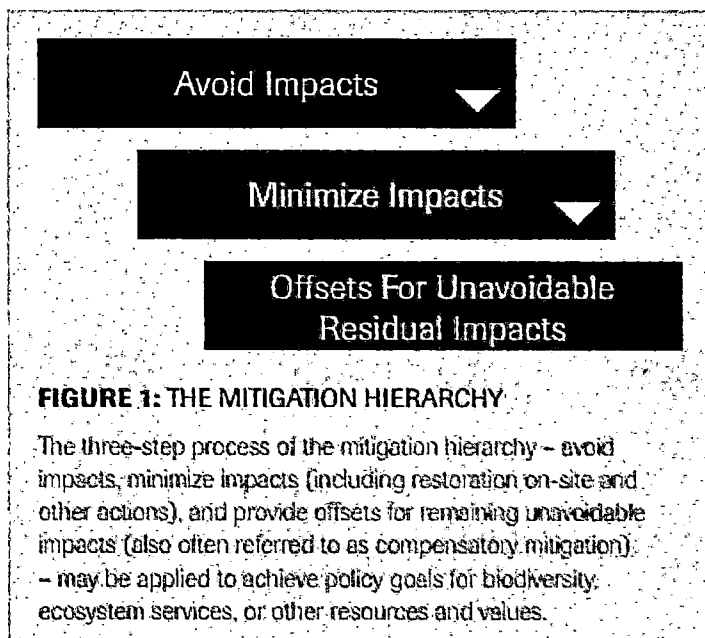

Application of the mitigation hierarchy and offsets are two relatively new tools used for cost-effective reduction of impacts from development on coastal resource values including biodiversity and ecosystem services. Globally, there are a growing number of mitigation hierarchy and offsets policies which are starting to have a wide influence on business practice in some sectors. The mitigation hierarchy emphasizes project planning that avoids, minimizes, and then offsets residual environmental impacts (see Figure 1). In August 2016, the Biodiversity Consultancy released a draft report, commissioned by SPC and SPREP, reviewing national policies and practices relating to the mitigation hierarchy and offsets across all Pacific Island Countries and Territories (PICTs), based on interviews and desk-research.

This study found a wide range of mitigation hierarchy and offsets policies and practices across PICTs. While these policies vary significantly between PICTs, the report concluded that, overall, there are opportunities to improve practice in all PICTs and to improve policy in most PICTs.

In this report, the Commonwealth of the Northern Mariana Islands (CNMI) was found to have “high capacity, conditions, and status” as well as high risk of future impacts, and therefore, high need for implementation of a mitigation hierarchy framework. However, it is important to acknowledge that mitigation policy is already enshrined in Public Law 3-47’s mandates to manage coastal resource development and mitigate significant adverse impacts as well as permit application review standards in implementing rules and regulations (NMIAC 15-10). While mitigation hierarchies have the potential to achieve multiple management objectives, the Bureau of Environmental and Coastal Quality’s Division of Coastal Resources Management (BECQ-DCRM) is committed to beginning this management dialog by (1) adopting initial mitigation guidance for key coastal resources of concern and (2) supporting interagency and multi-stakeholder management dialogs moving forward. This policy primer serves to offer initial guidance for application of the mitigation hierarchy to environmentally sensitive coastal resources, including wetlands, sea grass, and coral reef habitats in the CNMI.

### *The Mitigation Hierarchy and Protection of Ecosystems and Ecosystem Services*

Ecosystem services are the benefits accruing to human communities from the existence of natural systems. Ecosystem services include “provisioning services” such as the production of food and water, “regulating services” such as the control of climate, “supporting services” such as nutrient cycles and crop pollination, and “cultural services” such as spiritual and recreational benefits. Ecosystem services form the connection between habitats and people.<sup>1</sup> This is particularly important in PICTs where a high

<sup>1</sup> See Barbier et al., 2011.

proportion of livelihoods depend on coastal ecosystem services.<sup>2</sup> In the TBC report, “biodiversity” is used as a shorthand term for “biodiversity and ecosystem services”, however, for DCRM’s purposes, the focus of the application of the mitigation hierarchy is specifically applied to coastal ecosystems. The Mitigation Hierarchy is a framework for managing risks and potential impacts related to biodiversity and ecosystem services when planning and implementing development projects (CSBI & TBC 2015). It provides a logical and effective means for protecting and conserving biodiversity and maintaining important ecosystem services, and a mechanism for explicit decisions that balance conservation needs and development priorities.

The “Mitigation Hierarchy” can be defined as the sequence of actions to anticipate and avoid impacts on biodiversity, ecosystem services and coastal resources; a progression where, if avoidance is not possible, minimize; and, when impacts occur, rehabilitate or restore; and where significant residual impacts remain, offset (CSBI & TBC 2015). Similar guidance is reflected at the Federal level; for example, the Council on Environmental Quality (CEQ) defined mitigation in its regulations at 40 CFR 1508.20 to include: avoiding impacts, minimizing impacts, rectifying impacts, reducing or eliminating impacts over time, and compensating for remaining unavoidable impacts. Applying the mitigation hierarchy is crucial for all development projects aiming for No Net Loss on ecosystem functions. Restoration and offset projects are also at times referred to as “Net Positive Impacts” or a “Net Positive Approach” in order to ensure that, at minimum, projects achieve no net loss objectives.

A “no net loss” policy has been in place for wetland systems in the U.S. since its articulation in the 1987 National Wetlands Forum, adoption by President George Bush Sr. in 1989. Its application in CNMI is reflected in the 1991 Saipan Comprehensive Wetlands Management Plan. As information regarding the benefits of and the threats to seagrass and coral reefs continues to grow, it is logical to work with key resource management partners and stakeholders to extend this “no net loss” or “net gain” policy to these fragile coastal systems as well in order to minimize impacts and ensure their long-term sustainable management. Until more concrete guidance and policies can be articulated in the CNMI, when entertaining major siting proposals, DCRM shall assess the application of the mitigation hierarchy to ensure that impacts to ecosystems of high concern – wetlands, shorelines, seagrass systems, and coral reefs – are first avoided and minimized and then mitigated. Mitigation activities shall prioritize in-kind restoration but may also include compensatory programs or offsets with appropriate replacement ratios as well as long-term monitoring and adaptive management are proposed. Off-site or out-of-kind projects may be considered if on-site mitigation is not available. Until Marianas-specific guidance is developed, mitigation proposals including offsets and compensatory projects shall be reviewed on a case by case basis with the goal to achieve no loss to system functions and values, in compliance with the application

of the mitigation hierarchy and its implementing principles.<sup>3</sup>

As described in the Biodiversity Consultancy report, the mitigation hierarchy is a decision-making framework that parallels avoidance and minimization considerations of the National Environmental Policy Act and other environment impact assessment and decision making tools. This framework prioritizes avoidance, then minimization, then restoration, and lastly, allows for offsets to ensure proposed actions do in fact result in “no net loss”, to maintain and, where possible enhance critical ecosystems and functions. This process is also intended to support more efficient project planning, enabling more expeditious agency review of permits and more cost-effective project execution in the long-run (see Figure 2). Additional details and opportunities of the application of the planning steps in the mitigation hierarchy are detailed further below.

1. *Avoidance*: the first step of the mitigation hierarchy involves measures taken to avoid creating impacts from the outset, such as careful spatial placement of infrastructure or timing of disturbance. For example, placement of roads outside of sensitive habitats or key species’ breeding grounds, or timing of seismic operations when aggregations of sensitive species are not present. When feasible, avoidance is often the easiest, cheapest and most effective way of reducing potential negative impacts, but it requires resource values to be considered in the early stages of a project.
2. *Minimization*: measures taken to reduce the duration, intensity and/or extent of impacts that cannot be completely avoided. Examples include such measures as reducing noise and pollution, or capturing, recycling and treating water.
3. *Restoration*: measures taken to improve degraded or removed ecosystems following exposure to impacts that cannot be completely avoided or minimized. Restoration aims to bring back at least some elements of the original ecosystem that was present before impacts. In many ecosystems, restoration can be costly and slow and uncertain. More commonly undertaken is rehabilitation, which aims to restore basic ecological functions and/or ecosystem services (e.g. through planting trees to stabilize bare soil). Restoration and rehabilitation are frequently needed towards the end of a project’s lifecycle, but sometimes can be undertaken during operation (e.g. after temporary borrow pits have fulfilled their use).
4. *Offset*: measures taken to compensate for any residual, adverse impacts after full implementation of the previous three steps of the mitigation hierarchy. Offsets are of two main types. “Restoration offsets” aim to restore degraded habitat or ecosystem functions or values, while “averted loss offsets” aim to stop anticipated loss of resources (e.g. future habitat degradation for biodiversity and function loss) in areas where such impacts are predicted to occur. Definitions differ, but herein the term “offset” is restricted to cases that deliver measurable gains that are at least as large as the residual losses for the targeted components of biodiversity, ecosystem services, or other values of coastal resources.<sup>4</sup>
5. *Compensatory mitigation*: The broader term “compensation” generally covers other types of actions for which there is no demonstrable quantified equivalence between the gains and the residual losses. Compensatory mitigation may be required for certain actions with unavoidable impacts under the Federal Clean Water Act Section 404 or the Endangered Species Act. For example, under Section 404, there are

<sup>4</sup> Maron et al. (2012).

three mechanisms for providing compensatory mitigation, listed in order of preference as established by the regulations: mitigation banks, in-lieu fee programs, and permittee-responsible mitigation.<sup>5</sup>

Currently, in-lieu fee programs are not established in CNMI, and mitigation banking is limited to the Saipan Upland Mitigation Bank for the Nightingale Reed Warbler on Saipan, however, reassessment of the viability of these programs would be a timely interagency discussion. In the meantime, permittee-responsible mitigation is the only option for otherwise un-permittable loss of wetland systems under the federal Clean Water Act program. Mitigation is also prescribed for other resources under federal laws. For example, under the Endangered Species Act Section 10(a), a private landowner, county, state, or corporation — any non-federal entity— may obtain an “incidental take permit” (ITP) from the Services to engage in an activity that may cause incidental harm to a listed species, if the permittee agrees to follow a pre-approved habitat conservation plan (HCP) that is designed to minimize or mitigate the impact.

According to the US FWS and NMFS HCP/ITP Processing Handbook, mitigation actions generally fall into one or more of the following categories. Like the mitigation hierarchy discussed above, when possible, the agencies prefer to see the plans address impacts in the following order:

- Avoid the impact (such as changing the timing of the project, relocating the project, or restricting access);
- Minimize the impact (such as modifying land use practices, creating buffer areas, or reducing project size);
- Rectify the impact (such as enhancement, restoration, or revegetation of degraded or former habitat);
- Reduce or eliminate the impact over time (through proper management, monitoring, and adaptive management); or, finally,
- Compensate for the impact (such as habitat restoration or protection on- or off-site).<sup>6</sup>

While compensatory mitigation does have value in helping to reduce otherwise unacceptable impacts to important resources, due to the uncertainty of the success of these interventions, it is BECQ-DCRM’s policy that offsets and compensatory mitigation are considered a last resort. Through the application of the mitigation hierarchy, avoidance, minimization, and restoration must be applied in the planning process, iteratively if necessary, to reduce, as much as possible, the residual impacts that a project has on critical coastal resources such as wetlands, seagrass, coral reefs, and shoreline areas. After the effective application of these planning principles, additional steps of offsets or compensatory mitigation may be required to deliver No Net Loss or a Net Positive Impact to ensure maintenance, and where possible, enhancement, of ecosystem values, functions, or services.

### ***When Offsets and Compensatory Mitigation Are Appropriate***

Offsets and compensatory mitigation are a last resort. However, these steps in the mitigation hierarchy may be necessary to reduce residual impacts of a project to acceptable levels and further “no net loss” or

The addendum, known as the “five-point policy,” provides additional guidance on HCPs regarding: (1) establishment of biological goals and objectives for HCPs, (2) adaptive management, (3) monitoring, (4) determination of permit duration, and (5) the use of public participation. See also USDOJ Mitigation Guidance, Nov. 2016.

“net gain” objectives. Similar to federal compensatory mitigation guidance, appropriate and practicable compensatory mitigation is required for unavoidable adverse impacts which remain after the initial steps in the mitigation hierarchy have been applied.<sup>7</sup> Numerous case studies and research papers highlight that restoring or creating lost ecosystem values is a risk laden undertaking – there are often no guarantees that complex ecological functions can be replicated to replace lost ecosystem functions and values. In addition, evaluating mitigation performance and adaptive management of projects where necessary can require considerable pre- and post-construction monitoring and assessment, can be time consuming and costly. Thus, multipliers are often added to offset projects in order to further ensure that the costs of a proposed action do not outweigh the sum of the benefits of the project and its mitigation plan.

### ***Offsets and Quantifying Replacement Ratios***

Offsets are not well-documented in the CNMI, and are thus, applications are somewhat uncertain in terms of potential project success. Thus, it is a best management approach that when offsets are proposed as mitigation, proposals must include appropriate replacement ratios as well as long-term monitoring and adaptive management measures to increase the likelihood of project success.

Appropriate replacement ratios must be based on lost resource area and services. Computation of lost resource services requires three assessments, (1) area of habitat lost; (2) the length of time needed for the functions associated with that area (and lost to the ecosystem at large during the period of the injury) to recover to their pre-impact levels; and (3) the shape of that recovery function.<sup>8</sup> Both the current benefits of restoration and any capitalized land values must be adjusted if there is a risk of restoration failure.<sup>9</sup> Due to the uncertain nature of offsets and need for additional research in this area, and in alignment with nationally and internationally recognized best practices in environmental planning and resource management, avoidance, minimization, and restoration, including compensatory mitigation projects, are prioritized over offsets at this time.

### ***Potential Compensatory Mitigation Projects in CNMI***

By engaging in development planning that assesses, avoids, and minimizes potentially significant impacts to coastal resources, DCRM can help to ensure that projects are implemented in ways that are both more beneficial to the environment and less likely to increase environmental risks to people or the proposed project itself. The mitigation hierarchy is a valuable decision-making tool that can and should be applied to project planning in order to create better outcomes for developers and the community of the CNMI as a whole.

The project list that follows highlights opportunities for compensatory mitigation projects in CNMI. This list is neither pre-approved nor exhaustive. Projects that will result in negative impacts to coastal ecosystems or ecosystem functions are encouraged to enter early dialogs with BECQ-DCRM to ensure avoidance and minimization are implemented and proposed mitigation will effectively address losses.

## Summary Of Principles

### Principles

#### Principle 1. Landscape Context

**The mitigation hierarchy should be applied in a landscape context.** Landscape-level assessments of conservation priorities and development scenarios should inform application of the mitigation hierarchy. They should be conducted as far in advance of project decisions and investments as possible and should identify important conservation values and potential direct, indirect, and cumulative impacts to these values.

#### Why is this principle important?

- Mitigation is informed by an understanding of conservation priorities and potential direct, indirect, and cumulative impacts.
- Potential conflicts, risks, and trade-offs between conservation and development goals are identified in advance of decisions and investments.
- Important places and values for meeting landscape conservation goals, including areas where impacts should be avoided altogether, are clearly identified.
- Offset actions are designed and implemented to make a meaningful contribution to landscape conservation goals.

#### Principle 2. Goals

**Mitigation policy goals should support conservation objectives and drive accountability in applying the mitigation hierarchy.** Mitigation policy goals should provide a clear driver for avoiding and minimizing impacts, and guide offset requirements. Offsets should fully address residual project impacts to achieve, at a minimum, a “no net loss” outcome for conservation.

- The mitigation hierarchy is applied with a focus on supporting broader conservation objectives.
- Application of the mitigation hierarchy is supported by a structured, transparent, and science-based foundation that drives impact avoidance and minimization and guides offset requirements.
- Accountability is strengthened so that, at minimum, offsets fully address a project’s unavoidable residual impacts.

#### Principle 3. Mitigation Hierarchy Steps

**The mitigation hierarchy should be followed sequentially - avoid, minimize, and then offset impacts.** Avoidance is the first and most important step for supporting landscape-level conservation goals. Efforts to avoid and minimize impacts should be made to the maximum extent practicable – taking into account existing technology, available science, costs relative to ecological benefits, and the likelihood of success for offset actions – before offsets are considered. Offsets are then applied to address residual impacts.

- Options for impact avoidance and minimization are fully considered, including avoiding projects altogether, before offsets are considered.
- Offsets are applied for residual impacts only, not used as a justification to approve projects where impacts should have been avoided or minimized.

#### Principle 4. Limits to Offsets

**There are limits to what can be offset.** The mitigation hierarchy should be applied with clear recognition that many impacts to biodiversity, ecosystem services, and other resources and values cannot be offset. These impacts need to be avoided, as this may be the only means to prevent irreplaceable loss.

- When it is not possible to offset the impacts (e.g., due to the rarity of the resources, lack of offset opportunities, poor likelihood of offset success, etc.), project impacts are not approved, precluding the need for offsets.

#### Principle 5. Sustainable Outcomes

**Mitigation should support long-term, durable outcomes.** Minimization and offset actions should be required to meet ecological performance standards and adhere to provisions for adaptive management, monitoring, and enforcement measures to ensure long-term and sustainable outcomes for conservation. Durability of offsets should be secured through designation mechanisms, management, and funding.

- Mitigation actions focus on maintaining key ecological functions and meeting ecological targets rather than only administrative standards.
- Requirements for meeting performance standards, monitoring, and adaptive management, with regulatory oversight and enforcement, support the sustainability of minimization and offset actions.
- Offset agreements include a long-term management plan that outlines necessary management measures and funding for the measures.
- Offsets are sited and designed to be self-sustaining and durable.

## Principles

**Principle 6. Stakeholder Engagement Practices**  
**Mitigation should follow best practices for stakeholder engagement.** Principles for meaningful stakeholder engagement in the decision making process, including transparency, rights-based approaches, and use of science and traditional knowledge, are essential in applying the mitigation hierarchy.

### Why is this principle important?

- Application of the mitigation hierarchy meets generally accepted best practices for stakeholder engagement.
- Meaningful stakeholder participation in decision-making processes supports better, more sustainable outcomes.

## Principle 7. Additionality

**Offsets should provide a new contribution to conservation, additional to what would have occurred without the offset.** Offset actions that restore, enhance, manage, and/or protect values and functions should be a genuinely new contribution to conservation with a strong probability of success. The amount and types of offsets required should be measured against project impacts to assess progress toward the mitigation policy goal.

- Offsets contribute a measurable new benefit to conservation values and functions; they do not take the place of existing or mandated conservation actions that would have been implemented without the offset.
- Offsets take into account risks, uncertainties, and other factors in design and implementation in order to deliver additional conservation benefits consistent with the mitigation policy goal.

## Principle 8. Equivalence

**Offsets should provide ecologically equivalent values as those lost to project impacts.** Offsets should preferably be "in kind" in terms of habitat type, functions, values, and other attributes. "Out-of-kind" offsets may be appropriate in some cases where they better meet landscape-level conservation priorities and/or address past disproportional losses to other habitat types.

- Offsets either provide conservation benefits similar to those lost due to the project, or are a "trade up" to provide benefits that better meet conservation priorities.

## Principle 9. Location

**Offset benefits should accrue in the project-affected landscape.** Offsets should be implemented to maximize conservation benefits within a defined spatial extent or unit (e.g., watershed, ecoregion), supporting the accrual of offset benefits in the same landscape as project impacts.

- Offsets are located in the project-affected ecoregion, increasing opportunities for ecological equivalence and reducing the potential for conservation "winners and losers" (i.e., benefits not accruing to those affected).
- Important ecosystem functions (e.g., flood control benefits) remain supported within the project-affected region.

## Principle 10. Temporal Considerations

**Offsets should protect against temporal losses.** Offsets should be designed and implemented to safeguard against temporal losses of conservation values that can occur due to the different timing of project impacts and offset benefits. At a minimum, offsets should provide a high level of confidence of protection for at least as long as the direct, indirect, and cumulative project impacts.

- Offsets are implemented in advance or concurrent with project impacts where possible and appropriate.
- Temporal losses (e.g., years before offset conservation values reach maturity) are compensated for in the design and/or size of the offset.
- Offsets are maintained and effective for the duration of a project's direct, indirect, and cumulative impacts on the species and ecological communities.

**Part 001 – General Provisions**

**§ 175-10.3-001 General**

(a) This chapter provides the regulations to appoint, reassign or transfer, promote or demote, or otherwise change status of, and to remove from service, employees who are employed by the Commonwealth Casino Commission (Commission).

(b) Public Law 18-56, enacted July 11, 2014, exempted the staff of the Commission from the Civil Service. The Commission has the authority to promulgate rules and regulations to regulate personnel matters. See 4 CMC §2316(a). Pursuant to this authority, the Commission promulgates the following Personnel Regulations, to be administered by the Executive Director.

**§ 175-10.3-005 Applicability**

(a) The regulations in this chapter shall apply to employment of personnel in all positions within the Commission. However, nothing in these regulations shall be construed to apply to Members of the Commission unless specifically stated otherwise.

(b) It is not the intention of the regulations in this chapter to create any legally protected property interests in employment with the Commission or any employment right or benefit not explicitly stated in these regulations or the employment contract. Notwithstanding any other regulation, policy, or practice to the contrary, all commission staff employment may be terminated at the will of the employee and/or employer pursuant to the terms of the contract and these regulations.

**§ 175-10.3-010 Purpose**

The regulations in this subchapter establish regulatory direction for employing, compensating, providing employee benefits, and effecting other personnel actions for Commission employees. These regulations shall be construed and applied to promote the following underlying purposes and policies:

(a) Simplify, clarify, and modernize the employment policies and practices of the Commission.

(b) Establish consistent employment policies and practices among various divisions and activities of the Commission.

(c) Create increased public confidence in the procedures followed in Commission employment.

(d) Ensure the fair and equitable treatment of employees within Commission.

(e) Provide safeguards for the maintenance of an employment system of quality and integrity.

**§ 175-10.3-015 Definitions**

For purposes of this subchapter, the following terms shall be defined as follows:

(a) “Dependent(s)” Spouse, minor children, unmarried and under 21 years of age, physically or mentally handicapped children incapable of supporting themselves, regardless of age, wholly dependent parents of employee or spouse, or minor children by

previous marriage, unmarried and under 21 years of age, for whom the employee or spouse have legal custody. Children by a previous marriage who are primarily domiciled by court order in other than the employee's household are not considered dependents.

(b) "CNMI" means the Commonwealth of the Northern Mariana Islands.

(c) "Commission" means the Commonwealth Casino Commission established by PL 18-56.

(d) "Commission Employee" An employee holding a position within the Commission, pursuant to a Commission Service Contract or other contract, and further pursuant to the laws and regulations of the Commonwealth.

(e) "Commission Service Contract" Employment contract entered into by the employee and employer for a term not to exceed five years, subject to the availability of funds, budgeted FTEs (if applicable), and any statutory limitations.

(f) "Commissioner" means the commission member of the Commission appointed and confirmed pursuant to PL 18-56.

(g) "Commonwealth" means the Commonwealth of the Northern Mariana Islands.

(h) "Members" mean the Commissioners of the Commonwealth Casino Commission.

(i) "Employer" The Commonwealth Casino Commission; or, if the context so requires, the hiring official.

(j) "Executive Director" means the Executive Director of the Commonwealth Casino Commission appointed pursuant to PL 18-56, or his or her designee.

(k) "FTE" Full-time employee.

(l) "Willful Abandonment" When a Commission employee is absent without authorized leave for a combined total of ten days without valid reason during a twelve-month period.

(m) "Termination for Cause" Termination for cause before the end of the contract term may be for any of the following reasons:

(1) Failure or inability to perform competently;

(2) Willful misconduct;

(3) Willful abandonment of job;

(4) Substantial or repeated violation of law, or of this subchapter, or of Division or Commission rules or policies;

(5) Willful failure or inability to plan, manage, or evaluate employee or unit performance in a timely or effective manner;

(6) Conviction of a felony or other crime involving moral turpitude;

(7) Other good cause that adversely affects the employee's ability to perform the job or that may have an adverse effect on the Division or Commission if employment is continued.

**§ 175-10.3-020 Types of Employment.**

The type of employment is dependent upon the position that is being filled. The Executive Director shall consider how best to accommodate and balance the present and expected future needs of the Commission with available and projected resources in determining the type of employment.

(a) Employment Contract – Employment Contract employees shall be hired on a contractual basis. Employment Contract employees shall be hired for a period of one to five years and are entitled to all the benefits of employment, including annual and sick leave, and are eligible for health and life insurance and the 401(a). Employees under this status are subjected to the Offer Letter of Employment from the Executive Director, the Commission Service Contract, and the additional Terms and Conditions of Employment promulgated by the Executive Director.

(1) Part-time Employment Contract employees may be hired for one or five years and do not receive annual or sick leave and are not eligible for health and life insurance or the 401(a) program.

(2) The contracts of all contract employees shall contain a 90-day probationary period. The Executive Director should try to provide periodic feedback so that the employee is aware of any deficiencies he or she needs to correct prior to the end of the 90-day period. The Executive Director may promulgate a feedback form for this purpose. An employee who receives all or primarily all “unsatisfactories” on the evaluative criteria should assume he or she will be separated from service. The Executive Director may provide a letter that the employee either has or has not successfully passed his or her probationary period. The employee who has not received a letter about passing the probationary period should request one. Once the employee successfully completes the probationary period, or extended probationary period(s), he or she can be terminated with or without cause, as may be allowed by the Commission Service Contract.

(3) No contract employee shall have an expectation of renewal of any contract and may not rely on any such expectation.

(b) Provisional Appointment – Provisional Appointment employees are hired by short term contract on no more than a 90-day period to fulfill an urgent need of the Commission. This is usually done in order to allow time to obtain a full-time permanent employee for the position. If the Commission still needs the services of the provisional employee and the position has not yet permanently been filled, the Executive Director may extend the provisional employee another 90 days but the employment of a provisional employee shall not exceed 180 consecutive days. Provisional employees receive annual and sick leave and are eligible for health and life insurance but cannot use any annual leave during the first 90-day period. If the employee is then converted to a full-time position, he or she still has to complete the 90-day probationary period.

(c) Limited Term Appointment – Limited Term Appointment employees may be hired by short term contract to work on programs funded through federal or Commonwealth grants. The terms of these employees shall be congruent with the budget cycle of the grant. Limited Term Appointment employees receive annual and sick leave and are eligible for health and life insurance but cannot use any annual leave during the first 90-day period.

(d) Temporary Appointment – Temporary Appointment employees are employees who are hired by a short-term contract for a period of less than one year. While their terms may be extended, there should be no expectation of and reliance upon an extension. Temporary employees do not receive annual or sick leave and are not eligible for health and life insurance or the 401(a) program.

**Part 100 - Staffing and Administration**

**§ 175-10.3-101 Recruitment and Selection Procedures**

(a) When the Executive Director seeks to fill a vacant position, he or she will first ensure the availability of funds by checking with the Department of Finance or otherwise. Executive Director will authorize a vacancy announcement to initiate a search for a qualified and suitable person. The terms for the position shall be in accordance with the position description. The recruitment and selection process will follow procedures established by Executive Director.

(b) An existing position is deemed to be vacant upon expiration or termination of the present or last employment contract. The position can be announced sixty days before the end-date of the current employment contract if the intent is not to renew the incumbent, or some shorter time should the intent to renew occur at a date closer to the expiration of the contract.

(c) There is no requirement for the employer to renew a Commission Service Contract. If the employer, through the Executive Director, elects to renew the employment contract of a Commission Employee, the employer, through the Executive Director, may waive the announcement of the position.

(d) Newly established or otherwise unfilled positions will be announced. Provided, however, when necessary for the provision of essential services, the Executive Director may waive the requirement of a vacancy announcement for selection of a candidate for any position within the Commission. However, prior to waiving the vacancy announcement, the Executive Director shall obtain certification of the availability of funds for the position to be filled.

(e) Upon selection of an applicant the Executive Director will cause a Commission Service Contract, with Terms and Conditions, to be routed. The selected candidate will not be authorized to begin work until the contract has been fully routed and approved, a negative report has been received for the pre-employment drug test, all other requirements have been met, and the Executive Director has made payroll certification that the employee has been employed in accordance with relevant statutes and regulations.

**§ 175-10.3-105 Disqualification of Applicants**

(a) The Executive Director may refuse to examine an applicant, or after examination may refuse to place his or her name on an eligible list, or may remove his or her name from an eligible list, or may refuse to certify any person on an eligible list who:

(1) Has failed to submit a complete and accurate application or failed to submit within the prescribed time limit;

- (2) Is found to lack any of the minimum qualifications in the recruitment announcement or examination for the position;
- (3) Has applied for a position as an “in-house” applicant, but whose last performance evaluation was below average;
- (4) Has received any disciplinary action (other than an oral reprimand, warning, or counseling) from the Commission (or any other branch, agency or instrumentality of the Commonwealth government) within a 12-month period preceding application and it has not been rescinded;
- (5) Is found to have been convicted for violation of the law of the CNMI or federal government within the past two years. Conviction includes guilty, “nolo” and “*Alford*” pleas.
- (6) Has been convicted of any crime involving violence or dishonesty within the last two years;
- (7) Has withheld information of material fact or made a false statement of material fact in regard to the application for employment;
- (8) Has ever been dismissed from the Commission or from other employer for disciplinary reasons or resigned in lieu of termination;
- (9) Has used or attempted to use bribery to secure an advantage in the examination or appointment;
- (10) Has directly or indirectly obtained information regarding examinations to which the applicant is not entitled; or
- (11) Is disqualified under other sections of these rules or the laws, regulations or policies of the CNMI Government or the Commission.

**§ 175-10.3-110 Nepotism**

There shall be no limit to the number of members of the same household who may be employed under other appointments, provided:

- (a) No member of the same household may supervise another.
- (b) All other qualifications for employment are met.
- (c) No costs other than for salary and employment benefits as provided by regulation, shall accrue to the Commission as a result of hiring persons from a household containing another employee.

**§ 175-10.3-115 Effective Dates**

- (a) Employment Start Date. Employment for all Commission Employees, whether residing inside or outside the Commonwealth at the time of hire, shall be effective on the first day the employee reports to work. Expatriation travel time is outside the employment period and will not be compensated.
- (b) Contract Completion. Completion of the term of employment shall be effective on the last day of the term of the employment contract.

(c) Early Termination. Early termination of employment, with or without cause, shall be effective on the date of termination stated in the termination letter. Repatriation travel time is outside the employment period and will not be compensated.

**§ 175-10.3-120 Duty Station and Work Assignments**

(a) Duty station is primarily defined as Saipan, C.N.M.I. Duty Station may also, at the discretion of the Executive Director, include Rota, Tinian, the Northern Islands, or as otherwise assigned as the duties and responsibilities of the Commission may be expanded by legislation or executive order.

(b) The employee is assigned to a specific duty station as identified in the employment contract. However, with the employee's consent, the employee may be assigned to another duty station, based upon the needs of the Commission.

(c) If the transfer of duty station involves a permanent move for a period in excess of six months to another island within the CNMI, the employee shall be entitled to transportation for self and dependents, if any, and shipment of household effects, not to exceed 1,500 pounds for a single status employee or 3,000 pounds for an employee with dependents. This benefit is available only in cases where the transfer is initiated by the Commission.

(d) Temporary assignments to another duty station for periods of not more than ten consecutive workdays do not require the employee's approval, if the assignment is required by the needs of the Commission.

**§ 175-10.3-125 Compensation and Work Schedules**

(a) The salary will be subject fiscal availability (and to budget appropriations, if applicable) and will be expressed in terms of the gross amount to be paid during a twelve-month annual period, and for each of the twenty-six bi-weekly pay periods.

(b) Periods of compensable time shall include time worked during the assigned work schedule, overtime for overtime-eligible employees, legal holidays, and approved annual, sick, administrative and other leaves, as defined herein or subject to the Executive Order of the Governor. Periods of absence without leave (AWOL) and leave without pay (LWOP) will not be compensated and will be subject to appropriate timekeeping and administrative action.

(c) The employee's specific workday and workweek may differ from the standard workweek on a permanent basis, or vary from time to time, according to the needs of the Commission. Every effort shall be made to maintain a reasonable five-day, forty- hour work schedule, but the schedule is subject to variation, to include required overtime for overtime-eligible employees, extra hours for overtime-exempt employees, shifts of differing duration, and broken periods of duty, according to the needs of the Commission.

(d) All employees are covered by the Federal Fair Labor Standards Act (FLSA). Employees cannot waive their rights under FLSA. An employee will be designated as overtime-eligible or overtime-exempt based upon the duties performed and in accordance with the federal FLSA. Such designated executive, administrative, and professional employees are exempt from, and shall not be paid, overtime payment. These terms have the meanings given them in the federal Fair Labor Standards Act. The employee's overtime eligibility status is stated in the employment contract.

(e) Overtime for overtime-eligible employees shall be approved in accordance with a procedure established by the Executive Director. The Executive Director shall also establish a policy to address administrative actions for unauthorized overtime work. However, prohibition of unauthorized overtime does not relieve the employer of the requirement to pay for time actually worked. Overtime is that time a non-exempt employee is directed or permitted to work in excess of the 40 hours during a standard work week (40 hours in seven consecutive days). Employers may apply different work periods for health care employees, or different work periods and overtime thresholds for law enforcement and fire employees, as permitted by federal law. Such overtime hours are paid at 1.5 times the regular rate of pay, as defined in the Fair Labor Standards Act.

(f) Compensatory time-off can be used to replace monetary payment for overtime-eligible employees, at the discretion of the Executive Director. In such cases replacement will be at the rate of one and one-half hours of compensatory time-off for each one hour of overtime worked. The employee's acceptance of employment serves as an agreement to receive compensatory time-off in lieu of paid overtime. The employer can require the employee to use the compensatory time-off that they have earned, rather than allowing it to excessively accumulate or paying it as overtime. Restated, this means that the Executive Director can schedule compensatory time-off periods and require the employee to take that time-off. This does not prevent an employee from also scheduling time off at a time of his or her choosing, as long as approving the request does not unduly disrupt the Commission's operations.

(g) Compensatory time accrued must be taken within the year that it was earned.

(h) The Executive Director may approve compensatory time or extra payment to an overtime-exempt employee, in exceptional situations. Such situations will be considered the exception, not the rule, and will be limited to declared emergencies and extraordinary work requirements. In such cases compensatory time-off or extra payment will be on a one-to-one regular base pay basis.

#### **§ 175-10.3-130 Acting Appointment**

(a) An acting appointment is made when an employee may be required to serve temporarily and accept responsibilities for work in a vacant higher-level position which the Executive Director has determined cannot be left vacant for any but the shortest period of time. This type of appointment gives the acting appointed employee no advantage in competition for regular filling of this position. However, time in acting appointment may be counted toward experience for the class of position concerned.

(b) All acting appointments require the written approval of the Executive Director. Any employee who is acting for a period in excess of 90 days will receive acting pay effective the 91st day in acting capacity. If the employee does not meet the minimum qualifications of the position for which he or she is in acting capacity, the acting pay will be at least 10% more than the employee was earning immediately prior to accepting the acting role but not more than the pay level for the position the employee is filling.

#### **§ 175-10.3-135 Work Hours**

(a) Regular Hours of Work.

(1) Regular working hours of the Commission employees shall consist of a five-day week, eight hours a day, 40 hours per workweek from 8:00 am to 5:00 pm. The standard workweek shall consist of the period from midnight Sunday to the following midnight Sunday.

(2) The Commission is a 24-hour operation. In the Division(s) that operate outside of normal business hours, the Manager of the Division together with the Executive Director shall make a schedule for the employees who work hours other than the standard work week. Please refer to the Time Clock / Biometric Timekeeping Policy, Policy No. 1095 for the hours of all units operating outside of the standard work week.

(b) Evening and Night Shift Differential. (RESERVED)

(c) On-Call Employees (RESERVED)

(d) Time and Attendance Record. All Commission employees shall sign a Time and Attendance Record such as may be required by the Executive Director. The Executive Director shall review and approve Time and Attendance Records. The Commission pay periods shall be identical with those of the CNMI Government. Executive, managerial, professional and exempt employees are expected to work the regular 40 hours a week of employment but need not time-in or time-out.

(e) Payment of Salary. All Commission employees shall be paid within two weeks after end of every pay period.

(f) Temporary Schedule. Temporary shifting of employee's working hours to meet routine needs may be done as necessary and if approved by the Division Manager or the Executive Director. Changes in temporary schedule for more than one-week duration require at least one week's advance notice to employees except in emergency situations, or when the employees waive the need for notice.

(g) Lunch Period. For most positions, lunch shall be one-hour unpaid time, usually from 11:30 am to 12:30 pm. Deviation from the standard lunch time requires the approval of the employee's Supervisor or the Executive Director. If employee is on a shift schedule, lunch or dinner break should be complied accordingly based on existing policy.

(h) Rest Periods. Employees are entitled to rest periods of fifteen minutes during the first four (4) hours of work and another fifteen minutes during the second four hours of work. The responsibility for scheduling break periods rests with the immediate supervisor. The 30 minutes allotted for break time may not be used to lengthen lunch hours or shorten working days. Rest periods shall not be used to cover late arrivals nor may they be accumulated for scheduled time-off.

(i) Changes of Permanent Schedule. All long-term changes to the established work schedules shall be provided to the employees affected at least one week's notice prior to the change, if possible, except in emergency situations or when the employees waive the need for notice.

**§ 175-10.3-140 Work Hours Recognized Holidays with Pay** (a) Holidays with Pay. The following days will be recognized as holidays with pay for all employees. These holidays are subject to change pursuant to Executive Order of the CNMI Governor or by statute.

### **Part 200 - Employee Benefits**

#### **§ 175-10.3-201 Expatriation and Repatriation [Reserved]**

**§ 175-10.3-205 Housing [Reserved]**

**§ 175-10.3-210 Annual Leave**

(a) Annual leave, or vacation, shall be granted for the purpose of rest and relaxation. Except as provided in this section, employees who have less than three years of creditable service shall earn annual leave at the rate of four hours per pay period. Employees with three but less than six years of creditable service shall earn annual leave at the rate of six hours per pay period. Employees with six or more years of creditable service shall earn annual leave at the rate of eight hours per pay period.

(b) Activity or division heads, attorneys, executive directors and assistant executive directors shall earn annual leave at the rate of eight hours per pay period.

(c) Annual leave accrual rate per pay period for Commission Employees with advanced degrees and/or exceptional skills or experience shall be at a rate not to exceed eight hours, and:

(1) Based, specific to each employee, upon:

(i) The critical need to fill the position;

(ii) The availability of qualified applicants; and

(iii) The amount and quality of related education, training, and experience possessed by the employee.

(2) An employee employed in the first year of the initial contract shall not be entitled to use annual leave during the first ninety days of employment. Annual leave earned during this period will be credited to the employee upon completion of this initial period. This restriction does not apply to employees employed on an immediately subsequent contract.

(d) Commission Employees shall accrue annual leave at the rate set forth in their employment contract. If the employee takes leave without pay (LWOP) or is in an absence without leave (AWOL) status there will be no leave accrual for that pay period.

(e) Annual leave may be used only upon prior written approval of the employer and will be scheduled based upon the needs of the employer. Annual leave requests must be made in advance, except in cases of bona fide emergencies, on a leave request form provided by the Executive Director. All annual leave requests must be approved by the Executive Director. The employer will approve all properly submitted leave requests unless the needs of the government prevent the absence of the employee.

(f) Annual leave must be utilized during the contract period. Except as provided in subsections (g), (h), and (i) below, any annual leave not utilized will be converted to sick leave at the end of the employment term. No cash payment will be made for unused annual leave, except as provided for in subsection (i) below.

(g) If an offer and acceptance for a new employment contract is agreed upon, or if a civil or excepted service employee accepts a contract with the Commission, accrued and unused annual leave credits from the prior period of employment, not to exceed 360 hours, shall be carried over to the new employment contract. Unused annual leave in excess of the limits cited above will be converted to sick leave.

(h) Employees converting from the civil service or excepted service status will be authorized to carry over not more than 360 hours of annual leave. Hours in excess of this amount will be converted to sick leave if not used prior to conversion.

(i) The Executive Director may, with the concurrence of the Commission and of the Governor, approve a lump-sum cash payment of up to 360 hours of unused annual leave in cases of involuntary separation due to reasons of bona fide personal emergency beyond the control of the employee or as otherwise permitted by the regulations or the Executive Director.

**§ 175-10.3-215 Sick Leave**

Accumulation of sick leave is allowed primarily for the purpose of providing an employee with an economic cushion to be used in the event of an illness or lengthy absence for legitimate medical reason. In addition, in accordance with PL 15-69, as repealed in part by PL 15-115, an employee may use sick leave to care for a sick spouse or child. In this case, "sick" means a serious or life-threatening illness. Approval of the Executive Director is required to use sick leave in this way. A doctor's certification will be required.

(a) Sick leave shall accrue to the employee at the rate of four hours per pay period, provided the employee has been in pay status as required by the employment contract. If the employee takes leave without pay (LWOP) or is in an absence without leave (AWOL) status the sick leave accrual shall be prorated for that pay period.

(b) The employee is entitled to use accrued sick leave from the time sick leave is first earned. An employee who is absent from work for a reason for which Sick Leave may be used shall inform his or her immediate supervisor of the fact and reason, and failure to do so within a reasonable time may be cause for disciplinary action. Notification in this context shall mean notification no later than an hour after the accident, emergency or injury, or advance notice if medical and/or dental appointment is being sought.

(c) Any absence on sick leave where the employee misses more than three continuous days of work must have the illness verified by a note from a medical doctor in order to claim sick leave.

(d) The employee is not entitled to any payment for accrued and unused sick leave upon completion of an employment contract or termination of employment.

(e) If an offer and acceptance for a new period of employment is agreed upon under a new employment contract/appointment, all accrued and unused sick leave credits from the prior contract/appointment will be carried over, provided that if the employee is separated from government service for a period longer than three years, the employee shall be divested of accumulated sick leave.

(f) If the Executive Director has reasonable grounds to believe that the employee is misusing sick leave, or requesting sick leave for purposes other than illness, the Executive Director may request proof of illness from a health care professional for any period of illness. If the certification is not provided, or is unpersuasive, the supervisor may deny the sick leave request. Disallowed sick leave shall be charged as Annual Leave, if available, or AWOL.

(g) Sick leave may be accumulated without limit.

(h) Commission Employees are eligible for the sick leave bank program pursuant to applicable regulations adopted on October 16, 1997 and published in the Commonwealth Register, Vol. 19, No. 11, on November 15, 1997, at pages 15748-15757. (See NMIAC title 100, chapter 50).

**(i) Sick Leave Bank**

(1) Donation. The Commission hereby establishes a Sick Leave Bank. Employees may donate sick leave either to a designated employee or to the Sick Leave Bank in general. Employees may donate as much sick leave as they want to the Bank but no more than 160 hours to any specific employee.

(2) Use. Employees must be approved by the Executive Director to use the Sick Leave Bank. In order to be eligible, employees must have a serious or life-threatening illness or accident that precludes the employee from working. The employee must have exhausted all other leave, including advanced leave, prior to using the Sick Leave Bank. Employees using either designated time or general Sick Leave Bank time may use no more than 160 hours total during the course of their employment.

(j) Transfer-In of Sick Leave from other CNMI Government Agencies. The Commission will accept up to 500 hours of sick leave from other CNMI Government agencies.

(k) For employees with serious medical conditions resulting in prolonged illness or disability as documented by his or her physician, unpaid sick leave may be requested under the Family Medical Leave Act (FMLA).

**§ 175-10.3-220 Administrative Leave with Pay**

Administrative leave with pay may be granted by the Governor or the Executive Director for a public purpose.

**§ 175-10.3-225 Holidays**

Unless the Executive Director determines that the Commission Employee must, due to the services provided by the employee, report to work on a legal holiday, the employee shall be released from work on all legal holidays, except during emergencies.

**§ 175-10.3-230 Advance Leave**

Where, for good reason, the employee requires an advance of annual or sick leave, the Executive Director may grant leave in advance up to a maximum of one-half of the total earnable leave credits for one year from the date the request is approved or for the remainder of the employment contract/appointment, whichever is shorter. Subsequent leave earnings shall serve to replace the amount of advance leave taken. In the event an employee resigns from his or her employment, any annual or sick leave overdraft must be paid as part of the final clearance.

**§ 175-10.3-235 Court Leave**

The Commission encourages its employees to fulfill their obligations as citizens and residents of the Commonwealth and the federal government. Thus, employees who are called upon to serve as jurors and witnesses may, at their option, be granted court leave for such period as required by the court. Employees who are called to jury duty or as witnesses

shall present their summons to their immediate supervisor together with a completed request for leave for his or her signature and processing. Employees using court leave to cover the period of absence shall turn over to the Commission such jury or witness fees (as distinct from expense allowances) as they receive from the court or summoning party. Expense allowances paid the employee for whatever purpose may be retained by the employee to defray the expenses for which granted.

**§ 175-10.3-240 Compassionate Leave**

Full-time Commission Employees may be granted compassionate leave of no more than five workdays, not necessarily consecutive, in cases of death in the immediate family of the employee. For the purpose of this section, the term immediate family shall include a mother, father, brother, sister, spouse, immediate offspring (natural and culturally or legally adopted), stillborn child, grandfather, grandmother, grandchild, mother-in-law, or father-in-law. Compassionate leave must be taken within eighteen days after the death of the immediate family member.

**§ 175-10.3-245 Miscarriage Leave**

Miscarriage leave shall be granted to a Commission Employee who is absent from work because of miscarriage or the subsequent convalescence. Such miscarriage leave shall not exceed five work days, and shall be in addition to any accumulated sick leave. An employee who wishes to claim miscarriage leave must have the miscarriage verified by a note from a medical doctor in order to claim miscarriage leave. Any additional leave taken after five work days shall be charged against accumulated sick leave.

**§ 175-10.3-250 Pregnancy Disability Leave**

Pregnancy disability leave shall be granted to a Commission Employee who is absent from work because of childbirth or the subsequent convalescence. Such pregnancy disability leave shall not exceed thirteen work days, shall be in addition to any maternity leave or accumulated sick leave, and shall be any thirteen work days encompassing the date of childbirth. Any additional leave taken for such childbirth purposes shall be charged against accumulated sick leave. Pregnancy disability leave shall be available to a Commission Employee who suffers a still birth.

**§ 175-10.3-255 Maternity and Paternity Leave**

Maternity or paternity leave shall be granted to a Commission Employee who is absent from work because of the employee or the employee's spouse giving birth. Such leave shall also be available for absences due to the cultural or legal adoption of a child. Such maternity or paternity leave shall not exceed two work-days and shall be taken within one week of the date of childbirth or the adoption.

**§ 175-10.3-260 Military Leave**

(a) Any employee who is involuntarily enlisted, drafted or is called into active service in the armed service of the United States shall be granted military service leave in accordance with this Section and applicable Federal Law. Upon discharge from such service, the employee shall be re-employed with such seniority, status and pay as would have been attained if employment had continued with the Commission without interruption, provided

that the employee's absence has not voluntarily exceeded two years and application for re-employment was made within 30 days of release from active military service.

(b) In accordance with local and federal laws, any employee who enlists or is called to federal active duty, territorial active military service or training duty as a Reserve of the Armed Forces or a member of the National Guard will be granted up to 120 hours of unpaid military leave for the period of active duty upon presentation of Orders into service to the Executive Director or his or her designee. This leave shall be granted solely for the purpose of and will continue only for the time stated in the Orders into service and that said employee is actually performing said military service.

(c) Any employee who is a veteran of a branch of the United States Armed Services will be excused from work duties without loss of pay for the time necessary, not to exceed eight hours in any one day, to participate as an active pall bearer or as a member of a firing squad or honor guard in a funeral ceremony for a member of the Armed Forces of the United States whose remains final interment is in the Commonwealth.

(d) Extended military leave shall be granted to employees pursuant to the federal Uniformed Services Employment and Reemployment Act (USERRA).

**§ 175-10.3-265 FMLA Leave**

Leave under the federal Family and Medical Leave Act of 1993 (FMLA) shall be granted to employees as provided in FMLA.

**§ 175-10.3-270 Leave without Pay**

The Executive Director or his or her designee shall be the approving authority for Leave without Pay (LWOP). It is the responsibility of the employee to apply for leave without pay. If LWOP is not authorized, it is characterized on the employee's payroll as Absent without Leave (AWOL). If an employee believes he or she has been adjudged AWOL improperly, he or she needs to clear that issue with the Executive Director within the next pay period after having received the AWOL. Leave and benefits shall not accrue during leave without pay except as provided in this section. The employer-employee relationship is maintained during a period of leave without pay, but the Commission shall pay no other compensation.

**§ 175-10.3-275 Unauthorized Absence or Absent Without Leave (AWOL)**

(a) Absence without Leave is defined as leave without approval and may subject the employee to discipline. For purposes of this section, AWOL will be evaluated per calendar year. Previous years' AWOL will not apply to subsequent years for disciplinary purposes. Such leave is unpaid.

(1) Discipline may be as follows:

(i) Employees who accrue AWOL hour(s) during any one pay period shall be issued a reprimand.

(ii) Employees who accrue an additional hour(s) after reprimand in any following pay period shall receive a five-day suspension without pay.

(iii) Employees who accrue an additional hour(s) after a five-day suspension shall be terminated.

(iv) Employees who accrue 80 hours of AWOL in one year shall be terminated.

(b) Abandonment of Position. Any employee AWOL for a consecutive total of 10 working days shall be deemed to have resigned without notice by abandonment of position. Employees will be responsible to submit leave applications prior to the leave being taken or immediately upon return to work. Failure by the employee to submit leave applications may result in AWOL. For circumstances that are beyond the control of the employee, AWOL may be amended. The AWOL assessed may only be amended on the following payroll. Amendments will not be allowed on the second pay period following the AWOL assessment.

**§ 175-10.3-280 Part-Time Accrual**

Part-time or intermittent employees with regular scheduled tours of duty of forty to less than eighty hours during a biweekly period will accrue annual leave and sick leave at a prorated amount of the full-time benefit, rounded off to the nearest quarter hour per pay period, and will be eligible for other paid leaves, provided in this part, at this rate. Part-time or intermittent employees with regular scheduled tours of duty of less than forty hours during a biweekly pay period will not accrue annual or sick leave or be eligible for the other paid leave benefits. If a part-time or intermittent employee takes leave without pay (LWOP) or is in an absence without leave (AWOL) status for a scheduled duty period there will be no leave accrual for that pay period.

**§ 175-10.3-285 Transfers within Government**

(a) If a Commission Employee transfers to another position within the executive branch, the new employer may assume all liability for the payment or transfer of all earned contractual benefits. Transfers to similar positions within the executive branch with no change in salary may be affected by the employer with or without the employee's permission.

(b) If a Commission Employee transfers to another government entity, the receiving entity may assume any liability for the payment or transfer of all earned contractual benefits. Similarly, the Commission may assume a similar liability for the payment or transfer of all earned contractual benefits if it accepts the transfer of an employee contractually entitled to such benefits from another government entity.

**§ 175-10.3-290 Insurance and Retirement Benefits**

(a) Insurance Benefits. Employees who are scheduled to work at least 40 hours each week may participate in insurance and medical benefit programs made available and, in the manner, provided under the Life and Health Insurance Programs (GLHIP) administered through the Department of Finance, or such other insurance program offered by the Commission. Such benefits shall continue to be in effect during absences due to paid leave, up to three (3) months of family and medical leave, and approved leave without pay when the employee pays the insurance premium.

(b) Retirement Benefits.

(1) Employees currently grandfathered in to the NMI Settlement Fund will be able to retire consistent with the NMISF regulations.

(2) Full time employees not part of the NMISF will be allowed to participate in the CNMI's 401(a) plan to the same extent as employees of the central government.

**Part 300 - Employee Conduct and Obligations**

**§ 175-10.3-301 Grievance Procedure(s)**

(a) A Commission Employee may submit a grievance regarding any matter involving the interpretation, application, or alleged violation of any Policy, Rule or Regulation or any other matter concerning general conditions of employment. The aggrieved employee shall first discuss the grievance with the immediate supervisor in an attempt to resolve the issue. If the issue cannot be resolved with the immediate supervisor or manager, the employee should contact the Executive Director or his or her designee. The Executive Director or his or her designee will attempt to satisfactorily resolve the grievance. The employee may appeal an unsatisfactory determination of the designee to the Executive Director. If the matter has been addressed by the Executive Director, the employee shall not seek contravention of that decision by the Commission or any individual Member of the Commission; the decision of the Executive Director shall be treated as a final agency decision.

(b) Commission Employees may seek dispute resolution to resolve conflicts and disputes by means of a mediation procedure as provided by the Executive Director and pursuant to available resources.

**§ 175-10.3-305 Termination of Services**

An employee may be separated from employment with the Commission by resignation, retirement, involuntary termination (either with or without cause), or lay off.

(a) Resignation.

(1) An employee should submit a written resignation at least 60 calendar days notice prior to the effective date of separation to the Executive Director. The period of notice may be reduced or waived by the Executive Director.

(2) Withdrawal of Resignation. An employee may withdraw his or her resignation only with the written approval of the Executive Director. Approval shall be obtained before the effective date stated in the resignation.

(3) Failure to give adequate notice. Failure to give adequate notice of resignation may be considered separation not in "good standing" and may preclude consideration for future employment with the Commission.

(4) Effective Date of Separation. The effective date of separation shall be at the close of business on the last day on which the employee works or uses approved leave.

(b) Retirement. Employees retiring from the Commission are required to provide a written notice the same as if they were resigning. This advance time is needed so that retirement benefits can begin as soon as possible following date of retirement and to allow

management to plan for the departure of the retiring employee. Employees should submit a letter indicating the date of retirement to the Executive Director accompanied by a letter from the Northern Mariana Island Settlement Fund indicating eligibility for retirement.

(c) Austerity/Reduction in Hours. If the need arises for austerity, employees may have their hours reduced. The Notice shall be given 30 days in advance of the beginning of the austerity. The Governor or Executive Director may exclude certain positions from the austerity. Neither the Governor's nor the Executive Director's decisions to exclude or not to exclude positions for austerity are grievable.

(d) Payment upon Separation.

(1) Employees may be paid out for unused annual leave. Employees should be aware of their leave balances and plan to exhaust their annual leave prior to their separation date. If an employee has leave that he or she is not able to use due to short staffing or some other emergent condition, the employee shall seek the approval of Executive Director to get approval to have those funds paid out.

(2) Moneys the employee owes the Commission or any agency or instrumentality of the Commonwealth Government shall be deducted from the final paycheck. Deductions from accrued leave pay may be made for the replacement value or fair market value of the Commission's property not returned by the employee on or before the effective date of separation

(3) Final paycheck for separation on account of death of employee shall include final wages or salary and other payments the Commission owes the employee, e.g., reimbursable travel advances and other similar payments made by the employee on behalf of the Commission.

(4) Final paycheck shall be paid only to the beneficiary designated in writing filed by the employee before death or to the employee's estate. Commonwealth law does not recognize common-law spouses. If no beneficiary has been designated final payment should be made to surviving legal spouse; if no legal spouse, to surviving children, or guardian of any minor children in equal shares; otherwise to father and/or mother in equal shares; if parents are not living, then to brothers and sisters in equal shares; if no surviving next of kin, payment should be made to the Commission as escheat.

(e) Medical Separation. An employee who is unable to return to work or has been determined by a licensed physician or medical professional as unable to perform the essential duties of the job, in accordance with federal and CNMI laws and Commission policies (sick leave, annual leave, and FMLA leave) shall be separated from employment.

(f) Termination

(1) The Executive Director may terminate the employee without cause upon written notice sixty days in advance of the date of termination of employment. This time may be shortened only by specifying in the employment contract a lesser period of advance notice. Such notice shall specify the date of termination and be delivered in person to the employee, or by certified mail if the employee is otherwise unavailable for personal delivery. Payment of salary comprising the sixty-day (or contractually shortened) notice period may be made in lieu of notice.

(2) The Executive Director may terminate the employee with cause upon written notice seven days in advance of termination of employment. Payment of salary comprising the seven-day notice period may be made in lieu of notice.

**§ 175-10.3-310 Non-Discrimination Policy**

(a) It is the policy of the Commission that discrimination, for or against any employee, because of race, creed, color, gender (including sexual harassment), sexual orientation, national origin, age, religion, political affiliation, organizational membership, veteran status, disability, or genetic information is prohibited and will not be tolerated. No adverse action or hiring decision shall be made on the basis of any of the above factors except that veteran status may be considered positively as permitted by law.

(b) The Commission shall maintain every workplace free from unlawful harassment, including sexual harassment. Any employee or official who engages in any act of discrimination or harassment on the basis of any of the above factors violates Commission policy, and such misconduct will subject the employee to corrective action ranging from counseling to disciplinary action up to and including termination. Such harassment by a non-employee (for example, a client or contractor) is also prohibited. The Commission shall not tolerate any such outside harassment and shall take necessary action to prevent its continuation or recurrence.

(c) Any employee who feels that he or she has been discriminated against on the basis of any of the above factors, or sexually harassed, should immediately report such incidents to a supervisor at any level without fear of reprisal. Confidentiality will be maintained to the extent permitted by the circumstances.

(d) Any Commission employee who receives a claim of discrimination or harassment in violation of this policy shall take such complaint seriously and immediately advise the Executive Director or the Commonwealth Equal Employment Opportunity (EEO) Coordinator of the situation. The Executive Director, with the assistance of the EEO Coordinator, if sought, will ensure that it is investigated promptly, privately, and with as much confidentiality as possible, consistent with the need to determine the facts. The investigation will be documented by an investigative report that will be retained in a confidential file by the Executive Director or EEO Coordinator. Any person accused of a violation shall be allowed the opportunity to rebut the charges.

(e) After determining the facts through the investigation, the Executive Director shall take corrective action as required by the circumstances. This may include counseling any employee, whether or not a violation has occurred; imposing an appropriate sanction, including disciplinary action; making sure that this policy is reiterated to all employees or any group. An employer, or any supervisory staff, who does not take appropriate action also violates this policy and exposes the Commonwealth government to liability.

**§ 175-10.3-315 Non-Tolerance of Sexual Harassment**

(a) Applicability. This policy and procedures applies to all Commission Employees and Members of the Commission.

(b) Purpose. This policy and procedure will establish the Commission's policy of non-tolerance of sexual harassment of any form, by its Members or employees, toward its

Members or employees, or by non-governmental agents against the Commission's Members or employees. It will also provide guidance for the education and training of Members and employees to recognize, avoid and prevent sexual harassment in the workplace. This policy and procedure will provide steps for reporting, investigating, and taking administrative action in situations involving sexual harassment.

(c) Definitions

(1) Sexual harassment is an unwelcome sexual advance, request for sexual favors, or other verbal or physical conduct of a sexual nature. Sexual harassment occurs when:

(i) Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment, or

(ii) Submission or rejection of such conduct by an individual is used as a basis for employment decisions affecting such individual, or

(iii) Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive work environment.

(2) Sexual harassment can be divided into two basic types of misconduct:

(i) When an employee or Member suffers or is threatened with a quid pro quo (this for that) situation. This form of sexual harassment occurs when a supervisor or someone else with authority over the victim makes a put out or get out demand, such as "submit to my sexual requests or you will be fired, demoted, passed over for promotion, or in some other way made miserable on the job". This type of sexual harassment can be committed only by someone in the organization structure who has the power to control the victim's job destiny.

(ii) When behavior in the workplace creates a hostile environment. This form of sexual harassment occurs when a supervisor, co-worker, or someone else with whom the victim comes into contact on the job creates an abusive work environment or interferes with the employees work performance through words or deeds because of the victim's gender. The following kinds of behavior have been recognized by the courts as contributing to a sexually hostile environment:

(A) Discussing sexual activities;

(B) Telling off-color jokes;

(C) Unnecessary touching;

(D) Commenting on physical attributes;

(E) Displaying sexually suggestive pictures;

(F) Using demeaning or inappropriate terms, such as babe, honey, etc.;

(G) Using indecent gestures;

(H) Sabotaging the victims work;

(I) Engaging in hostile physical conduct;

(J) Granting job favors to those who participate in consensual sexual activity; or

(K) Using crude and offensive language;

(L) Wearing provocative, sensual attire, i.e. tight, skimpy, short-length, etc.

(iii) The above listed behaviors can create a liability for the government and any such conduct must be addressed and corrected at its earliest stage before it becomes severe or pervasive.

(3) A workplace environment is considered sexually hostile when conduct occurs that meets the following two conditions:

(i) It must be subjectively perceived as abusive by the person(s) affected, and

(ii) It must be objectively severe or pervasive enough to create a work environment that a reasonable person would find hostile or abusive.

(iii) A determination of whether or not a situation would be construed as sexual harassment should also take into consideration the following factors:

(A) The victim as well as the harasser may be a woman or a man. The victim does not have to be of the opposite sex;

(B) The harasser can be the victim's supervisor, an agent of the employer, a supervisor in another area, a co-worker, or a non-employee;

(C) The victim does not have to be the person harassed, but could be anyone affected by the offensive conduct;

(D) Unlawful sexual harassment may occur without economic injury to the victim;

(E) The harassers conduct must be unwelcome.

(4) Sexual discrimination is distinguished from sexual harassment in that it reflects biases in employment actions based upon gender, but does not involve the abusive behavior described in subsection (c) above.

(d) Policy

(1) It is the policy of the Commission that all Members and employees shall enjoy a work environment free from sexual harassment and all forms of discrimination. Sexual harassment is illegal, under Title VII of the Civil Rights Act of 1964, as amended and as implemented by 29 CFR 1604.11, and is prohibited under this chapter and Article 1, Section 6, of the Commonwealth Constitution.

(2) Sexual harassment is specifically prohibited and will not be tolerated in any form, regardless of whether the offensive conduct is committed by Members, supervisors, managers, non-supervisors (co-workers), or nonemployees (consultants, contractors, general public).

(3) All employees are encouraged to report any violation of this policy. If management is not aware of specific incidents of sexual harassment in the workplace it cannot properly address them. If an employee observes or is subjected to sexually discriminatory or harassing behavior in the workplace, it should be reported immediately to the Executive Director so it can be resolved at the earliest possible time. Employees will not be retaliated against for making truthful statements about perceived harassment.

(4) No employee will be denied or will receive employment opportunities and/or benefits because of a sexual relationship with a Member, co-worker or supervisor. No Member, employee or non-employee shall imply to an employee, an applicant for employment, or a client of a government activity, that conduct of a sexual nature will have an effect on that person's employment, assignment, advancement, other condition of employment, or any other relationship with the government. Any incidents of this type, upon verification by investigation, will be subject to disciplinary and corrective action.

(5) The employer, at all supervisory levels, is responsible for the occurrence of acts of sexual harassment in the work place when they know or should have known of the prohibited conduct. As an official of an autonomous agency of the Commonwealth government, a supervisor's improper action or failure to act creates a liability on the part of the government. All incidents of sexual harassment will be immediately reported to the Equal Employment Opportunity Coordinator or Executive Director, for guidance. Supervisors and managers who knowingly allow harassing behavior to occur, or participate in such behavior, will be subject to disciplinary action up to and including termination.

(6) The Director of Personnel, as the Deputy Commonwealth Equal Employment Officer, should be immediately informed by the Executive Director of any incident of sexual harassment reported within the Commission, or of any charges received from the Equal Employment Opportunity Commission (EEOC).

(7) The Executive Director will ensure that all sexual harassment complaints receive swift and thorough investigations. Appropriate action will be taken in situations where the complaint is validated to correct the situation and appropriately discipline the harasser. Complaints determined to be deliberate false accusations will also be treated as potential disciplinary situations. Situations where the victim requests that no investigation be conducted or action taken must also be investigated and acted upon to avoid future liability and to effect consistent enforcement of the Commission's policy of non-tolerance for sexual harassment.

(8) Complaints of sexual harassment should be filed immediately upon occurrence to facilitate a timely response and to minimize the time that an employee would be subjected to such treatment. However, per EEOC statutes complaints may be filed anytime within one-hundred and eighty days of an incident's occurrence.

(9) Incidents of harassment due to an employee's sexual orientation, while not covered by law as an Equal Employment Opportunity violation, are a violation of the Commission's policy of ensuring that every employee is provided with a work environment that is safe, non-threatening, and non-discriminatory. Incidents of this nature comprise misconduct and will be subject to disciplinary action up to and including termination.

(10) The hiring of an employee with a known history of sexual harassment or misconduct could result in government liability for negligent hiring. No applicant for employment with such a history will be employed without a complete background investigation and the specific approval of the Executive Director.

(11) The Executive Director is required to distribute this policy to every employee under his or her authority and to ensure that this policy is posted in an accessible location at all times.

(12) All supervisors will be provided training on identifying and preventing sexual harassment in the workplace. They will also receive training on how to conduct a limited administrative investigation and the reporting procedures for allegations of harassment.

**(e) Procedures**

(1) Any Commission Employee who is aware of an incident or situation involving sexual harassment must report it immediately to his or her Equal Employment Opportunity Coordinator, supervisor, or the Executive Director. The Commonwealth government has legal liability for any action where a government official subjects an employee to sexual harassment, or is aware that an employee subjects another employee to sexual harassment and fails to take corrective action.

(2) Any employee who is personally subjected to sexual harassment, or is aware that other employees are being subjected to sexual harassment, should report the incident or situation immediately to his or her departmental Equal Employment Opportunity Coordinator, supervisor, or the Executive Director. If the employee does not feel comfortable bringing it to the attention of any of these parties, or supervisor, or the Executive Director is somehow involved in the harassment, he or she should immediately contact the Commonwealth Equal Employment Coordinator at the Office of Personnel Management, or the Director of Personnel directly. The initial contact does not have to be in writing.

(3) If the sexual harassment incident involves a physical assault, such as rape, attempted rape, assault, or other actions involving physical contact, either the employee or the official who becomes aware of the incident should report it immediately to the Department of Public Safety for immediate processing and investigation. Any physical evidence should not be disturbed until the arrival of the Department of Public Safety,

(4) All incidents of alleged sexual harassment must be immediately reported to the Executive Director and the Commission's designated Commonwealth Equal Employment Opportunity Coordinator or directly to the Director of Personnel as soon as the employer, or other senior official in case of the employer's unavailability, becomes aware of it. The complaining employee should be interviewed by the departmental Equal Employment Coordinator, legal counsel, or the Executive Director to determine the basic facts of the allegation. The Director of Personnel or the Commonwealth Equal Employment Opportunity Coordinator will then be consulted to determine if the investigation will be conducted at the departmental level or if an outside investigator will be appointed.

(5) Due to the potential legal liabilities resulting from sexual harassment situations, the Executive Director or the Director of Personnel will assume responsibility for the investigation and assign the investigating official (selected EEO official, manager, or legal counsel) or unit (Office of the Attorney General or Department of Public Safety).

(6) All allegations of sexual harassment from employees or perceptions of sexual harassment from third parties or management staff will be reported to the Executive Director or Director of Personnel and will be investigated. Those situations where the victim requests that no investigation be conducted or action taken must also be investigated and acted upon to avoid future liability and to effect consistent enforcement of the Commission's policy of non-tolerance for sexual harassment.

(7) The division(s) involved in the complaint and the official or unit appointed to conduct the investigation will cooperate fully with the Executive Director or Office of Personnel Management in the process of investigating, reporting, and resolving the complaint.

(8) The division(s) involved in the complaint and the Executive Director or Office of Personnel Management will ensure that no retaliation is taken against the complainant or any witnesses by the alleged harasser or by any other employees.

(9) In the process of investigating the complaint, the following guidance will be followed at all times:

- (i) All complaints will be taken seriously.
- (ii) Guilt should not be presumed on either party. The rights of both parties must be protected.
- (iii) Both parties should be afforded the opportunity to state their side.
- (iv) Confidentiality must be maintained at all times.

(10) An administrative investigation will be completed as expeditiously as possible. The final report will be delivered to the Executive Director or Director of Personnel in the following format:

- (i) Summary of Incident
- (ii) Findings of Fact
- (iii) Discussion
- (iv) Conclusions
- (v) Recommendations

(11) The Executive Director or Director of Personnel will review the investigative report to ensure that the facts support the conclusions and that the recommendations are reasonable and consistent with the Commission's disciplinary policy. The Office of the Attorney General will be consulted to ensure that the resolution is legally appropriate.

(12) The Executive Director or Director of Personnel will forward the final report to the Department/employer with the Executive Director's or Office of Personnel Management's recommendations for the resolution of the complaint.

(13)(i) Depending upon the severity of the incident of sexual harassment, the resolution of the situation could involve the following administrative actions:

- (A) Conference/counseling
- (B) Oral or written warning
- (C) Letter of reprimand
- (D) Suspension
- (E) Demotion
- (F) Termination

(ii) Any administrative actions are separate from and not contingent upon any civil or criminal court actions.

(14) The employer will resolve the complaint/grievance based upon the investigation and the recommendation of the Executive Director or Office of Personnel Management. If the division head/employer disagrees with the recommended resolution, he or she must immediately meet with the Executive Director or Director of Personnel to resolve their differences. If both parties cannot reach agreement, the case may be brought before the Governor for a final decision.

(15) Either the complainant or the respondent may appeal the final resolution to the Executive Director or Director of Personnel, not later than fifteen days after receiving notice of the final resolution. The complainant may appeal the final resolution to the Executive Director or Director of Personnel, not later than fifteen days after receiving notice of the final resolution.

(16) The Executive Director or Director of Personnel will conduct a hearing on the appeal and make a final decision on the matter.

(17) Incidents or situations of sexual discrimination that do not involve acts of harassment will be processed through the normal grievance procedure utilized for other Equal Employment Opportunity complaints.

**(f) Records and Reports**

(1) The Executive Director or Office of Personnel Management will maintain records of all allegations of sexual harassment to include copies of investigative reports.

(2) Records of on-going investigations will be kept in a confidential file separate from the official personnel folder. Upon resolution of the complaint, appropriate records of the resolution or disciplinary action will be placed in the appropriate official personnel folder.

(3) The Executive Director or Office of Personnel Management will report to the Governor annually in its annual personnel report on the number of sexual harassment cases and their resolution.

**(g) Responsibilities**

(1) All employees will be familiar with the Commission's Equal Employment Opportunity and Non-tolerance of Sexual Harassment Policies and will comply with these policies to create a safe, non-threatening, and non-discriminatory workplace.

(2) All Members, supervisors, managers, and directors will develop and maintain a work environment that is safe, non-threatening, and non-discriminatory. They will ensure that all employees know that sexual harassment will not be tolerated and will ensure that any incident of sexual harassment is reported as directed by this policy.

(3) All Equal Employment Program counselors must be knowledgeable concerning equal employment opportunity laws, regulations and policies, both federal and Commonwealth, and will strive to remain up-to-date on current EEO trends and activities. They will enforce the Commonwealths policy of non-tolerance of sexual harassment and take reasonable and consistent action in resolution of any sexual harassment situation.

(6) The Director of Personnel, as the Deputy Equal Employment Officer for the Commonwealth, will ensure the development and maintenance of a viable Commonwealth wide Equal Employment Opportunity Program that includes training at all levels in prevention and resolution of sexual harassment situations. The Executive Director or the Director of Personnel will initiate administrative investigations for all allegations of sexual harassment and will ensure their appropriate resolution in accordance with this policy and procedure.

(7) The Governor, as the Equal Employment Officer for the Commonwealth, will establish and promote a policy of non-tolerance of sexual harassment in any form. The Governor will hold all Department and Activity Heads accountable for their active support of the Commonwealths Equal Employment Opportunity and non-tolerance of sexual harassment policies, and for their fulfillment of the responsibilities assigned in this policy and procedure.

**(h) Equal Employment Opportunity Commission**

(1) If an employee's sexual harassment complaint is not acted upon to his or her satisfaction, the employee has the option of filing a complaint with the Equal Employment Opportunity Commission (EEOC). It should be noted that there is a statutory limitation of 180 days from the harassing/discriminatory incident during which the complaint may be filed. For more information, please visit [www.eeoc.gov](http://www.eeoc.gov).

negative urine test. After receiving an offer of employment, the candidate shall be tested for the presence of cocaine, marijuana, opiates, amphetamines, phencyclidine, as well as any other controlled or banned substance required by the Executive Director, in the urine. The test shall be paid for by the candidate. Testing shall be in compliance with subsection (h), below. Applicants who were previously employed by the government and applicants who have had an offer for government employment withdrawn due to a previous positive urine test result, must also provide a written release of drug testing history for the two years immediately preceding the application date.

(i) No new Commission Employee may be assigned to work in any position until he or she presents the results of a urine test, taken after the offer for employment has been made, that shows negative for the presence of cocaine, marijuana, opiates, amphetamines, phencyclidine as well as any other controlled or banned substance required by the Executive Director.

(ii) If the candidate's test result is positive for the presence of a tested drug, without a legitimate explanation, the offer of employment will be withdrawn.

(iii) If the candidate presents a drug testing history showing a positive drug test within two years prior to the application date, the offer of employment will be withdrawn unless the candidate submits a statement of fitness for duty and agrees to execute an agreement similar to a return to duty contract described in subsection (e)(2).

(2) Reasonable Suspicion Testing. Where there is a reasonable suspicion that an employee is under the influence of alcohol or drugs while at work or about to begin work, he or she shall submit to a breath or urine test for the presence of alcohol, cocaine, marijuana, opiates, amphetamines, and phencyclidine, upon written notice from the employee's supervisor or the Executive Director. Except as otherwise provided, the Commission shall pay for the testing.

(ii) Objective inquiry. The properly trained supervisor or a designated employee will observe the employee suspected of being under the influence of alcohol or illegal drugs. A decision to request testing shall be based on eye witness reports, facts of the event, and observed physical and behavioral characteristics of the employee. Prior to making the decision to require testing, the supervisor will question the employee in a private area to ascertain whether there are any reasons other than alcohol or drug use for any behavior observed.

(iii) Verification. No employee shall be required to submit to a drug or alcohol test based on reasonable suspicion unless the need for the test is verified by a second properly trained Commission employee. The regained verification shall be done in person.

(iv) Transportation assistance. The employee shall be accompanied to the collection site by a supervisor or manager, and shall be provided transportation home from the collection site. If the individual refuses and demands to drive his or her vehicle, the supervisor or manager shall notify the Department of Public Safety.

(vi) Report. The supervisor ordering reasonable suspicion testing shall put in writing, in detail, the facts leading to the decision. This report shall be considered confidential and will be maintained in the employee's medical file, which is confidential, until needed for a disciplinary action. Only at that time will the report be filed in the employee's official personnel folder.

(3) Post-accident Testing. As soon as practical after an accident any Commission Employee whose action or inaction may have contributed to the accident must submit to breath and urine tests for the presence of alcohol, cocaine, marijuana, opiates, amphetamines, phencyclidine as well as any other controlled or banned substance required by the Executive Director, upon written notice from the employee's supervisor. Except as otherwise provided, the Commission shall pay for the testing.

(i) Supervisor training. Only a supervisor or a designated employee with government-approved training in the physical, behavioral, and performance indicators of probable drug and alcohol use is permitted to make post-accident testing decisions.

(ii) Objective inquiry. A supervisor or a designated employee's decision to request testing shall be based on eye witness reports, facts of the event, and observed physical and behavioral characteristics of the employee. Specifically, the properly trained supervisor or a designated employee shall require the driver of any Commission vehicle or the operator of any Commission equipment involved in the accident to be tested.

(iii) Transportation assistance. The employee shall be accompanied to the collection site by a supervisor or manager, and shall be provided transportation home from the collection site. If the individual refuses and demands to drive his or her vehicle, the supervisor or manager shall notify the Department of Public Safety.

This report shall be considered confidential and will be maintained in the employee's medical file, which is confidential, until needed for a disciplinary action. Only at that time will the report be filed in the employee's official personnel folder.

(4) Random Testing. During each calendar year, randomly-selected employees performing safety-sensitive functions will be required to submit to breath tests for alcohol and urine tests for cocaine, marijuana, opiates, amphetamines, phencyclidine as well as any other controlled or banned substance required by the Executive Director. The testing will be done during on-duty time. Except as otherwise provided, the Commission shall pay for the testing.

(i) Method of selection. Employees of the Commission will be selected by a statistically valid method such as a random-number table or computer-based random number generator that is matched with employee Social Security numbers, payroll identification numbers, or other comparable identifying numbers.

No more than twenty-five percent of all employees performing safety-sensitive functions in each division each year shall be required to submit to breath alcohol testing and no more than fifty percent shall be required to submit to urine testing. The actual percentage may be determined at the beginning of each fiscal year by the Executive Director in consultation with the Office of Personnel Management's Alcohol and Drug Free Workplace Coordinator and the M.R.O. after reviewing the Commission staff's prior positive testing rates, reasonable suspicion and post accident events, and referrals for service.

**(g) Collecting and Testing Breath Specimens**

(1) Collection Site. Breath specimens shall be collected only at a site approved by the Executive Director or Director of Personnel Management or at the scene of an accident if proper equipment and personnel can be made immediately available.

(2) Collection Protocol. Breath specimens shall be collected only by a B.A.T. trained in the collection of breath specimens at a course approved by the United States Department of Transportation in accordance with standard collection protocols as specified in 49 CFR, Part 40(C) Procedures for Transportation Workplace Drug Testing Programs - Alcohol Testing, except as otherwise provided in this section. However, the M.R.O. or a consulting physician, when requested, may assist in facilitating the collection for post-accident testing.

(3) Confirming Test. Breath specimens shall first be subjected to a screening test for alcohol. If that test indicates a probable breath alcohol concentration of 0.02 or greater, a second test confirming the first and providing quantitative data of alcohol concentration, shall be performed. No alcohol test shall be considered positive unless both the screening test and the confirming test show a B.A.C. of 0.02 or greater.

(4) Results. The breath test results shall be transmitted by the B.A.T., in a manner to assure confidentiality, to the employee, to the employee's employer, and to the Director of Personnel Management.

(5) Confidentiality. Other than as specified above, no person involved in the testing process shall release the results of breath tests to any other individual without a written release from the tested employee.

(6) Invalid Test. If the Executive Director or Director of Personnel Management determines the test is invalid, using the factors found at 49 CFR, Part 40.79, the test result shall be reported as negative.

However, the M.R.O. or a consulting physician, when requested, may assist in facilitating the collection for post-accident testing.

(3) Confirming Test. Urine specimens shall first be subjected to a screening test. Only if the screening test shows positive for the presence of a prohibited drug, will a second test be conducted on the same urine specimen to identify the presence of a specific drug or metabolite, using a gas chromatography/mass spectrometry (GC/MS) test. No drug test shall be considered positive unless both the screening test and the confirming test show the presence of one or more of the drugs tested for.

(4) Results. The laboratory conducting the urine test shall give the results only to the M.R.O. The M.R.O. shall discuss the test result with the tested individual.

(5) Invalid Test. If the M.R.O. decides that the test is invalid, the candidate shall immediately submit another urine specimen for testing.

(6) Alternative Explanations for Positive Test Results.

(i) Upon receiving a report of a positive test results the M.R.O. shall determine if there is any alternative medical explanation for the results including the use of prescribed medication by the employee. Such a determination shall be based on information received from the employee such as the tested individual's medical history and records. If the M.R.O. determines it to be necessary he or she may request pertinent analytical records from the laboratory or require a re-analysis of the specimen.

(ii) The M.R.O. shall report the urine test result as negative and shall take no further action if he or she determines:

(A) There is a legitimate medical explanation for a positive test result, other than the use of the specific drug; or

(B) Based on a review of laboratory inspection reports, quality assurance and quality control data, and other drug test results, the positive drug test result is scientifically insufficient for further action.

(7) Illegal Use of Opium. If the GC/MS does not confirm the presence of 6-monoacetylmorphine; the M.R.O. shall determine whether there is clinical evidence, in addition to the urine test result, of illegal use of any opium, opiate, or opium derivative.

(8) Report to Government. The M.R.O. shall report all positive and negative urine drug test results, in a manner to assure confidentiality, to the employee's employer, and to the Director of Personnel Management.

(9) M.R.O. and Confidentiality. Other than as specified above, the M.R.O. shall not release the results of drug tests to any other individual without a written release from the tested employee.

Such referrals shall only be made a part of the employee's medical file and shall not be a part of the employee's official personnel folder. Referrals shall be kept confidential.

(ii) Voluntary referrals. Employees who voluntarily seek assistance in dealing with drug and alcohol problems or accept referrals, before job performance is compromised, shall be provided the same leave benefits for recommended treatment as provided for any other health problem.

(iii) Accountability for job performance. Regardless of participation in or requests for referrals, employees shall be held accountable for acceptable job performance. In no case where job performance has been compromised will disciplinary action be waived for employees asking for assistance and referral. However, such requests may be considered a mitigating factor in determining the appropriate form of discipline.

(3) Job Security Maintained. Employees shall not have job security or promotional opportunities jeopardized solely because of a request for a drug or alcohol treatment referral.

(4) Required Documentation. Although voluntary referrals or referrals made prior to testing are kept strictly confidential, documentation of poor performance or disciplinary actions taken due to drug or alcohol abuse shall be included in the employee's official personnel folder.

(j) Disseminating Information on Regulations

(b) Forms of Corrective Action. Progressive corrective action shall be followed when practicable. However, when the severity of the inappropriate conduct warrants and it is in the best interest of the Commission, the Executive Director or his or her designee may impose any of the following forms of corrective action.

(1) Verbal Reprimand or Warning or Counseling. This type of corrective action is usually the first step in identifying and correcting failure to perform or misconduct and may be carried out by a Manager or Supervisor or the Executive Director or his or her designee. A written reprimand may also be given by the Manager, Supervisor, or the Executive Director or his or her designee, however, all other forms of corrective action require action by the Executive Director or his or her designee. A reprimand or warning and/or oral counseling should be a private conference between an employee and supervisor whereby the problem can be worked out in a constructive manner. The supervisor, manager, or the Executive Director or his or her designee will advise the employee of the problem, such as misconduct or failure to perform to expectation and present a solution to correct the problem. The supervisor, manager or the Executive Director or designee will offer guidance and assistance in an effort to prevent the problem from occurring again. The supervisor, manager, or the Executive Director or designee will also point out future corrective action that might be taken should the problem continue. Supervisors, managers, or the Executive Director or designee will document the nature of the problem and retain a record of the problem and the action taken. Such documentation will remain with the supervisor unless it is needed as justification for taking further corrective or other problems.

(2) Written Reprimand. A written reprimand is an official notice to the employee of a failure of performance or misconduct. The nature of the breach and all related facts are documented and placed in the employee's official file by the Manager, Supervisor, or the Executive Director or designee. A copy shall be given to the employee. Unless circumstances do not permit the supervisor and employee shall meet to discuss the problem before issuance of the reprimand to allow the employee an opportunity to respond.

(3) Immediate Suspension Without Pay.

(i) Employees shall be immediately suspended, upon verbal notice, when the nature of the breach of discipline or misconduct makes it imprudent or hazardous for a supervisor to allow an employee to remain on the job. Supervisors or managers shall immediately, before taking any immediate suspension action, unless circumstances do not permit, advise the Executive Director or designee to discuss the nature of the discipline problem and the suspension. An immediate suspension is without pay. In any event, the immediate suspension shall be followed up with a written notice to the employee within five (5) working days in accordance with the notice requirement under these rules. If more time is required to provide the employee written detail/support about the suspension, the employee will be notified. A copy of the notice of immediate suspension shall be placed in the official

employee file. An immediate suspension may be followed by additional corrective action based on the same incident.

(ii) An employee under a suspension shall not receive pay including holiday or other unearned pay. Other benefits shall not be affected during the period of suspension. Lost pay shall be restored to the employee only upon determination that the employee is not at fault or the successful appeal of the suspension.

(4) Regular Suspension. An employee may be suspended without pay for a repeated offense or a serious failure of performance or misconduct. A regular suspension generally will not exceed 20 working days. When legal issues prevent the closure of a case pertaining to an employee's performance or action, the suspension may be longer than 20 working days. The employee shall be given the opportunity to respond to the allegations of misconduct or failure of performance prior to suspension. Subsequently, if the suspension is warranted, the employee shall be notified in writing in accordance with the provision of these rules and a copy shall be placed in the official employee file. An employee under a suspension shall not receive pay including holiday or other unearned pay. Other benefits shall not be affected during the period of suspension. Lost pay shall be restored to the employee only upon successful appeal of the suspension. An employee charged with a criminal offense may be suspended without pay if the offense arises in connection with the employee's job responsibilities or is an offense which in the Executive Director's opinion, would affect continued job performance or bring discredit to the Commission.

(5) Demotion. The Executive Director or his or her designee may demote an employee for misconduct, failure of performance, or other reason as set out in Section 1 of this rule. A disciplinary demotion shall result in a reassignment of the employee to a position in a lower classification at a lower pay band.

(6) Dismissal. Employment may be terminated when previous corrective actions have failed to bring about correction or when serious misconduct or failure to perform occurs. The employee shall be given notice of the decision to terminate employment. The dismissal will take effect only in accordance with the procedures in these rules. The mere failure to renew a contract is not a dismissal.

**(c) Corrective Action Reporting.**

(1) Action Notice for Written Reprimands. All reprimands shall be documented on a corrective action report form. A record of the date, time and subject of a written reprimand shall be maintained in the official employee file. The employee shall be given an opportunity to review the report with his or her Manager, Supervisor or the Executive Director's designee. If the employee disagrees with the facts or conclusions contained in the report, he or she shall be permitted to submit, within ten (10) workdays after receiving the report a statement of disagreement. The statement shall clearly and concisely set forth the employee's reasons for disagreeing with the report. One copy of the employee's statement shall be appended to the report and shall become a part of it. If the employee has no comment or has not responded within the required time frame, the report shall be forwarded to the Executive Director or his or her designee. Upon completion of the approvals section of the disciplinary action report form, one copy shall be filed in the official employee file.

(2) The Manager, Supervisor, or Executive Director's designee will, if appropriate, complete periodic reviews of the employee's progress in correcting the cause of the original discipline. Such reports shall be made a part of the official employee file.

**(d) Corrective Action Procedure and Appeals**

(1) A suspension without pay, demotion, or dismissal for cause, shall be accomplished and reviewed only in accordance with the procedures stated in this section. No procedure or process is due for a dismissal without cause.

(2) The process of discipline begins with the immediate supervisor reporting misconduct or failure of performance with concurrence of the Executive Director or his or her designee.

(3) Before the Executive Director issues a notice to terminate employment, demote with a reduction in pay, or suspend without pay an employee, the Executive Director shall require a designee to investigate the basis for the proposed corrective action. The investigation shall include an interview of the employee with or without Legal Counsel, unless the employee has made him or herself unavailable. The employee shall be invited to submit a response in writing after the interview and it shall be included in the record of the matter. The findings and recommendations for action shall be prepared by the designee, and reviewed by Legal Counsel. In deciding what type of disciplinary action should be taken, the following shall be considered:

(i) Seriousness of the breach of discipline, misconduct, or failure of performance.

(ii) The circumstances surrounding the incident.

(iii) The past service record of the employee. The conduct should be considered within the context of the employee's total record. If the employee's record includes past misconduct, the action taken will ordinarily be more severe.

(iv) The Executive Director will consult with the Legal Counsel concerning action to be taken.

(4) The Executive Director shall issue a notice of action for all warnings and counseling.

(5) The Executive Director, with the signature confirmation of legal sufficiency by the Legal Counsel, based on the investigation, any follow-up after receiving the designee's report and after review of the proposed action by Legal Counsel, shall issue all notices of suspension or termination. The notice shall state any and all factual findings and reasons for the corrective action completely and concisely.

## § 60-40-205 Competitive Sealed Bidding

(a)–(h) [no changes]

(i) Notice of Intent to Award. After bid evaluation, a notice of intent to award the contract to the lowest responsive bid by a responsible bidder whose bid fully meets the requirements of the invitation for bids and this chapter shall be issued to all bidders. The notice of intent to award is not a promise or guarantee of award, and the intended bidder should not incur any costs based on either the notice of intent to award or reliance of a contract.

~~(i)~~(j) Award.

(1) The contract must be awarded with reasonable promptness by written notice to the lowest responsive bid by a responsible bidder whose bid fully meets the requirements of the invitation for bids and this chapter. The contract cannot be awarded less than five business days after the issuance of a notice of intent to award pursuant to subsection (i). Unsuccessful bidders shall also be promptly notified.

(2)(i) Notice of an award shall only be made by the presentation of a contract with all of the required signatures to the bidder. No other notice of an award shall be made orally or by letter. No acceptance of an offer shall occur nor shall any contract be formed until a Public School System contract is written and has been approved by all the officials required by law and regulation.

(ii) Public School System contract shall contain a clause which states that the signature of the private contractor shall be the last in time to be affixed to a contract and that no contract can be formed prior to the approval of all required Public School System officials.

(3) In the event all bids exceed available funds and the bid of the lowest responsive and responsible bidder does not exceed those funds by more than five per cent, and time or economic considerations preclude re-solicitation of work of a reduced scope, the Commissioner of Education may authorize the Chief to negotiate an adjustment of the bid price, including changes in bid requirements, with the lowest responsive and responsible bidder in order to bring the bid price within the amount of available funds. The negotiation shall be documented in writing and attached to the bidding documents.

## § 60-40-225 Competitive Sealed Proposals

(a)–(f) [no changes]

(g) Notice of Intent to Award. After proposal evaluation, a notice of intent to award the contract to the responsible offeror whose proposal is determined in writing to be the most advantageous to the Public School System, taking into consideration price and the evaluation factors set forth in the request for proposals, shall be issued to all offerors. The notice of intent to award is not a promise or guarantee of award, and the intended offeror should not incur any costs based on either the notice of intent to award or reliance of a contract.

~~(g)~~(h) Award. Award shall be made to the responsible offeror whose proposal is determined in writing to be most advantageous to the Public School System taking into consideration price and the evaluation factors set forth in the request for proposals. The award cannot be made less than five business days after the issuance of a notice of intent to award pursuant to subsection (g). No

other factors or criteria shall be used in the evaluation and the contract file shall contain the basis on which the award is made.

#### **§ 60-40-401 Protests to the Commissioner of Education**

(a) General

(1) Any actual or prospective bidder, offeror, or contractor who asserts a claim or asserts that it has been aggrieved or will be aggrieved in connection with the solicitation or award of a contract may protest to the Commissioner of Education. The protest shall be received by the Commissioner of Education in writing prior to the award of a contract ~~within ten days after such aggrieved person knows or should have known of the facts giving rise thereto.~~ The Commissioner of Education shall consider all protests or objections to the award of a contract, whether submitted before or after award. For competitive sealed bids and competitive sealed proposals, protests shall not be submitted before the issuance of a notice of intent to award. The written protest shall state fully the factual and legal grounds for the protest;

(2) Other persons, including bidders, involved in or affected by the protests shall be given notice of the protest and its basis in appropriate cases. The protesting party shall provide such notice and a copy of its protest to all other bidders involved in or affected by the protest and shall file a declaration or proof of service with the Commissioner of Education. Proof of notice is required by the protesting party to other bidders or proposers within ~~three~~ two days of filing its protest. These persons ~~shall also be advised that they~~ may submit their views and relevant information to the Commissioner of Education within ~~ten~~ five days after receiving notice by the protesting party. The Commissioner of Education may extend the period of time to submit views and relevant information if the Commissioner certifies that he/she believes the complexity of the matter requires a longer period of time. The submission of views may include any factual statements; briefs; memoranda; declarations; and other information which is relevant and necessary for the determination of the protest.

(3) The Commissioner of Education shall decide the protest within thirty calendar days after ~~all interested parties have submitted their views~~ the protest is filed unless the Commissioner certifies that the complexity of the matter requires a longer time, in which event the Commissioner shall specify the appropriate longer time. If the Commissioner of Education fails to render a decision or determination within such period, the protesting party may file its appeal to the Appeal Committee of the State Board of Education by filing such Notice of Appeal with the ~~Chairman~~ Chairperson through the Board Secretary at the State Board of Education Office, ~~Susupe, Saipan.~~ The submission of views may include any factual statements; briefs; memoranda; declarations; and other information that the Commissioner of Education or any party may submit which is relevant and necessary for the determination of the protest.

(4) When a protest, ~~before or after award,~~ has been appealed to the Appeal Committee, as provided in these procedures, the Commissioner of Education shall submit a report, and the Commissioner of Education should include with his/her report a copy of:

- (i) The protest;
- (ii) The bid submitted by the protesting bidder and a copy of the bid of the bidder who is being considered for award, or whose bid is being protested;
- (iii) The solicitation, including the specifications on portions relevant to the protest;
- (iv) The abstract of offers or relevant portions;
- (v) Any other documents that are relevant to the protest; and

(vi) The Commissioner of Education's signed statement setting forth findings, actions, and recommendations and any additional evidence or information deemed necessary in determining the validity of the protest. The statement shall be fully responsive to the allegation of the protest. If the award was made after receipt of the protest, the Commissioner of Education's report will include the determination prescribed in subsection (b)(3) below. The foregoing information submitted by the Commissioner of Education shall be considered the complete administrative record on appeal to the Appeal Committee unless the Appeal Committee supplements the record with additional testimony or evidence.

(5) Since timely action on protests is essential, they should be handled on a priority basis. Upon receipt of notice that an appeal from the Commissioner's decision has been taken to the Appeal Committee, the Commissioner of Education shall immediately begin compiling the information necessary for a report as provided in subsection (a)(4) above.

**(b) Protest Before Award**

(1) When a proper protest against the making of an award is received, the award shall be withheld pending disposition of the protest. The bidders whose bids might become eligible for award shall be informed of the protest. In addition, those bidders shall be requested, before expiration of the time for acceptance of their bids, to extend the time for acceptance to avoid the need for re-advertisement. In the event of failure to obtain such extensions of bids, consideration shall be given to proceeding with an award under subsection (b)(2) below.

(2) When a written protest is received, award shall not be made until the matter is resolved, unless the Commissioner of Education determines that:

- (i) The materials and services to be contracted for are urgently required;
- (ii) Delivery or performance will be unduly delayed by failure to make award promptly; or
- (iii) A prompt award will otherwise be advantageous to the Public School System.

(3) If award is made under subsection (b)(2) above, the Commissioner of Education shall document the file to explain the need for an immediate award. The Commissioner of Education also shall give written notice to the protester and others concerned of the decision to proceed with the award.

**(c) Protest After Award**

~~Although persons involved in or affected by the filing of a protest after award may be limited, in addition to the Commissioner of Education, at least the contractor shall be furnished the notice of the protest and its basis in accordance with subsection (a)(2) above. When it appears likely that an award may be invalidated and a delay in receiving the supplies or services is not prejudicial to the Public School System's interest, the Commissioner of Education should consider seeking a mutual agreement with the contractor to suspend performance on a no-cost basis.~~

**(d)(c) Computation of Time**

(1) Except as otherwise specified, all "days" referred to in this subpart are deemed to be working days of the Public School System. The term "file" or "submit" except as otherwise provided refers to the date of transmission.

(2) In computing any period of time prescribed or allowed by these procedures, the day of the act or event from which the designated period of time begins to run shall not be included.

## **§ 60-40-405 Appeals of Commissioner of Education's Decisions to the Board**

(a) **Jurisdiction; Exhaustion of Remedies.** A written appeal to the Appeal Committee from a decision by the Commissioner of Education may be taken provided that the party taking the appeal has first submitted a written protest to the Commissioner of Education and otherwise fully complied with § 60-40-401, and the Commissioner of Education has denied the protest or has failed to act on the protest within the time provided.

(b) **Form of Appeal.** No particular form of pleading is required for filing an appeal to the Appeal Committee. The appeal shall, however:

- (1) Include the name and address of the appellant;
- (2) Identify the name and number of the solicitation or contract;
- (3) Contain a concise, logically arranged, and direct statement of the grounds for appeal; and
- (4) Specifically request a ruling by the Appeal Committee.

(c) **Time for Filing an Appeal.** An appeal from the Commissioner of Education's decision must be received by the Appeal Committee not later than ~~ten~~ five calendar days after the appellant received the decision of the Commissioner of Education, or, in the event that the Commissioner of Education has not decided the protest, within ~~ten~~ three days from the date that the Commissioner should have decided the protest pursuant to § 60-40-401. Any appeal received after these time limits shall not be considered by the Appeal Committee unless good cause is shown or unless the Appeal Committee determines that the appeal presents issues significant to procurement practices that are not outweighed by the detriment to the Public School System should be appeal be considered.

(d) **Notice of Protest, Submission of Commissioner of Education's Report and Time for Filing of Comments on Report.**

(1) The ~~Chairman~~ Chairperson of the Appeal Committee, immediately upon appointment by the Board ~~Chairman~~ Chairperson, shall notify the Commissioner of Education in writing within one day of ~~the receipt of an appeal~~ appointment, requesting the Commissioner of Education to give notice of the appeal to the contractor if award has been made or, if no award has been made, to all bidders or proposers who appear to have a substantial and reasonable prospect of receiving an award if the appeal is denied (hereinafter in this section, "noticed parties"). The Commissioner of Education shall ~~be requested to furnish in accordance with § 60-40-401~~ be requested to furnish in accordance with § 60-40-401 copies of the protest and appeal documents to such noticed parties with instructions to communicate further directly with the Appeal Committee.

(2) The Appeal Committee shall request the Commissioner of Education to submit a complete report on the appeal to the Appeal Committee as expeditiously as possible (generally within thirty calendar days) in accordance with § 60-40-401(a)(3) and (4) and to furnish a copy of the report to the appellant and ~~other interested parties as defined in § 60-40-401(a)(2)~~ noticed parties.

(3) Comments on the Commissioner of Education's report shall be filed by the protesting party and any ~~interested~~ noticed party with the Appeal Committee within ~~ten~~ five days after the Appeal Committee's receipt of the report, with a copy to the Commissioner of Education, other interested noticed parties, and appellant, as applicable. The Appeal Committee may extend the period of time

to submit comments if the Appeal Committee certifies that it believes the complexity of the matter requires a longer period of time. Any rebuttal an appellant or interested party may care to make shall be filed with the Appeal Committee within five days after receipt of the comments to which rebuttal is directed, with a copy to the appellant, and interested parties, as the case may be. The Appeal Committee may, at its discretion, allow the protesting party, noticed parties, and the Commissioner of Education to submit rebuttals to the comments on the Commissioner of Education's report submitted by the protesting party and noticed parties. If rebuttals are permitted, the Appeal Committee may set deadlines for their submission. All rebuttal submissions must be forwarded by the rebutting party to the Commissioner of Education, protesting party, and other noticed parties.

(4) The failure of an appellant or any interested noticed party to comply with the time limits stated in this section may result in resolution of the appeal without consideration of the comments untimely filed.

(e) Withholding of Award. When an appeal has been filed before award, award shall not be made until the appeal is resolved, unless awarded is done in a manner consistent with § 60-40-401(b)(2), the Commissioner of Education will not make an award prior to resolution of the protest except as provided in this section. In the event the Commissioner of Education determines that award is to be made during the pendency of an appeal, the Commissioner of Education will notify the Appeal Committee.

~~(f) —Furnishing of Information on Protests. The Appeal Committee shall, upon request, make available to any interested party information bearing on the substance of the appeal which has been submitted by interested parties or agencies, except to the extent that the withholding of information is permitted or required by law or regulation.~~

~~(g)(f) Time for Submission of Additional Information. Any questions posed or additional information requested by the Appeal Committee shall be furnished as expeditiously as possible. The Appeal Committee may set a reasonable deadline for the submission of information or responses to questions. Any questions or requests, along with corresponding responses or submissions shall be made, upon request, available to any other interested party, except to the extent that the withholding of information is permitted or required by law. The Appeal Committee may allow for interested parties to comment on any answers or information submitted pursuant to this subsection in a manner and timeframe it deems reasonable, from the appellant or interested parties shall be submitted no later than five days after the receipt of such request. If it is necessary to obtain additional information from the Commissioner of Education, the Appeal Committee will request that such information be furnished as expeditiously as possible.~~

~~(h)(g) Conference. The Appeal Committee may conduct a conference on the merits of the appeal with the appellant and Commissioner of Education. Alternatively, either party may request such a conference to be held at the discretion of the Appeal Committee. The Appeal Committee has the discretion to include other parties at the conference.~~

~~(1) — A conference on the merits of the appeal with the Appeal Committee may be held at the request of the appellant, any other interested party, or the Commissioner of Education. A request for a conference should be made prior to the expiration of the time period allowed for filing comments on the agency report. Except in unusual circumstances, requests for a conference received after such time will not be honored. The Appeal Committee will determine whether a conference is necessary for resolution of the appeal and this determination is not subject to reconsideration.~~

~~(2) — The conference will normally be held prior to expiration of the period allowed for filing comments. All interested parties shall be invited to attend the conference. Ordinarily, only one conference will be held on an appeal.~~

~~(3) — Any written comments to be submitted and as deemed appropriate by the Appeal Committee as a result of the conference must be received by the Appeal Committee within five calendar days of the date on which the conference was held.~~

~~(4) — Time for Decision; Notice of Decision: The Appeal Committee shall, if possible, issue a decision on the appeal within thirty calendar days after all information necessary for the resolution of the appeal has been received. A copy of the decision shall immediately be mailed or otherwise transmitted to the appellant, other participating parties, and the Commissioner of Education.~~

(h) Time for Decision; Notice of Decision: The Appeal Committee shall, if possible, issue a decision on the appeal within thirty calendar days after all information necessary for the resolution of the appeal has been received. A copy of the decision shall immediately be mailed or otherwise transmitted to the appellant, other participating parties, and the Commissioner of Education.

~~(i) — Request for Reconsideration:~~

~~(1) — Reconsideration of a decision of the Appeal Committee may be requested by the appellant, any interested party who submitted comments during consideration of the protest, and the Commissioner of Education. The request for reconsideration shall contain a detailed statement of the factual and legal grounds upon which reversal or modification is deemed warranted, specifying any errors of law made or information not previously considered.~~

~~(2) — Request for reconsideration of a decision of the Appeal Committee shall be filed not later than ten days after the decision. The term "filed" as used in this section means receipt by the Appeal Committee. There shall be no further hearing nor conference on any request for reconsideration and the Appeal Committee shall decide on the request for reconsideration within five days.~~

~~(3) — A request for reconsideration shall be subject to these bid protest procedures consistent with the need for prompt resolution of the matter.~~

## § 60-40-425 Appeal Committee

The Appeal Committee is comprised of three members of the State Board of Education appointed by the Board Chairman Chairperson to hear any appeal under these provisions. ## § 60-30.2-720 Sick Leave

(a)-(c) [unchanged]

~~(d) The Commissioner of Education is granted the authority to create a universal sick leave pool to which employees may donate their sick leave if a colleague is in need of long-term sick leave and has used all of their sick and annual leave already. The commissioner is hereby vested with the power to create the policies needed to regulate the universal sick leave pool.~~

(d) Sick Leave Donations. The PSS is not a part of the Sick Leave Bank maintained by the Civil Service Commission and/or the Office of Personnel Management. Instead, a PSS employee may donate their sick leave to another PSS employee who is in need of long-term sick leave.

(1) Sick Leave Donation Requirements:

(i) Both recipient and donating employees must have been continuously employed by PSS for the previous 12 months.

(ii) Recipient employee must have already exhausted all other accrued leave. This includes, but is not limited to, annual leave, sick leave, and compensatory time off.

(iii) Recipient employee may only receive donations for use regarding their own illness or injury – not illnesses or injuries of immediate family members or others.

(iv) Recipient employee's request for sick leave donations cannot extend beyond the term of the employee's employment contract.

(v) Recipient employee cannot receive donated sick leave if the employee is on paid disability leave or absent because of an injury or illness covered by a worker's compensation claim.

(vi) An employee may not use more than 480 hours of donated sick leave during any 365-day period.

(vii) Donating employee must retain at least 80 hours of sick leave after any donation.

(2) Sick Leave Donation Application Requirements:

(i) Applications for receiving sick leave donations shall be done on forms available from the PSS Human Resources Office. The form may require documentation to verify the employee's illness or injury.

(ii) PSS may request additional documentation prior to approval.

(3) Sick Leave Donation; Disposition of Request:

(i) The Commissioner of Education shall grant or deny applications within 10 working days of receiving a request. This time shall be tolled if an applicant is gathering additional documents at the request of PSS.

(ii) The Commissioner of Education may partially grant an application, approving some but not all of the hours applied for.

(ii) Reasons for denying or reducing the hours granted in an application may include, but are not limited to:

(A) The employee's supervisor, with adequate justification, does not approve of the request.

(B) The employee is expected to be compensated for any lost work time through worker's compensation or some other means.

(C) The employee's claim of an illness or injury is not substantiated to the satisfaction of the Commissioner of Education.

(D) The Commissioner of Education has determined that it is in the best interests of the PSS to not grant, or only partially grant, the request.

(4) Accrual of Leave During Sick Leave Donation. An employee shall not earn, accrue, or avail themselves of any Annual Leave, Sick Leave, Administrative Leave, or any other leave while the employee is availing themselves of donated sick leave.

**Part 400 - Students**

**Subpart A - Nondiscrimination and Student Rights**

**§ 60-20-401 Discrimination and Harassment Prohibited**

(a)-(b) [unchanged]

**(c) Complaints**

(1) Any student who believes that he or she is a victim of discrimination or harassment should report the matter immediately to the building principal. If the student feels more comfortable speaking to someone other than the building principal, the student may inform any teacher, counselor or the ~~vice-principal PSS-EEO Officer~~. If the situation is not satisfactorily resolved by the building principal, the student or parent should contact the ~~PSS Human Resources Director PSS-EEO Officer~~.

(2) Students, parents and employees should review § 60-20-402 for more information regarding sexual harassment and follow the procedures set forth in § 60-20-402 to address discrimination or harassment of any kind on the basis of race, creed, religion, color, sex, sexual orientation, national origin, age, cultural or socioeconomic status or disabling condition.

(3) There will be no retaliation against, or adverse treatment of any student who uses this procedure to resolve a concern when such complaint has been brought in the good faith belief that the complainant has been subjected to discrimination or harassment.

(4) The responsible administrator shall follow up regularly with the complaining student to ensure that the discrimination and/or harassment has stopped and that no retaliation has occurred.

**(d) Discipline/Consequences**

(1) Any student who engages in discrimination and/or harassment while on school property or while participating in school activities will be subject to disciplinary action, up to and including expulsion.

(2) Any employee who permits or engages in the discrimination and/or harassment of students will be subject to disciplinary action, up to and including dismissal.

(3) Any employee who receives a complaint of discrimination and/or harassment from a student and who does not act promptly to forward that complaint to the principal ~~and PSS-EEO Officer~~ shall be disciplined appropriately.

(4) Any student who brings a false charge of discrimination and/or harassment shall receive appropriate discipline. The term "false charge" means charges brought in bad faith, that is, without the good faith belief that one has been subjected to sexual harassment. The term "false charge" does not include a charge that was brought in good faith but which the PSS was unable to substantiate.

~~(e) The PSS EEO Officer will be available to answer all questions regarding this regulation or its implementation.~~

**§ 60-20-402 Sexual Harassment of Students**

The Board of Education is committed to maintaining a learning environment for its students that

is free from sexual harassment. Furthermore, the Board of Education strongly believes that no person in the PSS shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any educational program or activity.

(a)-(c) [unchanged]

(d) Investigation of Sexual Harassment Complaints

(1) If a student believes he/she is being sexually harassed, the student should bring the concern to the attention of the building principal.

(2) If the student feels that such contact with the building principal would be inappropriate or if the student simply feels more comfortable speaking to someone other than the building principal, the student may inform any teacher, counselor or the vice principal PSS-EEO Officer for the PSS. If the situation is not satisfactorily resolved by the building principal, the student should contact the PSS Human Resources Director PSS-EEO Officer.

(3) If neither the student's building principal nor the PSS EEO Officer is of the same sex as the student, or the student for any other reason would prefer to report the student's concern to another administrator within the PSS, the student may do so. However, it is essential that the report be made to someone with the authority and obligation to act upon the concern. If for any reason the student would prefer to report their concern to another PSS official, the student may contact the PSS Legal Counsel's Office.

(4) Any teacher, counselor, or administrator who receives a report, orally or in writing, from any student regarding sexual harassment of that student or another student by a student or adult in the educational setting must forward that report to the building principal and the PSS Human Resources Director EEO Officer within twenty-four hours, or within a reasonable extension of time thereafter, for good cause shown.

(5) Oral complaints of sexual harassment will be put in writing by the complainant or by the person who receives the complaint, and should be signed by the complainant. However, the complainant's refusal to sign a complaint does not relieve the PSS of the obligation to investigate the complaint.

(6) A student who believes that he/she has been subjected to sexual harassment shall not be required to confront the alleged harasser prior to making the report.

(7) Following receipt of the report, PSS personnel will promptly and fully investigate the complaint and will notify the student and the alleged harasser of the results of the investigation. Investigations will be conducted with full recognition of the rights of all parties involved.

(8) Upon receipt of the report, the principal and/or the PSS Human Resources Director EEO Officer will appoint an investigator to investigate the complaint. Such investigation shall commence within forty-eight hours after such appointment.

(9) The PSS will maintain the confidentiality of the complaint and the details of the investigation to the fullest extent possible.

(10) The investigator will put his/her findings in writing and will forward a copy to the principal and the PSS Human Resources Director EEO Officer, and Legal Counsel's Office within two weeks after concluding the investigation, or within a reasonable extension of time thereafter, for good cause shown.

(11) If the investigation substantiates the complaint, the PSS will take appropriate disciplinary action against the offender(s), commensurate to the severity of the harassment (up to and including termination of employment). If the offender is another student, disciplinary action will

be taken in accordance with Board policies and regulations. If the offender is not an employee of the PSS, the PSS will take appropriate action within the scope of its authority to eliminate and redress the harassment.

(12) If the investigation is indeterminate, the matter will still be designated as unresolved, and the investigation file will be maintained by the PSS ~~Human Resources Director EEO Officer~~ in a file separate and apart from any student or personnel file.

(13) There will be no retaliation against or adverse treatment of any student who uses this procedure to resolve a concern when such complaint has been brought in the good faith belief that the complainant has been subjected to sexual harassment.

(14) The responsible administrator shall follow up regularly with the complaining student to ensure that the harassment has stopped and that no retaliation has occurred.

(e)-(f) [unchanged]

(g) Discipline/Consequences

(1) Any student who engages in sexual harassment while on school property or while participating in school activities will be subject to disciplinary action, up to and including expulsion.

(2) Any employee who permits or engages in the sexual harassment of students will be subject to disciplinary action, up to and including dismissal.

(3) Any employee who receives a complaint of sexual harassment from a student and who does not act promptly to forward that complaint to the principal and PSS ~~Human Resources Director EEO Officer~~ shall be disciplined appropriately.

(4) Any student who brings a false charge of sexual harassment shall receive appropriate discipline. The term "false charge" mean charges brought in bad faith, that is, without the good faith belief that one has been subjected to sexual harassment. The term "false charge" does not include a charge that was brought in good faith but which the PSS was unable to substantiate.

~~(5) The PSS EEO Officer will be available to answer all questions regarding this regulation or its implementation.~~

(h) Title IX Grievance Procedure (Sexual Harassment)

(1) Level 1: Principal or Immediate Supervisor (informal and optional -- may be bypassed by grievant)

An informal meeting with the parties and the principal or the ~~Human Resources Office-appointed mediator EEO Officer~~ can solve many problems. A student who believes that he/she has been subjected to sexual harassment is encouraged to first discuss it with the teacher, counselor, or building administrator involved with the objective of resolving the matter promptly and informally. If the individual's teacher/supervisor is the person alleged to have engaged in sexual harassment then the grievant should skip level 1 and go directly to level 2.

(2) Level 2: The Investigation

(i) If the complaint or issue is not resolved at level 1 or if the grievant chooses to skip level 1, the grievant may file a signed, written grievance stating:

(A) The nature of the grievance;

(B) The remedy requested; and

(C) The date the grievance was submitted.

The level 2 written grievance should be filed with the PSS ~~Human Resources Director EEO~~

~~Officer~~ within fifteen days of the event or incident, or from the date the grievant could reasonably become aware of such occurrence.

(ii) The PSS ~~Human Resources Director EEO Officer~~ may appoint an investigator to investigate a written grievance. If possible, the investigator will resolve the grievance. If the parties cannot agree on a resolution, the PSS ~~Human Resources Director EEO Officer~~ or appointed investigator will prepare a written report of the investigation that shall include:

- (A) A clear statement of the allegations of the grievance and remedy sought by the grievant.
- (B) A statement of the facts as contended by each of the parties.
- (C) A statement of the facts as found by the appointed investigator and identification of evidence to support each fact.
- (D) A list of all witnesses interviewed and documents reviewed during the investigation.
- (E) A narrative describing attempts to resolve the grievance.
- (F) The appointed investigator's conclusion as to whether the allegations in the grievance are meritorious.

(iii) The investigator shall consult with the ~~Human Resources Director and/or Legal Counsel's Office EEO Officer~~ during the investigation and attempted resolution of the grievance.

(iv) The appointed investigator will complete the investigation and file the report within thirty days after receipt of the written grievance. The investigator shall file the report with the ~~Human Resources Director and Legal Counsel's Office EEO Officer~~ and the ~~Human Resources Director EEO Officer~~ will make any necessary recommendations and forward the report to the Commissioner's office.

(v) If the Commissioner/designee agrees with the recommendations of PSS ~~Human Resources Director EEO Officer~~, the recommendations will be implemented. The Commissioner/designee will inform the grievant in writing of his or her decision and any action that will be taken.

(3) Level 3: The Board of Education

If the Commissioner rejects the recommendations of the ~~Human Resources Director EEO Officer~~, and/or either party is not satisfied with the recommendations from level 2, either party may make a written appeal within ten days of receiving the report of the Commissioner to the Board of Education. On receipt of the written appeal, the matter shall be placed on the agenda of the Board of Education for consideration within thirty days. A decision shall be made and reported in writing to all parties within thirty days of that meeting. The decision of the Board of Education will be final.

(4) Other Options for Grievant

At any time during this process, a grievant may file a complaint with the U.S. Department of Education, Office for Civil Rights, the Equal Employment Opportunity Commission and/or the Federal Omnibusman to the Commonwealth.

**§ 60-20-403 Bullying**

(a)-(b) [unchanged]

(c) Complaints

(1) Any student who believes that he or she is a victim of bullying should report the matter immediately to the building principal. If the student feels more comfortable speaking to someone other than the building principal, the student may inform any teacher, counselor or the ~~vice~~

~~principal PSS EEO Officer.~~ If the situation is not satisfactorily resolved by the building principal, the student or parent should contact the ~~PSS Human Resources Director PSS EEO Officer.~~

(2) There will be no retaliation against, or adverse treatment of any student who uses this procedure to resolve a concern when such complaint has been brought in the good faith belief that the complainant has been subjected to bullying.

(3) The responsible administrator shall follow up regularly with the complaining student to ensure that the bullying has stopped and that no retaliation has occurred.

(d) Discipline/Consequences

(1) Any student who engages in bullying while on school property or while participating in school activities will be subject to disciplinary action, up to and including expulsion.

(2) Any employee who permits or engages in the bullying of students will be subject to disciplinary action, up to and including dismissal.

(3) Any employee who receives a complaint of bullying from a student and who does not act promptly to forward that complaint to the principal ~~and PSS EEO Officer~~ shall be disciplined appropriately.

(4) Any student who brings a false charge of bullying shall receive appropriate discipline. The terms "false charge" means charges brought in bad faith, that is, without the good faith belief that one has been subjected to bullying. The term "false charge" does not include a charge that was brought in good faith but which the PSS was unable to substantiate.

~~(e) The PSS EEO Officer will be available to answer all questions regarding this regulation or its implementation.~~

### § 60-30.2-516 Filing of the Complaint

(b) The Commissioner shall designate no fewer than five ~~PSS employees program specialists from PSS~~ to serve as ~~investigators counselors~~. This report shall be confidential and shall not be provided to the parties or be made a part of any employee's personnel file.

#### **§ 60-30.3-428 Commissioner's Decision**

Based on the ~~final EEO~~ report and a meeting with the employee in which the employee may present his or her grievance, the Commissioner shall review the grievance and determine an appropriate resolution. The decision of the Commissioner shall be in writing and shall be issued within fourteen days of receiving the ~~final EEO~~ report.

#### **§ 60-30.1-935 Confidentiality of Personnel Files**

(a)-(d) [unchanged]

#### **(e) PSS Personnel Exempt From These Requirements**

The Commissioner of Education, individuals assigned to the Personnel Services Office and given prior written authorization by the Commissioner of Education, ~~and legal counsel, and the Equal Employment Opportunities Office~~ are exempt from the requirements of this regulation and are given free access to personnel files, limited by relevant laws, rules, and regulations. Employees

have a right to review their own personnel file, absent information regarding previous reviews by PSS personnel, internal investigations, security checks, and privileged information. They must however, file a form and receive authorization pursuant to this regulation from the Commissioner.

(f)-(g) [unchanged]

#### **§ 60-30.2-102 PSS Recruiters**

(a)-(b) [unchanged]

(c) The Commissioner shall only designate those persons to be PSS recruiters who have been trained by the ~~Human Resources Office and Legal Counsel's Office~~ ~~Equal Employment Officer or the legal counsel~~ on the legal restrictions and requirements of the interview process.

#### **§ 60-30.3-116 PSS Interviewers**

(a)-(b) [unchanged]

(c) The Commissioner shall only designate those persons to be PSS interviewers who have been trained by the ~~Human Resources Office and Legal Counsel's Office~~ ~~Equal Employment Officer or the legal counsel~~ on the legal restrictions and requirements of the interview process. Any person who has been designated as a "PSS recruiter" for certified personnel automatically meets this requirement.

#### **§ 60-60-505 Equal Opportunity Employment; Discrimination Prohibited**

(a)-(c) [unchanged]

(d) Complaints and Investigations Involving Employees

(1) Any employee who believes that he or she is a victim of discrimination or harassment or who observes discrimination or harassment of a student or co-worker should report the matter immediately to the employee's supervisor or Head Start Director ~~and the PSS Equal Employment Opportunity (EEO) Officer.~~

(2) If the employee feels that such contact with the supervisor would be inappropriate, if the supervisor does not satisfactorily resolve the situation, or if the employee simply feels more comfortable speaking with someone other than the supervisor, the employee should contact the ~~EEO Officer for the Public School System~~ ~~Head Start Director or PSS Human Resources Director.~~

(3) Any supervisor/administrator who receives a report, orally or in writing, from any employee regarding discrimination of that employee by another employee, non-employee doing business with the Head Start Program, or student must notify the ~~EEO Officer, Head Start Director and PSS Human Resources Director~~ within twenty-four hours or within a reasonable time thereafter.

(4) Oral complaints of discrimination will be put in writing by the complainant or by the person who receives the complaint, and should be signed by the complainant. However, the complainant's

refusal to sign a complaint does not relieve the Head Start Program of the obligation to investigate the complaint.

(5) An employee who believes that he/she has been subjected to discrimination shall not be required to confront the alleged harasser prior to making the report.

(6) Following receipt of the report, the appropriate Head Start personnel will promptly and fully investigate the complaint and will notify the employee and the alleged harasser of the results of the investigation. Investigations will be conducted with full recognition of the rights of all parties involved.

(7) Upon receipt of the report, the ~~EEO-Office~~ PSS Human Resources Director will appoint an investigator to investigate the complaint. The investigation shall commence within forty-eight hours after such appointment.

(8) The Head Start Program will maintain the confidentiality of the complaint and the details of the investigation to the fullest extent possible.

(9) The investigator will put his/her findings in writing and will forward a copy to ~~PSS-EEO Office~~ the Head Start Director, PSS Human Resources Director, and Legal Counsel's Office within one week after concluding the investigation, or within a reasonable extension of time thereafter, for good cause shown.

(10) If the investigation substantiates the complaint, the Head Start Program will take appropriate disciplinary action against the offender(s), commensurate to the severity of the discrimination (up to and including termination of employment). If the offender is a student, disciplinary action will be taken in accordance with Board policies and regulations regarding student conduct. If the offender is not an employee of the Head Start Program, the Head Start Program will take appropriate action within the scope of its authority to eliminate and redress the discrimination.

(11) If the investigation is indeterminate, the matter will be designated as unresolved, and the investigation file will be maintained by the PSS Human Resources Director ~~EEO-Office~~ in a file separate and apart from any student or personnel file.

(12) There will be no retaliation against or adverse treatment of any employee who uses this procedure to resolve a concern when such complaint has been brought in the good faith belief that the complainant has been subjected to discrimination and/or harassment.

(13) The responsible administrator shall follow up regularly with the complaining employee to ensure that the discrimination and/or harassment has stopped and that no retaliation has occurred.

(14) If the complainant is not satisfied with the resolution of the complaint, then he or she may appeal to the Commissioner pursuant to the grievance procedures set forth in § 60-60-970.

(15) Head Start employees must follow the Head Start Program's policies and procedures for complaints and investigations involving employees.

(e)-(g) [unchanged]

(h) Discipline/Consequences for Employees

(1) Any employee who engages in the discrimination or sexual harassment of anyone while on school property, or while in the employ of the Head Start Program off school property will be subject to disciplinary action, up to and including dismissal. Any employee who permits or engages in the sexual harassment of a student will be subject to disciplinary action, up to and including dismissal.

(2) Any employee who receives a complaint of discrimination or sexual harassment from a student and who does not act promptly to forward that complaint to the immediate supervisor or Head Start Director ~~and the EEO Officer~~ shall be disciplined appropriately.

(3) Any employee who retaliates, or engages in conduct that could be interpreted as retaliation, against any person who has made a complaint of discrimination or sexual harassment or who has participated in the investigation of a complaint of discrimination or sexual harassment will be subject to discipline, up to and including dismissal.

(4) Any non-employee doing business with the Head Start Program who engages in discrimination or sexual harassment, or who retaliates against any person who has made a complaint of discrimination or who has participated in the investigation of a complaint of discrimination, will be subject to discipline to the extent that the Head Start Program has control over the non-employee and his/her employer.

(5) Any employee who brings a false charge of discrimination or sexual harassment shall receive appropriate discipline. The term "false charge" means a charge brought in bad faith, that is, without the good faith belief that one has been subjected to discrimination or sexual harassment. The term "false charge" does not include a charge that was brought in good faith, but which the Head Start Program was unable to substantiate.

(i) [unchanged]

(j) Grievance Procedure

(1) Level 1: Immediate Supervisor (Informal and optional - may be bypassed by grievant)

Many problems can be solved by an informal meeting with the parties and the immediate supervisor or Head Start Director. Employees with a discrimination or sexual harassment complaint are encouraged to first discuss it with their immediate supervisor or Head Start Director with the same objective. If the individual's supervisor or Head Start Director is the person alleged to have engaged in the discrimination or sexual harassment then the grievant should skip level 1 and go directly to level 2.

(2) Level 2: Written Grievance

(i) If the complaint or issue is not resolved at level 1 or if the grievant chooses to skip level 1, the grievant may file a signed, written grievance stating:

(A) The nature of the discrimination/harassment;

(B) The remedy requested; and

(C) The date discrimination/harassment occurred.

The level 2 written grievance should be filed with the ~~PSS Human Resources Director EEO Officer~~ within fifteen days of the event or incident, or from the date the grievant could reasonably become aware of such occurrence.

(ii) The ~~PSS Human Resources Director EEO Officer~~ may appoint an investigator to investigate all written grievances. If possible, the investigator will resolve the grievance. If the parties cannot agree on a resolution, the ~~coordinator investigator~~ will prepare a written report of the investigation that shall include the following:

(A) A clear statement of the allegations of the grievance and remedy sought by the grievant.

(B) Statement of the facts as contended by each of the parties.

(C) A statement of the facts as found by the investigator and identification of evidence to support each fact.

(D) A list of all witnesses interviewed and documents reviewed during the investigation.

- (E) A narrative describing attempts to resolve the grievance.
- (F) The investigator's conclusion as to whether the allegations in the grievance are meritorious and recommendations.
- (iii) The investigator shall consult with the PSS Human Resources Director and/or Legal Counsel's Office EEO-Officer during the investigation and attempted resolution of the grievance.
- (iv) The appointed investigator will complete the investigation and file the report within thirty days after receipt of the written grievance. The investigator shall file the report with the PSS Human Resources Director and Legal Counsel's Office EEO-Officer and the PSS Human Resources Director EEO-Officer will make any necessary recommendations and forward the report to the Head Start Director and Commissioner's office. The Head Start Director will notify the Head Start Policy Council of the situation and will give them updates on the investigation and findings.
- (v) If the Commissioner/designee, with the concurrence from the Head Start Director and Head Start Policy Council, agrees to the recommendation of PSS Human Resources Director EEO-Officer, the recommendations will be implemented. The Commissioner/designee will inform the grievance in writing of his or her decision and any action that will be taken. A copy of the decision will be given to the Head Start Policy Council for their information and records.
- (3) Level 3: Appeal to the Board and HPC
- If the Commissioner rejects the recommendations of the coordinator, and/or either party is not satisfied with the recommendations from level 2, either party may make a written appeal within ten days of receiving the report of the Commissioner to the Head Start Policy Council and the Board of Education. On receipt of the written appeal, the Chairperson of the Board of Education shall appoint two Board members and the Head Start Policy Council Chairperson shall appoint three members to a hearing panel. The hearing panel shall elect a chief hearing officer who shall schedule a hearing to be held within forty-five days of the employee's request for an appeal. The date shall be set with due regard for the needs of the Head Start Program and the employee to have sufficient time to adequately prepare. A decision shall be made and reported in writing to all parties within thirty days of the hearing. The decision of the hearing panel will be final.
- (4) Other Options for Grievant
- At any time during this process, a grievant may file a complaint with the U.S. Department of Education, Office for Civil Rights, the Equal Employment Opportunity Commission and/or the Federal Ombudsman to the Commonwealth.

~~(4) The PSS EEO-Officer will be available to answer all questions regarding the regulation in this section and its implementation.~~

## § 60-60-515 The Hiring Process

(a)-(c) [unchanged]

(d) Interviewing

(1) As stated, an interview committee shall be formed and consist of the Head Start Director, the appropriate site coordinator (if applicable), an HPC member, and a PSS HRO representative. The Commissioner of Education will authorize members of the interview committee to interview applicants for employment upon completion of training by the Human Resources Office and Equal

~~Employment Opportunity Officer or PSS legal counsel~~ **Legal Counsel's Office** on the requirements and legal restrictions of the hiring process.

(e)-(h) [unchanged]

#### **§ 60-60-640 Family and Medical Leave**

The Board of Education recognizes that leaves of absence are occasionally necessary due to family or medical reasons. The PSS has adopted detailed procedures to ensure compliance with the Family and Medical Leave Act of 1993 (FMLA). As provided by PSS regulation, eligible employees are entitled to use up to twelve workweeks of unpaid leave for family and medical reasons. ~~The Board of Education has designated the EEO Officer to act as FMLA Compliance Officer. The EEO Officer will regularly evaluate the PSS FMLA compliance to ensure fair and equitable opportunities for all eligible employees.~~

(a)-(i) [unchanged]

#### **§ 60-60-960 Sexual Harassment**

(a)-(g) [unchanged]

##### **(h) Investigation of Sexual Harassment Complaints**

Any employee who believes that he or she is a victim of discrimination or harassment or who observes discrimination or harassment of a student or co-worker should follow all of the procedures set forth in § 60-60-505 starting with reporting the matter immediately to the employee's supervisor or ~~Head Start Director and Human Resources Director~~ **school principal and the PSS Equal Employment Opportunity (EEO) Officer** as stated § 60-60-505(d).

#### **§ 60-60-970 Staff Dispute Resolution**

(a)-(d) [unchanged]

##### **(e) Filing of the Complaint**

(1) If the employee is unable to settle the grievance by consulting his/her supervisor, a grievance action may be commenced by filing a written complaint. The complaint must specify:

- (i) The identity of the aggrieved employee and the employee's work assignment,
- (ii) The details of the grievance,
- (iii) The corrective action desired, and
- (iv) The outcome of the employee's discussion with his/her supervisor.

(2) The complaint must be filed with the Human Resources Director EEO Officer (EEO). There is no time limit for the filing of complaints; however, unreasonable delay in filing may reflect poorly on its merits or its importance to the employee.

(3) ~~Equal Employment Officer~~ The Human Resources Director EEO shall be responsible for the coordination and management of the grievance system. The Commissioner shall designate no fewer than five PSS employees administrators and program managers from Head Start Program to serve as investigators counselors. The Legal Counsel's Office EEO shall establish a training program on mediation, discrimination, the Head Start regulations, the standard employment contract and other topics likely to arise within the scope of grievances for the investigators counselors. Each of designees shall complete the course of training to qualify as an investigators counselors.

(4) Upon receipt of a complaint, the Human Resources Director EEO shall ~~may~~ assign a qualified investigator counselor to the matter.

(5) ~~If the Human Resources Director recuses themselves from a particular grievance due to a conflict of interest, the Commissioner of Education shall designate a PSS employee to coordinate the grievance. For purposes of that grievance, the designee shall fulfill the Human Resources Director's duties as outlined in this Part.~~

(f) Mediation

(1) The investigator EEO Officer or counselor shall review the complaint, meet individually with the employee and supervisor, review the employee's personnel file and contract, interview co-workers and administrators, if appropriate, and do all acts necessary and proper to understand the grievance and its circumstances prior to any mediation. When he/she deems it to be more productive the counselor may decide to conduct the mediation without the presence of the supervisor.

(2) The investigator counselor may seek advice at any time from the Human Resources Office and/or Legal Counsel's Office. ~~Prior to any mediation meeting, a counselor shall confer with the EEO regarding the goals and objectives of the meeting and obtain prior approval for any proposed resolution.~~

(3) The investigator EEO Officer or counselor shall set a mediation meeting for a date within fourteen days of the receipt of the complaint by the Human Resources Director EEO and shall notify the employee, the supervisor, and any involved Head Start Program administrator or employee of the time and place of the meeting. A person shall be considered "involved" if it is that person's action or inaction that is the subject of the complaint.

(4) The investigator EEO Officer or counselor shall meet with the employee, supervisor and involved person, together, and, through mediation, attempt to bring about a speedy and just resolution to the grievance through facilitating the formation of an agreement among the affected individuals.

(g) Report

The investigator counselor shall prepare a written report to the Human Resources Director EEO on whether or not an agreed disposition of the matter was reached, ~~the factual background of the grievance~~ the nature of the disposition, the reasons for any failure to resolve the problem and if it was not resolved, the issues raised by the grievance and how the investigator counselor believes

they should be resolved. This report shall be confidential and shall not be provided to the parties or be made a part of any employee's personnel file.

(h) Commissioner's Review

(1) In the event that mediation fails to result in an agreed disposition, an employee may request that his/her grievance be reviewed by the Commissioner. The employee must make such a request in writing to the Human Resources Director EEO within thirty days of the mediation.

(2) The Human Resources Director EEO shall, based upon the report of the investigator counselor, conduct any necessary follow-up investigation in order to prepare a final report ~~and a recommendation of an appropriate resolution~~ to the Commissioner. The report shall be submitted to the Commissioner within thirty days of receiving the request for a review. This report shall be confidential and shall not be provided to the parties or be made a part of any employee's personnel file.

(3) Based on the final EEO report and a meeting with the employee in which the employee may present his/her grievance, the Commissioner shall review the grievance and determine an appropriate resolution. The decision of the Commissioner shall be in writing and shall be issued within fourteen days of receiving the final EEO report and will notify the Head Start Policy Council and Director of his/her decision.

#### § 60-60-1005 Discipline and Due Process

(a)-(e) [unchanged]

(f) Initiating Discipline - Due Process

(1) Before any employee is dismissed, suspended, reduced in rank or reduced in pay, the disciplinary procedures set forth in this and the following subsections must be followed.

(2) A formal reprimand and the non-renewal of an employment contract do not require that the procedures in this and the following subsections be followed.

(3) Notice of Charges - The management official must provide written notice to the employee of the charges by citing the regulation violated, explaining the evidence against the employee and stating the proposed disciplinary action. The employee must also be informed, in writing, of the opportunity to be heard in a pre-discipline hearing. A copy of the notice shall be provided to the Commissioner, and Head Start Policy Council and Director, ~~and the EEO. The management official shall not file any notice of charges without those charges being reviewed and approved first by the Equal Employment Officer (EEO).~~

(4) Pre-discipline Hearing - If requested by the employee, a hearing shall be held within ten days of delivering notice to the employee. The date set shall take into consideration how much time may be needed by the employee and Head Start Program to prepare for the pre-discipline hearing. The hearing shall be before the Commissioner/designee. The designee may not be a Deputy Commissioner whose concurrence was sought for the initiation of the adverse action. At the hearing, the employee shall have the opportunity to present his/her side of the story, to convince the Commissioner that the proposed discipline is a mistake, or that the reasons for the discipline are either not supported by the facts or are less compelling than they appear. The employee may waive this hearing or decide only to present his/her position in writing rather than in person.

(5) **Commissioner's Decision** - The Commissioner/ designee who conducted the pre-discipline hearing shall decide in writing within ten days of the hearing, with input from the Head Start Policy Council and Director, whether any regulation has been violated, the facts that support the finding of a violation, whether discipline is warranted and, if so, what discipline is appropriate. The decision shall state when the discipline takes effect. Only the charges contained in the notice can be the basis for any disciplinary action.

(6) **Suspension Pending Decision** - The employee cannot be suspended without pay before the pre-discipline decision. The management official should permit the employee to continue to work during this period, utilizing a temporary reassignment, if necessary. In the event that continued employment will pose a risk of harm to students or co-employees, or a risk of disrupting the educational process, then the management official may suspend the employee with pay.

(7) **Discipline After Decision** - Once the pre-discipline decision has been rendered, the disciplinary action can take place even though a formal due process hearing is requested. The Commissioner with approval from the Head Start Policy Council has the discretion whether to postpone the discipline, whether suspension is appropriate (with or without pay) or whether to effectuate the decision prior to the formal hearing. All pre-disciplinary decisions not appealed by the employee will be subject to the approval of the Head Start Policy Council before implemented.

Commission Comment: See the commission comment to § 60-30.2-201.

The Commission created the section title and inserted "Attachment #1" on the "Highly Qualified Teachers Requirements Compensation Plan" set forth on the next page. For the original "Highly Qualified Teachers Requirements Compensation Plan," see 28 Com. Reg. 26303 (Oct. 30, 2006).

The 2006 amendments changed this entire section by replacing former subsections (a) through (c) and adding Attachment #1.

In codifying 39 Com. Reg. 39765, the Commission replaced Attachment 1 with the "Highly Qualified Teacher (HQT) Requirements and Compensation Plan" and Attachment 2 with the "Highly Qualified Counselor (HQC) Requirements and Compensation Plan" located at 39 Com. Reg. 39662-3.

39 Com. Reg. 39765 also included three schedules: Schedule 1, Non-Certified Salary Schedule; Schedule 2, Classroom Instructor Salary Schedule; and Schedule 3, Teacher Aide, Library Aide Salary Schedules, located at § 60-30.1-412.

In codifying 40 Com. Reg. 40577, the Commission replaced Attachment 1 "Highly Qualified Teacher (HQT) Requirements and Compensation Plan" and Attachment 2 "Highly Qualified Counselor (HQC) Requirements and Compensation Plan" with Attachment 1 "Highly Qualified Teacher, School Counselor, and Librarian Requirements and Compensation Plan." The text of § 60-30.2-215 was not modified by 40 Com. Reg. 40577.

The Commission renumbered the subsections in both (a) and (b) for consistency. The Commission comments below refer to the pre-2014 version of the section.

In the first sentence of subsection (a)(1)(i), the Commission deleted the “to” before “possess” to correct a manifest error. The Commission changed “bachelors” to “bachelor’s” in subsection (b) to correct a manifest error. The Commission changed “jury” to “perjury” in subsection (b)(1)(ii) and “instructional” to “instruction” in subsection (b)(2)(ii)(C) to correct manifest errors. The Commission made “method” in subsection (d)(2)(i)(E) and “foundation” in subsection (d)(2)(vii)(A)(5) plural to correct manifest errors. The Commission changed “specialized fields area” to “specialized field areas” in subsections (e)(2)(i) and (e)(2)(ii) to correct a manifest error. The Commission added final periods in numerous subsections.

The March 2004 notice of adoption changed the proposed language of subsection (a)(1)(i), added a new subsection (a)(1)(ii) and redesignated subsection (a)(1)(iii) accordingly. The October 2004 amendments added new subsections (a)(1)(iii)(G), (c)(1)(iv) and (e)(1)(i), redesignated the provisions of subsection (e)(1) and amended subsections (c)(1)(i) and (d)(1)(i).

See also the commission comment to § 60-30.2-201.

The August 2005 amendments amended subsections (d)(3) and (e)(3). The September 2005 amendments added new subsection (b)(1)(iv) and amended subsections (a)(1)(iii)(G), (c)(1)(iv), (d)(3) and (e)(3).

The amendments adopted in August 2006 amended section (c)(1)(iv). The October 2006 amendments changed “provisional” to “basic” and “basic” to “basic II” throughout this section and created a basic instructor certificate (subsection(a)(1)(ii)).

In codifying 40 Com. Reg. 40575, the Commission inserted the tables and numbered each as an Attachment (1–5). In codifying 40 Com. Reg. 40579, the Commission calculated the effective date of April 7, 2018.

### (e) Interim Suspension

- (1) No suspension or revocation shall take effect until a hearing, if requested, has reached a final judgment, pursuant to 1 CMC § 9111(a).
- (2) If the Commissioner finds that public health, safety, or welfare imperatively requires it, the emergency summary suspension of a certificate may be ordered by writing to the Certification Officer the reasons supporting the summary suspension of the certificate. If approved by the Certification Officer, the certificate will be immediately suspended pending proceedings for revocation or other action pursuant to 1 CMC § 9111(b).

### (f) Opportunity for Formal Hearing

- (3) The Chairperson of the Board of Education shall schedule a hearing date within forty-five days of the employee's request for a hearing. The date shall be set with due regard for the need of PSS to take action on the suspension or revocation and for the need of the employee to have sufficient time to adequately prepare a defense. The hearing shall not be scheduled for a date earlier than twenty days after providing notice of the proposed action, as required by 3 CMC § 1183(e).
- (4) The Chairperson shall provide a date for the exchange of witness lists and documents intended to be introduced at the hearing. The Chairperson may also hold a pre-hearing conference to accomplish one or more of the following tasks:

---

(iii) Estimate the length of the hearing;

**(h) Burden of Proof**

The Commissioner/designee or the Certification Officer shall have the burden of proving the charge or decision by a preponderance of the evidence.

**(i) Conduct of Hearing**

(1) The hearing shall commence with a reading of the complaint or the decision of the Commissioner/designee or Certification Officer.

(2) Each side shall be permitted to make an opening statement. The PSS legal counsel shall present evidence to support the findings of the Commissioner/designee subject to cross-examination.

(3) The employee/applicant may present evidence to rebut the charges, or findings, subject to cross-examination. Each side may present rebuttal evidence.

(4) After all the evidence has been presented, a closing argument may be offered on behalf of the Commissioner/ designee or Certification Officer. (5) Proceedings hereunder shall be conducted consistent with the requirements of 1 CMC § 9109.

(6) A recording shall be made of the proceeding to serve as the official record.

**(j) Evidence**

(1) The formal rules of evidence do not apply. Any relevant evidence of probative value is admissible with only the weight assigned to it affected by its nature.

(2) A notary shall administer oaths to witnesses.

(3) Hearsay evidence shall be admissible and may constitute sufficient evidence if relevant and probative, of a kind that responsible persons are accustomed to relying upon in serious affairs, and such that a reasonable mind would accept the evidence as adequate to support a conclusion of ultimate fact.

(4) Where suspension, revocation or the denial of a certificate depends upon the proof of the commission of a crime, proof need only be by substantial evidence and not proof beyond a reasonable doubt. An acquittal on criminal charges is not a bar to a certificate's denial, suspension or revocation. A certified copy of conviction shall constitute prima facie evidence of the commission of the crime, which may be rebutted by a substantial showing of circumstances tending to disprove its commission.

**(k) Decision**

(1) The decision-making process must comply with 1 CMC § 9110.

(2) The attorney for the Commissioner/designee shall not participate in the private deliberations of the Board of Education.

(3) The Commissioner or Certification Officer shall issue a written decision with findings of fact and conclusions of law, and the reasons or bases for them, on all the material issues of fact and law presented on the record and an appropriate order invoking or denying a sanction, or in the case of a review, affirming or reversing a certification decision.

## **TITLE 60: BOARD OF EDUCATION**

(4) The written decision and order shall be served on the employee/applicant within forty-five days of the completion of the hearing process.

(l) **Appeal**

**NOTICE OF IMPLEMENTATION OF FINANCIAL AUSTERITY MEASURES**

---

Part XII, Subpart A of the Personnel Service System Rules and Regulations, codified at NMIAC § 10-20.2-1101, provides that,

At any time the governor declares by directive the need for financial austerity measures that affect the Civil Service System, all provisions in this subchapter that require increases in employees' salaries due to permanent or temporary promotions, acting or detail assignments, reallocation or reclassification of positions, and step increases based on attendance at workshops or other training programs, will be suspended upon announcement by the Civil Service Commission of such suspension in the Commonwealth Register.

By memorandum dated February 6, 2019, the Governor declared the need for financial austerity measures that affect the Civil Service System. In the memorandum, the Governor states that as a result of the disasters of two typhoons, "the present financial status of the Commonwealth Government has been greatly impacted and as such, routine promotions are not possible at this time." Because of the financial impact, the Governor requested the Civil Service Commission to implement the fiscal austerity measures provided for under Part XII of the Personnel Service System Rules and Regulations. The Governor then followed up this request with Directive No. 2019-002 stating that the impact of the two typhoons on the Commonwealth's financial status required the suspension of the Civil Service System's within-grade increase and merit award programs.

The Civil Service Commission hereby gives public notice that Part XII, Subpart A, codified at NMIAC § 10-20.2-1101 is in effect. Accordingly, all provisions in the Personnel Service System Rules and Regulations that require increases in employees' salaries due to permanent or temporary promotions, acting or detail assignments, reallocation or reclassification of positions, and step increases based on attendance at workshops or other training programs are suspended effective immediately.

---

I hereby approve the attached Notice of Implementation of Financial Austerity Measures, and further certify that the attached Notice of Implementation of Financial Austerity Measures is a true copy of the Notice as adopted by the Civil Service Commission.
