Commonwealth of the Northern Mariana Islands
Office of the Governor
DEPARTMENT OF PUBLIC LANDS

**PUBLIC NOTICE OF PROPOSED AMENDMENTS
TO THE TEMPORARY OCCUPANCY RULES AND REGULATIONS
TO PROVIDE FOR QUARTERLY RENT PAYMENTS**

NOTICE OF INTENDED ACTION: The Commonwealth of the Northern Mariana Islands, Office of the Governor, Department of Public Lands (DPL) intends to amend the Temporary Occupancy Rules and Regulations pursuant to the procedures of the Administrative Procedure Act (APA), 1 CMC § 9104(a), to provide for payment of Base Rent on a quarterly basis in the second and subsequent years of a lease term, and to authorize DPL to amend existing leases accordingly with the agreement of existing lessees.

AUTHORITY: These amendments are promulgated under the authority of the Department of Public Lands pursuant to 1 CMC § 2806 to develop administrative policies, procedures, and controls related to public land.

TERMS AND SUBSTANCE: DPL's Temporary Occupancy Rules and Regulations are currently silent regarding the payment schedule for Base Rent. However, the Lease Agreement form contained in Appendix A provides that the Lessee shall pay Base Rent "in advance on an annual basis on each anniversary of the Commencement Date without invoice, notice, or other demand upon or to Lessee," and DPL regulations require all leases to be in a form substantially similar to that form. Because each lessee's rent for the year is due in full on the Commencement Date and annually thereafter, there are some periods throughout the fiscal year in which DPL receives very little revenue. Due to recent changes to DPL's accounting practices, including more frequent remittances of surplus revenues to the Marianas Public Land Trust (MPLT), DPL no longer maintains a reserve of funds that can accommodate periods in which very few annual rent payments are payable to DPL. Amending the regulation and existing leases to provide for quarterly payments of base rent will allow DPL to more effectively manage public lands by making DPL's revenue more consistent from quarter to quarter.

CITATION OF AFFECTED REGULATIONS: The proposed amendment will revise existing regulatory language in the following regulations:

NMIAC § 145-70-110	Lease Agreement Requirements
NMIAC § 145-70-115	Lease Form

DIRECTIONS FOR FILING AND PUBLICATION: The proposed amendment shall be published in the Commonwealth Register in the section on proposed and newly adopted regulations (1 CMC § 9201(a)(1)) and posted in convenient places in the civic center and in local governmental offices in each senatorial district, both in English and in the principal vernacular (1 CMC § 9104(a)(1)).

Part 100 – Lease Policies

§ 145-70-110 Lease Agreement Requirements

DPL shall include in lease agreements provisions typical of commercial practices. All public land leases are on a “triple net” basis “as is where is”. All leases shall conform to the following provisions:

* * *

(e) Rental rates.

Rent derived from public lands shall be based on the value of the property, and actually computed and collected on that basis; provided, that the DPL shall, within the limits set by fiduciary duty and the provisions of Public Law 15-2 and 20-84, have discretion in negotiating basic rents and additional rents upward taking into account changing economic conditions and other relevant trends and factors including other land transactions deemed substantially similar to the proposed lease. For the avoidance of doubt the Secretary of DPL may determine that a property’s true value is greater (but not less than) an appraised value determined by independent appraisal.

* * *

(2) Basic Rent shall be based on the value of the fee simple title to the property. It is the policy of DPL to collect at least 5% of a property’s value each year for the term of the lease as base rent. Notwithstanding this policy, DPL may, at the Secretary’s discretion, approve a base rent below 5% for the initial five (5) year term of a lease if such rate is justified by:

- (i) prevailing market conditions as documented by a comparative market analysis, vacancy and absorption rate report, market outlook or trend analysis, or similar analysis; or
- (ii) demonstrated economic hardship as documented by government reports including GDP data, unemployment rates, inflation statistics, declines in sector-specific revenue (e.g., tourism downturns), or local or federal declarations of economic disaster or recession or emergency.

In addition, DPL may cap the base rent at \$4 million for a large development project that will require more than two years to complete if DPL determines that the capital investment in the project will be no less than \$36 million and will benefit the economic development of the Commonwealth. The lessee shall pay the base rent for the first year of the lease term in advance on the Commencement Date, and shall pay the base rent for all subsequent years of the lease term on in advance on a quarterly basis on the anniversary of the Commencement Date and every three (3) months thereafter. Notwithstanding any provisions in these regulations to the contrary, DPL shall agree to amend the payment terms of existing leases to provide for quarterly payments.

* * *

All other subsections of NMIAC § 145-70-110(e) (including NMIAC § 145-70-110(e)(1) and NMIAC § 145-70-110(e)(3)-(14)) shall remain unchanged.

§ 145-70-115 Lease Form

All leases shall be in a form substantially similar to that set forth in Appendix A below. In the event of any conflict between the terms of the lease form and these regulations, these regulations shall control.

The Board of Directors of the Commonwealth Utilities Corporation ("CUC") hereby notifies the public that CUC intends to promulgate amendments to its Procurement Regulations under Northern Mariana Islands Administrative Code ("NMIAC") Title 50-50.

INTENDED ACTION TO ADOPT THESE PROPOSED AMENDMENTS TO THE PROCUREMENT REGULATIONS OF THE COMMONWEALTH UTILITIES CORPORATION. Notice is hereby given pursuant to 1 CMC § 9104(a) of the Administrative Procedure Act that the Commonwealth Utilities Corporation intends to promulgate an amendment to its Procurement Regulations found in Title 50-50 of the Administrative Code. The new Procurement Regulations shall become effective 10 days after final adoption and publication in the Commonwealth Register. 1 CMC § 9105(b).

TERMS, SUBSTANCE, AND DESCRIPTION OF THE SUBJECTS AND ISSUES INVOLVED. The proposed revisions shall amend NMIAC Title 50-50 to:

- Amend § 50-50-401(a)(1)(i) (Regarding Procurement Protests to the Executive Director). The proposed change makes clear that protests must be in writing to avoid confusion and to make sure that all participants are treated fairly. This change will align CUC's regulations with CPA § 40-50-901(a)(1) and Board of Education (PSS) § 60-50-401(a)(1)(i).
- Amend § 50-50-401(a)(2) (regarding Protests to the Director notice requirements). The proposed change clarifies that it is the protestor's obligation to give notice to other interested bidders/proposers notice of the protest and provide proof of compliance. This ensures that other bidders/proposers are treated fairly. This change will align CUC's regulations with CPA § 40-50-901(a)(2) and Board of Education (PSS) § 60-50-401(a)(2).
- Amend § 50-50-405(a) (regarding Appeals of Director's Decisions to the Board of Directors by adding two new sub-subsections. Sub-subsection (2) clarifies that the regulations must be followed and failure to do so may result in the Board of Directors not entertaining the merits of a protest appeal, especially for the requirements of § 50-50-401(a)(1)(i), § 50-50-401(a)(1)(ii), and § 50-50-401(a)(2). Sub-subsection (3) clarifies that the Board may not entertain the merits of an appeal that violates § 50-50-401(a)(1)(i).

AUTHORITY. The following proposed regulation and amendments had been fully reviewed by the CUC Board of Directors, which exercises all powers vested in the Commonwealth Utilities Corporation. During the regular board meeting held on or about May 14, 2026, the Board of Directors approved the proposed amendment to CUC's Procurement Regulations for publication in the Commonwealth Register for notice and comment pursuant to the Administrative Procedure Act and for approval by the Attorney General pursuant to 1 CMC § 2153(e). The Commonwealth Utilities Corporation has the authority to promulgate these regulations pursuant to 4 CMC §§ 8122, 8123, and 8157 and NMIAC 70-30.3.-020(a).

DIRECTIONS FOR FILING AND PUBLICATION. These proposed amended regulations shall be published in the Commonwealth Register in the section on Proposed and Newly Adopted Regulations, 1 CMC § 9102(a)(1), and notice posted in convenient places in the civic center and in local governments in each senatorial district, both in English and in the principal vernacular. 1 CMC § 9104(a)(1).

Proposed amendments to CUC's Procurement Regulations (re: Protests and Appeals)

§ 50-50-401(a)(1)(i) (Regarding Procurement Protests to the Executive Director)

(a)(1)(i) Any actual or prospective bidder, offeror, or contractor who is aggrieved in connection with the solicitation or award of a contract may protest to the Director. The protest shall be received by the Director in writing within ten days after such aggrieved person knows or should have known of the facts giving rise thereto. The Director shall consider all protests or objections to the award of a contract, whether submitted before or after award. ~~If a protest is oral and the matter cannot be resolved, written confirmation of the protest shall be requested by the Director.~~ The written protest shall state fully the factual and legal grounds for the protests;

§ 50-50-401(a)(2) (regarding Protests to the Director notice requirements)

(2) Other persons, including bidders, involved in or affected by the protest shall be given notice of the protest and its basis in appropriate cases. The protesting party shall provide such notice and a copy of its protest to all other bidders involved in or affected by the protest and shall file a declaration or proof of service with the Director. Proof of notice is required by the protesting party to other bidders or proposers within two days of filing its protest. These persons shall also be advised that they may submit their views and relevant information to the Director within a ~~specified period of time. Normally, the time specified will be one week;~~

§ 50-50-405(a) (regarding Appeals of Director's Decisions to the Board of Directors)

(a) Jurisdiction; (1) Exhaustion of Remedies. A written appeal to the Board of Directors from a decision by the Director may be taken provided that the party taking the appeal has first submitted a written protest to the Director as provided in § 50-50-401 of these procedures, and the Director has denied the protest or has failed to act on the protest within the time provided for in § 50-50-401(a)(3) above.

(2) The Board of Directors may not consider the merits of any appeal, and may summarily affirm the Executive Director's decision, if the protestor did not meet the time requirement of § 50-50-401(a)(1)(i), did not fulfill the bond requirement of § 50-50-401(a)(1)(ii), or did not meet the notice or proof of service requirements of § 50-50-401(a)(2).

(3) The Board of Directors may not consider any issue not adequately raised, discussed or factually or legally supported in the protestor's protest as required by § 50-50-401(a)(1)(i).
