Opioid Proceeds Council, Saipan – The Opioid Proceeds Council is excited to announce its Notice of Funding Opportunity: “Transportation Access for Persons in Recovery SUD/ODU Care & Contingency Management Reinforcement.”

This competitive funding opportunity is open to CNMI government agencies and registered local non-profit organizations that focus on providing evidence-based, direct client services to individuals with opioid and/or substance use disorders. The application period opened on September 1st, 2026 and the deadline to apply will be on October 16, 2026.

The Council encourages eligible organizations to apply for funding. The OPC remains committed to ensuring that the opioid settlement funds are directed toward meaningful, community-centered solutions that help address addiction, promote recovery, and save lives.

For more information, please email opc@cnmioag.org or call 670-285-6723 (OPCF). Hours of operation are Tuesdays and Thursdays from 9:00am to 4:00pm.

“The CNMI Opioid Proceeds Council (OPC) is committed to addressing the structural, clinical, and logistical gaps that individuals in recovery face throughout the Commonwealth. Transportation has been consistently identified by local service providers as a critical barrier that limits treatment engagement, compliance, and long-term recovery stability. This Notice of Funding Opportunity (NOFO) represents a competitive, strategic financial assistance effort to award funding to established and licensed behavioral health organizations, substance use treatment facilities, and recovery support networks to integrate reliable, structured transportation access options,” says the Council.

Funding is made possible through the Opioid Proceeds Fund, derived from the National Opioid Settlement.
