

Opioid Proceeds Council (OPC)

2025 End of the Year Funding Opportunity Report - 12/30/25

Executive Summary

In April of this year, the Opioid Proceeds Council convened as a newly formed body. Within a month, OPC opened its official office, hired an Executive Director and support staff, to implement and launch the administration and funding opportunity of the Opioid Proceeds Litigation Funds.

In a course of eight months, since it initially convened, OPC, as a fully functional and operating body, will be dispersing its FIRST annual round of awards, today.

Funding Award & Distribution

Total Application Submitted:	10
Total Number of Awards:	6
Total Amount of Distribution:	\$383,490.50

Moving Forward

This report underscores OPC's dedication of supporting entities that offer free substance abuse disorder (SUD) and opioid use disorder (OUD) services within the CNMI.

With this being OPC's first year of funding, we thank everyone who submitted applications. OPC encourages all eligible entities to continue to apply for future funding opportunities.
